

## LAKE COUNTY 4-H LEADERS PLAN MEETING

LAKEVIEW — Saturday, November 1, has been set aside for a meeting of all Lake county 4-H club leaders, according to Ann Sprague, president of the association. The meeting will take place at 10 o'clock in the Central school building.

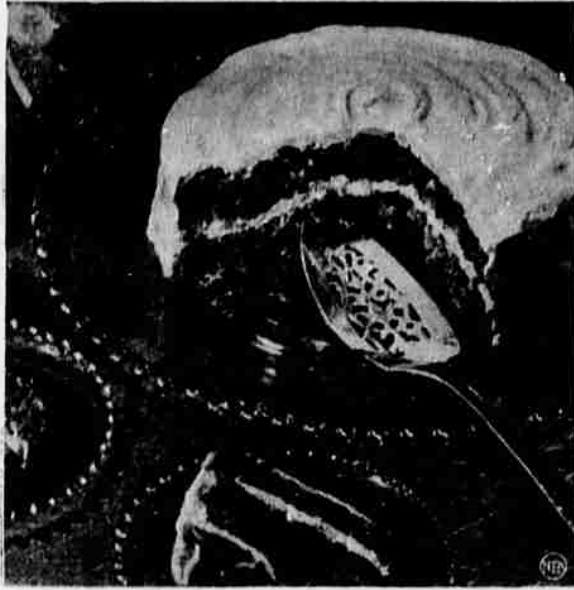

Some of the highlights of the morning meeting will be the discussion and plans for a county-wide achievement day, poster contests, news writing, a 4-H club summer camp for Lake county, election of officers and plans made for the disposition of the \$325 which was given the Lake county 4-H clubs by the Lakeview Rotary club at their recent stock auction sale.

A luncheon will be held at the Hotel Lakeview at noon. In the afternoon Helen Cowgill, assistant state 4-H club leader, will conduct a leaders' training school.

Fifteen new 4-H clubs in sewing, cooking, health, home decoration, and agriculture have been organized to date and it is expected that at least 15 more new clubs will be organized and granted charters within the next few weeks. Mr. Chester Otis, assistant county agent, has been in charge of the local 4-H club work and in getting the new clubs under way.

I haven't been in a shop since May, 1940. I'm trying to collect money for another clinic, but I hope you don't mind if I buy one or two dresses. —Duchess of Windsor to reporter asking about her shopping plans.

## Cranberry Cake Sweet and Low in Cost, Nutritious

Spiced cranberry layer cake, iced in pink, is thrifty sweet for fall.

Spiced delicately, here's a food-value dessert cake for the dessert budget. Cranberries provide vitamins and minerals, but butter and eggs do their nutritional share, and the seasoning and spices keep the appetite up to 100 per cent enthusiasm.

### CRANBERRY SPICE CAKE

Half cup butter, 1 cup granulated sugar, 2 eggs, well beaten, 2 cups cake flour, 1 teaspoon cinnamon, 1/2 teaspoon cloves, 1/2 teaspoon salt, 1/2 cup raisins, 1/2 cup chopped Brazil nuts, 1 cup cranberry sauce.

Cream butter and sugar until light; add beaten eggs. Sift dry ingredients together; add raisins and nuts. Combine, alternately with cranberry sauce, to first mixture. Bake in 2 greased layer

cake pans in moderate oven (375 degrees F.) about 30 minutes. Cool. Put together and cover with cranberry icing.

### QUEEN OF PUDDINGS (Serves 4 to 6)

Two cups milk, 1 cup bread crumbs, 3 tablespoons sugar, 1/2 teaspoon salt, 2 eggs, 1/2 teaspoon vanilla, strawberry or raspberry preserves.

Scald milk and add bread crumbs, sugar and salt. Cool slightly, add beaten egg yolks and vanilla, pour into buttered baking dish. Bake in moderate oven (325 degrees F.) for about 40 minutes or until custard is almost firm. Spread top of pudding with preserves and cover with a meringue made from whites of eggs and 1/2 cup sugar. Return to oven and bake 15 to

20 minutes longer, until meringue is firm and delicately browned.

### CRANBERRY ICING

One and one-half cups granulated sugar, pinch of cream of tartar, 1 cup 10-minute cranberry sauce juice, 2 egg whites, whipped stiff, pink vegetable coloring.

Combine sugar, cream of tartar and cranberry sauce juice in sauce pan and cook until syrup forms a soft ball in cold water—238 degrees F. Pour slowly onto whipped egg whites, beating constantly between each addition. Add pink coloring to give delicate tint. Continue beating until icing holds its shape. Spread between and on top of cake layers. Another sweet with nutrients:

## NAVY DAY SPEECH GIVEN BY BROWN

The United States navy is in stark reality "our first line of defense" and it needs intelligent and ambitious young men to help man its rapidly growing equipment, Ray Brown, American Legionnaire, told the Kiwanis club Thursday in a navy day program.

Brown discussed the importance of the navy to this country in the present crisis and told of what is being done to strengthen the seapower of the United States. He suggested that Kiwanians call the advantages of the navy to the attention of young men who may be eligible for service.

A call for a show of hands by Chairman Elmer Hosking showed four Kiwanians who have served in the navy.

## Gertrude Stein Describes Events in France in Book

VICHY, Oct. 31 (UP) — Gertrude Stein, the "Rose is a Rose" author, has written a book about the events in France in 1939-40.

Appearing chapter by chapter in the newspaper Figaro, it is all but devoid of the repetitive verbal acrobatics characterizing her earlier works. Miss Stein vividly describes the sound of cannon and clouds, strange clouds, clouds I never had seen before, and that reminded me of pictures of the civil war and the battle of Lookout mountain.

With only two hours of instruction, the average automobile driver would be able to "solo" a new "foolproof" airplane designed for private pilots. The two-place monoplane has a bicycle landing gear and a 75-h. p. Lycoming engine.

"NEW YORK TOWN"

ERIC: But, I say, old boy, it just isn't possible...

FRED: Oh, no? Then try this cup of M.J.B. and see what you think. I made it weak on purpose.

ERIC: That's what I've been trying to tell you. This is delicious, but I like weak coffee.

FRED: O.K.—then try this. It's M.J.B. made strong.

ERIC: Dashed if you're not right! It's simply ripping this way too.

FRED: Good thing you're not really a butler, Eric. You couldn't get a job in this town if you didn't know you can't make a bad cup of M.J.B.
