STOCK MARKET FAILS TO GET LIFT IN NEWS

NEW YORK, Dec. 1 (AP)—News generally was on the side of the stock market today but, while an assortment of favorites managed to acquire modest improvement, many leaders failed to take on a recovery tinge.

Tax selling persisted as a market brake, with large blocks of low-priced issues helping bridge numerous slow intervals and putting the day's turnover at around 800,000 shares. There was one 12,000-share transaction in Warner Bros., up 1/4c at 5 1/4c. Bonds were mixed.

Steels were sluggish notwithstanding a jump of 17 points in this week's mill operations following resumption of work in the captive mines.

Fears for forthcoming taxes, labor rifts and material shortages kept the ranks of market skeptics well filled.

New lows for the year or longer were registered for such leaders as American Telephone, Sears Roebuck, General Motors, Chrysler and United Aircraft.

Among better actors were Chesapeake & Ohio, Great Northern, Southern Pacific, Pennsylvania, Anaconda, Eastman Kodak, Douglas Aircraft and Boeing American Can shot up nearly 4 points before running into offerings.

Backward at times were Texas Co., Western Union, Youngstown Sheet, U. S. Steel, Bethlehem, General Electric and Union Carbide.
