By Hugh Fullerton, Jr.

NEW YORK, Oct. 13 (The Special News Service)—At least there were two football predictions for the past weekend that came out 100 per cent right. . . . One was issued from Oregon State headquarters to the effect that something awful would happen to the "T" formation handwagon the first time Stanford ran into a good rain and a good team on the same afternoon (the Beavers must have been in cahoots with the weather man) . . . The other was the southwesterners' forecast that Texas A. and M. would be coming up to its first conference game next Saturday without going through a real test. . . . From a perch on the end of a badly cracked limb, we conclude that the week's fastest tumbler was Tulane, Marquette and Holy Cross. The still-have-it seem to be Duke, Minnesota, Northwestern, Texas, Clemons and Navy. . . . And how about the Chicago Bears for the Rose Bowl?

ONE-MINUTE SPORTS PAGE
Harvard has steamrolled its cheer from nine to seven rabs. . . . Apparently they didn't want the yelling to be any stronger than the team. . . . Rudd Davis, crack Louisville bowler, recommends milking cows as training for spilling tennis. He says it develops the grip. . . . The Stillwater (Minn.) prison baseball team is looking for a new catcher as the incumbent's contract is about to run out. . . . George Eastment, track coach at Bishop Loughlin high school (New York) missed his first meet in 14 years Saturday while attending the wedding of one of his old runners. Without him, Bishop Loughlin scored its greatest cross-country triumph, winning the Manhattan college meet.

TODAY'S GUEST STAR
Nixon Denton, Cincinnati Times-Star: "Those southern Ohioans who a few years ago were wont to label Larry MacPhail dumb will be interested to learn that the Brooklyn Dodgers, which owed more than half a million dollars when MacPhail took over, now are free from debt and have money in the bank. Of course, there's one liability. They still have MacPhail along with it."

LAST LAUGH
When Gus Geigas of Philadelphia went on the field to referee the Scranton-St. Anselm game, a player asked him to hold something and handed over a wrist watch. The next brought a ring and another a medal. When the fourth one came along, Geigas resigned as property custodian. He handed Gus his upper false teeth.

Site Selected for Proposed Pavilion at Oregon State

CORVALLIS, Oct. 13 (AP)—The state board of higher education building committee selected a site yesterday for the proposed Oregon State college auditorium and basketball pavilion.

The building, with seating facilities for 7000 to 10,000 persons would be located on the north end of Bell field, where the football scoreboard now stands.

The football field would be undisturbed, but the quarter-mile track would have to be moved. The committee predicted, however, that construction of a new football stadium would be advisable in the near future.

Construction of the pavilion, to be financed by bond issuance, was authorized by the last legislature.

Reynolds Leaves for Arizona on Southwest Tour

Secretary Earl C. Reynolds of the chamber of commerce left Sunday on a good-will, tourist promotion and convention trip to the southwest.

Reynolds will attend meetings of the National Reclamation association at Phoenix, Ariz., this week, as a delegate from the state of Oregon appointed by Governor Charles A. Sprague. He also will attend a convention of the National Association of Commercial Secretaries in Los Angeles.

The chamber secretary took with him a supply of Klamath literature, which he will spread far and wide through California and Arizona. He will visit many tourist agencies.

The car he is using was furnished through the courtesy of the Oregon State Motor association.

Golden Bears Blasted By Gaels, Lose 13 to 0

Championship hopes of the University of California were completely blasted when Santa Clara's Galloping Gaels trounced them, 13 to 0. Above, Al Derian (67), Cal half, makes a seven yard gain, is stopped by Dave Simmons, Gael guard. Just to make sure Derian doesn't go any farther, Ray Brabfield, end, (49), and Jerry Zappelli, quarterback (32) close in on him.

Chicago Bear Gridders Ride on With 53-7 Win; Pro Form Intact

By TOM SILER
CHICAGO, Oct. 13 (AP)—Football and upsets go together like ham and eggs—except in the national professional league. The 10-team circuit is rapidly nearing the halfway mark in the title race, but there has not been a single reversal of form in 20 games played. Upsets may yet enliven the scramble, but so far the Chicago Bears and New York Giants have managed to brush aside all opposition with comparative ease.

The Chicago Cardinals, who whipped the Bears last season, got all steamed up for Sunday's game, but it availed them nothing. The talented Bears mercilessly smashed their municipal rivals in a 53 to 7 victory before 34,688 spectators.

The Giants, undefeated like the Bears, notched their fourth successive victory at the expense of Philadelphia, 16 to 0. The day's attendance at five league games was 126,724, bringing the league's total attendance for 20 games this season to 425,672.

Green Bay's still dangerous club jolted Brooklyn's fading title hopes with a 30 to 7 victory.

Detroit, without a victory in three games, finally found the combination for rookie coach Bill Edwards with a 17 to 7 triumph over Cleveland.

Pittsburgh, the only team in the loop which has lost every start, bowed to Washington, 24 to 20, the Steelers' magnificent rally going for naught.

Three Top Bouts Line Tuesday's Fight Card

Tall, sluggin', Del McDonald, promising lighthweight has been shaping up all week for his match with slope-shouldered Orville Johnston, undefeated mill flinger, on Tuesday night in the main event of the weekly warfairs.

It promises to be one of the top main-events ever staged on the local mat. Number one reason is because they both have clean slates in armory boxing; secondly, they are two of the most popular and rearin' to go lads in Klamath, and thirdly they both usually end the night's proceedings with a knockout.

Hunting Accident Fatal To Salem Man On Santiam

SALEM, Oct. 13 (AP)—Returning today to the point on the little north fork of the Santiam river where Carl Frank Fletsch, 40, route 6, Salem, died Sunday morning allegedly shot accidentally by a hunting partner of many years, state police and a representative of the district attorney's office are continuing their investigation.

Fletsch, who is survived by a widow, died almost instantly, shot in the back by a bullet from the gun of George Lewis Hawkins, 29, Seaside, truck driver for a logging operation in the area where Fletsch, Hawkins and William McDonald, also of Seaside, stalked deer.

Hawkins told of firing at a deer that leaped away in the brush and of investigating when he heard a peculiar sound beyond the spot where the deer had stood to find the body of Fletsch. The three men had hunted together for a number of years, police said. The shooting occurred at about 11:30 a. m. near House Mountain rock eight miles up the river from Mehama.

From Portland—Mr. and Mrs. Roy James Browne of Portland are expected here Wednesday to spend the remainder of the week, Browne to take advantage of hunting. They are former Klamath Falls residents when Browne was interested in lumbering here.
