STOCK MARKET LOSES CLIMB, REFUSES DROP

NEW YORK, Dec. 5 (AP)—Stocks generally ran out of recovery steam in today's market but the majority refused to back down more than fractions and here and there plus marks were visible.

After topping the million-share aggregate in three successive sessions, transfers today dropped to around 900,000 shares.

On the offside the greater part of the day—several stiffened at the last—were U. S. Steel, Bethlehem, Great Northern, Chesapeake and Ohio, Pennsylvania, General Motors, Chrysler, American Telephone, J. I. Case, International Harvester, Douglas Aircraft, United Aircraft, Du Pont, Allied Chemical, U. S. Gypsum and Dow Chemical.

Resistance was exhibited by Texas company, General Electric, Westinghouse, Republic Steel, Youngstown Sheet, U. S. Rubber, Goodrich, Anaconda and Kennecott.

Bonds lacked rising stamina. Commodities were irregularly higher.

WHEAT BIDS RALLY IN CLOSING PERIOD

CHICAGO, Dec. 5 (AP)—Wheat, soybean and other grain prices sagged fractions to more than a cent a bushel in early dealings today but then rallied to close with net gains in most cases.
Continuation of profit taking caused the early retreat. Later, mill buying, partly associated with substantial flour sales to eastern bakers, helped to rally wheat, while corn and oats reflected good demand for cash grain and further large sales of grain to be shipped eastward from Chicago.
Wheat closed 1c lower to 1c higher, December \$1.17 1/2-3, May \$1.22 1/2-3; corn 1/2c down, December 75c, May 81 1/2c; oats 1/2c higher; rye 1/2c lower; soybeans 1/2c higher.
Some traders who covered previous short sales in wheat were believed to have been encouraged by reports concerning the United States-Japanese situation. A Washington report indicating that the Bankhead plan for sliding scale parity loans may be attached to pending soil conservation legislation also attracted attention.
