

Picture News of the Week

NOT HIT BY A BOMB—No, this isn't a military truck that has been hit by a bomb. It is the truck which Irwin Beck of Bly was driving when it collided with a Weyerhaeuser train about 20 miles from Bly. It took more than an hour to extricate Beck from the wreck, and looking at this picture, one would say he was lucky to get out at all.

CONSTRUCTION SCENE—This picture shows construction work underway on the \$18,000 Wadham's warehouse at Elm and Market streets.

AN IMPROVEMENT—This new electric clock and scoreboard are a Modoc field improvement this year. The improvement could be improved by making the scoreboard figures larger and more legible. Only the holes for the number cards show in the picture, but they're a bit small.

QUEEN CONTESTANTS VISIT—Fair visitors in Klamath Falls this week were the contestants for the right to represent Merrill in this year's potato festival queen contest. Here they are, having dinner at the Willard hotel as guests of the Merrill Service club. Left to right: Georgia Liskey, contestant; Mrs. Tom Chatburn; Alonzo Hodges, Merrill postmaster; Vivian Hartelrode, contestant; Mary Ellen Denehy, contestant, and Bob Barry, dance chairman.

NOS. ONE—Gene Krups, the nation's No. 1 drummer, is shown in this picture with Charley White of Klamath Falls, the nation's No. 1 movie fan, whose exhibit of cinemana is going to be shown here in October under sponsorship of the Junior chamber of commerce.

BANDSMEN AND TWIRLERS—Snappily-attired high school twirlers and the trombone section of the band were caught in this picture taken at Modoc field at Friday night's opening game of the 1941 season.

END OF THE LINE—Hesseltine, Chico fullback, is boxed and stopped by two and a half Pelicans. Gene Love in foreground and Don Mast on the turf.

GOTCHA, BUD—Masoner, Chico high school's pass catcher, here is about to be brought down from behind by a Klamath tackler. That's Fullback Gene Love at left. Masoner scored both Panther touchdowns on passes from Hank Sigel.

PELICAN BENCH—Spectators look at the backs of men on the bench. Here's what the bench looks like from the field side—or the way it looked, at any rate, at Friday night's Chico game.

PEP PEPPERS—Red and white clad members of this girls' honorary and service organization at Klamath Union high school make a pretty picture when they march like this at the football games on Modoc field.
