

AMATEUR RADIO BANNED UNTIL SURVEY MADE

Local amateur radio operators were informed by the government Sunday that all amateur radio operations must be suspended until a survey of the situation is completed. Amateurs affiliated with the army radio system, however, were instructed to monitor on corps area and state frequencies when possible.

Following is the message received by amateurs here Sunday:

"Special to all radio amateurs 945p December 7 1941 from WIAW:

"By order of the FCC all amateur radio operation in the continental United States, its territories and possessions, is hereby prohibited until further notice except for stations specifically authorized by federal, state and municipal authority in connection with emergency matters (stop) This is a precautionary and temporary close down pending examination of the amateur situation with further word promised within 48 hours (stop) Leave antennas up and don't dismantle rigs (stop) In case of local communications emergency amateurs requested by local authority may operate for that purpose (stop) Look to WIAW for further information."

NEW VENIREMEN DRAWN MONDAY

Eleven additional jurors were drawn for the circuit court jury panel Monday, making a total of 24 called in for service Thursday at 10 a. m.

The new veniremen are James L. O'Donahue, John S. Horn, Albert Walker, August C. Nieman, Glenn L. Terrill, John O. Baile, Ralph R. Macartney, Frank Obenchain Sr., Bert R. Albert, Joseph G. Balzhart, J. C. Wright, John C. Hartzler, Guy Barton.

Bomb-Extortion Threat Brings Portland Arrest

PORTLAND, Dec. 8 (AP)—A charge of attempted extortion in a bombing threat held a man giving the name of John J. Boyle, 41, in jail today under \$5000 bail.

Detective Sgt. C. Ensminger said Boyle was arrested Saturday night when he picked up a dummy package left by Abraham Rosenfeld in answer to a bomb threat against his home.

Rosenfeld found a note in his mail box Friday night demanding \$500 in \$1 bills. He informed police and the dummy package was made up.

Police said they found no bomb at Boyle's lodgings.

BERLIN RAPS U. S. IN TALK ON WAR

(Continued From Page One)

and the United States as a result of Far Eastern events.

"Now Roosevelt has the war he has wanted," the spokesman said. "Now American boys will be ploughed under."

Bluff Claim
"The Shylock in the White House... first tried to bluff Japan, then encircled her every way to prevent her from realizing her national principles and territorial needs."

The spokesman continued: "Who of us hasn't held his breath as news came that the cannons have begun to speak in the Pacific?"

"Who wouldn't shudder at the knowledge that the entire earth is now dominated by one thought—war; that mothers and children carry in their hearts only one conception—war; that tears and blood have become the coat of arms of the world."

The spokesman then tried to trace the recent history of Japanese-American relations, putting the entire blame for their worsening on the United States government.

"The opposing fronts are now clear," he said. "Decisions have started. Whole peoples are entering the arena. We know the good will triumph. With veneration we listened to the words of the Japanese prime minister."

All attempts by foreign correspondents to elicit an indication of Germany's next official step failed.

Editorials on News

(Continued from Page One)

Japan needs — especially oil and rubber.

There may be submarine and surface raiders along the Pacific Coast, but no attack on the U. S. mainland is probable. What Japan needs and must have if she is to carry on a long war is nearer home and easier to get.

THIS is what we must remember:

Business as usual is out. Pleasure as usual is out. Social progress as usual is out. We have a long, hard, bloody job ahead of us. It will require all our energy, all our determination and all our loyalty.

SOMETHING else:

When tempted to complain and criticize, WORK HARD INSTEAD. With censorship what it is, you can't know all the facts. There will be plenty of time for criticism later. Work and loyalty are called for now.

If you ever played football, you will know that all cussing the quarterback gets you is a victory for the OTHER TEAM.

OBITUARY

GEORGE ARTHUR BEAULIEU

George Arthur Beaulieu, for the last four years a resident of Klamath county, Oregon, passed away in this city Sunday, December 7, 1941, at 9:15 a. m. following an extended illness. He was a native of Menominee, Mich., and at the time of his death was aged 84 years 9 months and 6 days. Surviving are three sons, Raymond of Couer d'Alene, Idaho, Francis of Libby, Montana, and Thomas J. of this city; four daughters, Mrs. Orville Gamache of Libby, Montana, Mrs. Norman Durgin of Seattle, Washington, Mrs. James Walsh and Miss Florine Beaulieu, both of this city; four sisters, Mrs. Jules Chapados and Mrs. Azim Charon of Cloquet, Minn., Mrs. Arthur LeBrun of Medford, Oregon, and Mrs. Charles Peltier of Spokane, Washington; two brothers, Antone LaTulip of Cloquet, Minn., and William LaTulip of LaCrosse, Wisconsin; also six grandchildren. The remains rest in the Earl Whitlock Funeral Home, Pine street at Sixth, where friends may call after 6 p. m. Monday. Notice of funeral to be announced in the next issue of this paper.

OBITUARY
MERRILL GIRL DIES IN HIGHWAY CRASH
Miss Burdette died en route to Klamath Valley hospital where she was rushed by two passing motorists, Donald Dyer and Ben Jaques who were on their way to Merrill.

It is understood that a car operated by Mrs. Lucille Clark, Merrill, had plunged into the ditch near the Chinn ranch on the highway. A man named Cain, driving for Haskins brothers, stopped his truck at the scene of the accident and was in the line of traffic when Mr. Daniels' car crashed into the rear of his machine.

McDaniels was able to get out of the car but was also brought into Klamath Falls for treatment. He was later dismissed.

Young Men Rush to Volunteer

Army, navy and marine recruiting offices here did a rushing business Monday as young men offered their services to the country in time of war. Sergeant Walter Chesley, left, and Sergeant Carl K. Cook are here shown signing 'em up.

FIGHT RAGES IN MALAYA; BASE BOMBED

planes also sank two British cruisers in attacks on Britain's great fortress at Singapore.

Meanwhile, Tokyo newspapers carrying unofficial identification of the two U. S. battleships purportedly sunk said they were the 29,000-ton Oklahoma, built in 1914, and the 31,800-ton West Virginia.

A Domei broadcast asserted that 60 per cent of the United States entire naval power was stationed in Hawaiian waters prior to the attack and that the surviving units "would be regarded as utterly inadequate to accomplish any successful outcome in an encounter with the thus far intact Japanese fleet."

In the Far East, a British communique said Japanese air raiders killed 63 persons and wounded 133 today in a violent assault on Singapore, Britain's "Gibraltar of the orient," but that Japanese troops were being "mopped up" in an attempted land invasion of Malaya from the north.

MERRILL GIRL DIES IN HIGHWAY CRASH

(Continued From Page One)

come from Walla Walla, Wash., with a girl named Taylor. The two are thought to have been here two years ago for a brief time, Merrill officers said.

Didn't See Truck

According to the story told by McDaniels, he left Merrill about 1 o'clock in the morning, driving toward Klamath Falls. He did not see the truck on the highway. The girl was sitting at the side of the driver when the crash occurred. The right side of the car was shirred and the motor driven against the seat pinning the girl's body between the two.

Miss Burdette died en route to Klamath Valley hospital where she was rushed by two passing motorists, Donald Dyer and Ben Jaques who were on their way to Merrill.

It is understood that a car operated by Mrs. Lucille Clark, Merrill, had plunged into the ditch near the Chinn ranch on the highway. A man named Cain, driving for Haskins brothers, stopped his truck at the scene of the accident and was in the line of traffic when Mr. Daniels' car crashed into the rear of his machine.

McDaniels was able to get out of the car but was also brought into Klamath Falls for treatment. He was later dismissed.

The girl's body was removed to Ward's Klamath Funeral home where attendants said late Monday they had not received word from Miss Burdette's relatives, thought to be in Washington.

Outbreak of War Received Calmly By Klamath People
Klamath Falls people received news of the outbreak of war in the Pacific calmly but with a showing of tremendous interest Sunday.

CIO Loggers Return at Bend

BEND, Dec. 8 (AP)—Nearly 1000 CIO lumberworkers returned to work at the Brooks-Scanlon Lumber company today. They accepted an employer's offer of 2 1/2 cent-an-hour wage increase and a week's paid vacation. They had been on strike for 10 days.

MINE WORKERS TO GET UNION SHOP

NEW YORK, Dec. 8 (AP)—The United Mine Workers of America (CIO) have reached an objective sought for more than 40 years — a union shop for miners in the major steel companies' captive coal pits.

An arbitration board appointed by President Roosevelt to settle the thorny union shop issue — source of three recent strikes in the defense-vital Captive mines — last night returned a 2 to 1 decision awarding the union its demand.

Benjamin F. Fairless, president of the U. S. Steel corporation, returned the minority opinion, in which he assailed the board's decision as further imposing an "unregulated labor monopoly" upon the industry.

Dr. John R. Steelman, on leave as director of the U. S. conciliation service to serve on the board, and John L. Lewis, union president, concurred in the majority agreement.

Lewis limited his comment to this statement: "I feel that the award justifies the position assumed by the United Mine Workers of America in regard to this conference."

As a result of the decision, these eight companies, having previously committed themselves to follow the board's decision, will sign the Appalachian wage agreement, the standard for the country-wide bituminous coal industry.

FIRST AID BOARD TO MEET TUESDAY

Fred Fleet, chairman of rescue, first aid and evacuation for the civilian defense council, announced Monday that a meeting of his committee will be held at 9:30 a. m. Tuesday in the county courtroom.

Fleet said he had received permission from both the Red Cross and the civilian council to use the American Red Cross disaster committee as his committee in the defense council work. Members are Fleet, Sheriff Lloyd Low, Mitchell Tillotson, Earl B. Redman, Elizabeth Baker, W. J. Dinsmore, Fred Peterson, Dwight Glechrist, T. M. Medford, Dr. Peter Rozendal, Dick Reeder, Charles Seavy, E. P. Livingston, E. M. Chilcote, George Kincaid, Malcolm Epley, Angus Newton, I. A. Baker and P. A. Everett.

TEGUCIGALPA, Honduras, Dec. 8 (AP)—Honduras declared war on Japan today and the government established martial law throughout the republic.

F. R. ASSAILS 'UNPROVOKED' JAP ATTACKS

had lost two warships and 3000 dead and wounded."

But, the president asserted, while congress again filled the chamber with deafening cheers: "No matter how long it may take us to overcome this premeditated invasion, the American people will in their righteous anger win through to absolute victory."

His speech was brief, but it was pointed. And when it was completed, congress set about to adopt the resolution declaring war, with every indication that it would be done quickly.

Members of the floor of the house set up shouts of "vote, vote, vote" as soon as Mr. Roosevelt had left the chamber. All the tumult which followed Mr. Roosevelt's speech was in sharp contrast with the mood in which congress assembled. There were few smiles and only a subdued hum of conversation.

Civilian Defense Swings Into Action In Klamath County

(Continued from Page One)

been fenced a year ago under war department arrangements, and that fences could be electrified at any time.

The county defense council received offers of cooperation from many individuals and organizations, including the American Legion, Klamath Guard, sheriff's posse and police reserves. State police were pursuing regular duties but said they expected special orders at any time.

Chairman of the county defense council is County Judge U. E. Reeder. Vice-chairman is E. P. Ivory and the coordinator is Secretary Earl C. Reynolds of the chamber of commerce. Division heads are: John Houston and Bill Dinsmore, planning; L. L. Low and Frank Hamm, protection; Dr. Neil Black and Dr. F. C. Adams, necessities; C. E. Seavey and Lee Jacobs, communications; J. A. Souther and C. R. Leever, utilities.

Angus Newton, American Legion commander here, on Monday received the following telegram:

"Climax reached this morning demands cool headed and orderly procedure on part of our citizens. Legionnaires by experience are equipped to take a

BASES, PORTS BLASTED; BIG SHIP ATTACKED

(Continued from Page One)

the night in the United States and Hawaii.

Troops had assumed guard posts throughout the nation at defense industries, key buildings, strategic bridges and public utilities.

The White House said that the surprise dawn attack of the Japanese yesterday resulted in capsizing of an old battleship, the destruction of a destroyer, damage to other vessels and destruction of a relatively large number of planes.

It added that several Japanese planes and submarines had been accounted for.

Chairman Connally (D-Texas) prepared the war resolution, saying he acted on his own initiative without knowing what the president would say.

An official White House statement, the first authentic government appraisal of the attack yesterday, said that casualties were expected to mount to about 3000, nearly half of them fatalities.

It was disclosed that active resistance was "still continuing" against the Japanese attacking force in the vicinity of Hawaii. Reinforcements of planes are being rushed to the islands the White House said, and repair work is underway on ships, planes and ground facilities.

The White House said that Wake and Midway islands, in addition to the island of Guam and Hongkong, China, had been attacked but that details were lacking.

Asked whether there was any official information why Japan was able to get inside the outer defenses of the Hawaiian group, Presidential Secretary Stephen Early said it was the consensus of experts that probably all the attacking planes came from carriers which had moved forward during the night and sent their planes aloft. The attack came at dawn yesterday.

There was no identification of the battleship which capsized beyond the statement that she was an old one. The ship turned over in Pearl Harbor, the navy's giant Hawaiian base.

The statement said that several other ships "have been seriously damaged," that one destroyer was "blown up," and several other small ships were "seriously hit."

Several hangars were destroyed in the bombing of army and navy air fields the White House said, and "a large number of planes were put out of commission."

However, a number of bombers were said to have arrived in the islands safely from San Francisco while the engagement was underway.

Two hundred marines, all that remained of the American marine detachment in China, have been interned near Tientsin.

The statement asserted that it seemed apparent many bombs had been dropped in Honolulu. It seemed to indicate that the casualties were largely at army and navy stations at the key Pacific outpost.

successful leading part in civilian defense. State defense council appointed coordinators in each county. Have every member of your post contact the coordinator in some way immediately volunteering service in any capacity required. Orderly process preferable to hysteria. Please respond 100 per cent to this request. Signed, Joseph K. Carson Jr., department commander Department of Oregon, American Legion."

Boeing Factory Placed Under Guard

SEATTLE, Dec. 8 (AP)—Heavily armed troops and anti-aircraft units were on duty at the huge plants of the Boeing airplane company today while the Boeing company's own police force was augmented and placed on the alert to guard against sabotage.

NATIONS LINE UP AGAINST NIPPON NATION

LONDON, Dec. 8 (AP)—Great Britain declared war on Japan today, allying herself with the United States.

CHUNGKING, Dec. 8 (AP)—China has decided to declare war on Japan, Germany and Italy, Foreign Minister Quo Tai-Chi announced at a special press conference tonight.

He said China was prepared to make every sacrifice to collaborate with the United States and Great Britain in defeating Japan.

RIO DE JANEIRO, Dec. 8 (AP)—President Vargas and his cabinet agreed at a meeting today to "give absolute solidarity to the United States," the Brazil government announced.

OTTAWA, Dec. 8 (AP)—Canada declared war upon Japan late last night after a four-hour cabinet meeting and thus added within a 24-hour period four axis-aligned nations to her list of enemies.

HAVANA, Cuba, Dec. 8 (AP)—The cabinet asked Cuba's congress today to declare war on Japan.

PORT-AU-PRINCE, Haiti, Dec. 8 (AP)—Haiti joined the Latin American nations today which have declared war on Japan and pledged the United States its full assistance.

Naval recruiters found the office swarming with volunteers this morning and said they had enlisted three men by noon. The office will be open as long as necessary Monday evening.

Klamath county draft board officials said they had received no special orders since the Japanese attack. As far as they knew the January draft call will proceed normally unless additional men are requested.

The office has been flooded with inquiries from men who have been discharged from the army because of the 28-year age limit. Draft officials, however, said the men were under regular army jurisdiction now.

WEED MILL STRIKE STARTS 8TH WEEK

Outbreak of the Japanese war has not yet affected the status of the seven-week-old strike at the Long-Bell Lumber company of Weed, a union spokesman said Monday.

Local 2007 at Weed has received a message from Federal Labor Conciliator Andrew J. Gallagher which said that when the "federal government wants the men to go back to work, it will notify them," the spokesman said.

Latest development in the strike situation was a "back-to-work" parade by what were reported to be Weed merchants and others, presumably including some of the striking workers, Sunday night. A union sound truck and parade were sent out to compete with the first assembly, it was reported.

Over 700 workers were again on the picket line Monday in a repeat demonstration of last Monday's gigantic display.

Officials of the Lumber and Sawmill Workers union (AFL) were attending the annual northwest convention in Portland and were unavailable for comment.

VOLUNTEERS LINE UP AT RECRUITERS

Army, navy and marine recruiting offices in Klamath Falls were deluged Monday morning by volunteers willing to go anywhere at anytime for the defense of America.

Nearly 80 applicants had been received at the three recruiting stations at noon. The marine office will be open 24 hours per day from now until further notice, according to Carl Cook, recruiting sergeant.

"The spirit is exactly the same as that in 1917," said Sergeant Frank J. Hulbin, veteran army man and recruiter who had accepted 15 volunteers out of 40 applicants Monday morning.

Hulbin said the volunteers had but one idea—to get in as soon as possible. Gone were the ideas of preference as to type of service, the sergeant stated.

The husky soldier said that his office was flooded with men of all ages, from 17 to 60. Men must be at least 18 years of age, he asserted, and must have their parents consent if they are under 21.

Harry Young, "37 upwards," a Spring Lake rancher, attempted to enlist but was rejected. He said they wouldn't let him fight in the last war because of his job as a coal mine superintendent and he wanted to get in this one.

He was "born to it," he said, because his birthday falls on Armistice day, November 11. He has written to Salem asking to be drafted into "any kind of service, anytime, for any cause."

The marine recruiting station said men will be shipped out as fast as they're accepted. Over 23 volunteers had appeared Monday morning out of which nearly half had been accepted.

Sergeant Cook disclosed that the Klamath substation had been accorded congratulations by Col. D. M. Randall, chief west coast officer in charge of recruiting, for its excellent showing during November. The Klamath office led the entire Portland district in volunteers.

Naval recruiters found the office swarming with volunteers this morning and said they had enlisted three men by noon. The office will be open as long as necessary Monday evening.

Klamath county draft board officials said they had received no special orders since the Japanese attack. As far as they knew the January draft call will proceed normally unless additional men are requested.

The office has been flooded with inquiries from men who have been discharged from the army because of the 28-year age limit. Draft officials, however, said the men were under regular army jurisdiction now.

PARKS ARRIVES IN SHERIFF'S CUSTODY

Sheriff Lloyd Low arrived Sunday night with George Parks, brought from Montana to face charges of the first degree murder of Dr. Salem David in the Buffalo lunch case.

The sheriff drove back with Parks from Great Falls. The prisoner, Low stated, said little on the trip. No trouble was encountered in getting extradition papers or bringing Parks back.
