McCulloch

Quits Business

ENTIRE STOCK OF 50 USED CARS MUST BE SOLD THIS WEEK

McCulloch Motor Company

522 South Sixth Street — Klamath Falls, Oregon

An Open Letter to the Public

It is with no little regret that I announce to the people of Klamath County, that I am disposing of my business interests in this community, and am leaving to take over another Studebaker franchise in California.

All properties of the McCulloch Motor Company, with the exception of the used car stock, are being purchased by Mr. Robert O. Odell who has been associated with the firm during the past 2 1/2 years. Mr. Odell will continue the business as owner and manager.

Inasmuch as this move presented itself only a week ago, I am placed in the unfortunate position of having a stock of \$14,000 worth of used cars to liquidate between now and Saturday, Aug. 23, the date on which Mr. Odell takes over my present place of business. In addition to this circumstance is the fact that I must be in my new location by September 1, which precludes the possibility of my remaining in Klamath Falls and disposing of these used cars at my leisure.

Consequent of these facts, I have two alternatives: First I can call in used car dealers from other cities and sell this stock wholesale, lock stock and barrel. Secondly, and the course I have chosen, is to offer these automobiles to Mr. and Mrs. Klamath Falls at prices they may not see again in many months to come. Obviously this is a used car opportunity which cannot be overlooked by anyone who is interested in the purchase of a car.

Believe me when I say that this is a bonafide sale forced on me by the above stated facts.

Sincerely,

R. W. McCulloch

Remember "Gregs" auction sale a couple of years ago when McCulloch sold \$12,000 worth of used cars in one afternoon for around fifty cents on the dollar? We don't holler when a horse race.
