

SCHOOL TOPICS DISCUSSED AT COUNTY MEET

A number of brisk discussions of school problems enlivened the monthly meeting of the Klamath County Principals and Coaches association Tuesday evening at Sari's cafe.

E. L. Coyner, district representative to the Oregon High School Activities association was given further instruction for his attendance at the December meeting of the association. The B schools of the county and throughout the state are protesting charges for membership in the state association, stating that small schools pay as high as five times as much per pupil as large A schools. The Klamath association went on record in support of a Jackson county resolution requesting lower fees for B schools and more equal distribution.

Harold Hendrickson, czar of B athletics in the county, announced the referees for the opening night's basketball games December 5. All of the men have passed the examination and hold state association cards, he said.

President Roland Parks urged development within the squads of a campaign against "crabbing" at referees' decisions. He said some schools develop a bad name for their treatment of referees while others show outstanding sportsmanship in this regard. The question was argued at length.

Max Marvin, chairman of the basketball schedule committee, announced some dissatisfaction over the present method of selecting the southern Oregon representative for the B tournament. Klamath and Lake county schools must play an elimination series before the Jackson county team plays, he said, thus putting the Jackson representative in the finals without a game. No action was taken for the present year.

Otis Johnson's report resulted in a vigorous discussion of "What's Wrong With Debate." Johnson, chairman of the county declamation and debate committee, announced that only KUHS, Bonanza, Keno and Chiloquin will participate in debate this year. It was revealed that most schools had dropped debate because it had become a battle of debate coaches' wits rather than of the debaters themselves. It was suggested that schools substitute symposium or some other form of speaking to replace debate. The debate question this year is "Resolved: That Oregon Should Adopt a Sales Tax."

Samples of proposed admission tickets for high school activities were inspected by the school representatives and orders placed. Heretofore, county schools have issued tickets on few occasions, but the new federal tax makes keeping of ticket stubs necessary.

County Superintendent Fred Peterson announced dates for the Christmas vacation and also for a week's vacation in the spring when teachers will be able to attend the Oregon State Teachers

association convention in Portland. Clifton James of Merrill was elected secretary of the association replacing George Frank. Keno coach who will be called into the navy late in December. Those in attendance at the meeting were Dave White, Arthur Cole, Don Norlin, George Elliot, Carrol Howe, E. L. Coyner, E. E. Evans, A. E. Street, George Hobbs, Harold Hendrickson, Max Marvin, Joe LaClair, John Heyden, Clifton James, Ted Schoph, C. C. Chase, Fred Peterson, Otis Johnson, George Frank, Wayne Scott and Roland Parks.

House Puts Wrench In Machinery for New Tax on Cars

WASHINGTON, Dec. 4 (AP)—The house appropriations committee threw a monkey wrench yesterday into the elaborate machinery proposed by the treasury department for collection of the new \$5 annual automobile use tax.

If the house permits the monkey wrench to stay there, it will make the auto tax inoperative.

The committee withheld the \$4,502,554 the treasury said the bureau of internal revenue required to collect an estimated \$160,000,000 in taxes with the comment it was "not satisfied with the manner and cost of collection proposed."

"Under the method of collection proposed the estimated cost per \$100 of collection of the automobile use tax is \$6.40 as contrasted with an actual cost in a previous fiscal year of 89 cents per \$100 of collection for all types of revenue," the committee pointed out.

Store to Pay Bonus in Defense Savings Stamps

This year, in line with the national campaign to "buy defense stamps," Sears Roebuck and company will give defense stamps and bonds as the awards to salespeople for sales bonuses during the Christmas season. The awards will be paid in 50c defense stamps, according to T. R. Thompson, head of the local firm, and the grand prize will be a \$25 defense bond in addition. He expects to award about \$250 worth of the stamps, he said.

ELEPHANT STOPS TRAIN
BOMBAY, Dec. 4 (AP)—The Bombay-Lucknow mail train was held up an hour today while railway workers removed from the tracks an elephant which the train struck and injured.

MAIL LOST
LONDON, Dec. 4 (AP)—The general postoffice announced today that letters, printed papers and parcels posted in England for the United States from Oct. 23 to 26 had been "lost by enemy action."

A recent survey showed that today's average air traveler is a man between 31 and 50 years old and an executive.

KLAMATH'S NEW TRAFFIC LIGHTS LATEST STYLE

The stop lights soon to go into operation in Klamath Falls are the most modern in type and placement there are, Stanley Church, director of traffic safety from the secretary of state's office told a meeting of the city traffic safety council Wednesday. Portland, he said, is watching them closely with a view to establishing lights of the same type there.

Church pointed out that traffic fatalities have decreased in Klamath county, although fatalities over the nation are up 13 per cent, and up 7 per cent in Oregon. September was the worst month here.

Klamath Falls is to have a state driving school again in March, he announced. There will be a class for high school students and one for adults once a week for seven weeks.

Mustn't Point, Lesson for Cop

PHILADELPHIA, Dec. 4 (AP) Patrolman Joseph Ransom received rather a painful lesson in etiquette last night.

Interceding just as two men started to exchange blows, he ordered them both to go home. To emphasize his meaning, he determinedly pointed his finger at one, who promptly bit it—hard.
