

# Women Have Work To Be Done Now!

### Residents of Klamath May Sign Up for Various War Occupations to Aid in Time of War

This is being written during Friday night's blackout and what a lot of busy goings on with half the town's population crying out "Blackout" to the other half that wouldn't believe that it was business. Hundreds of telephone calls flooded this office from over the city and suburban areas. A few families were prepared and rustled their children into rooms darkened for the occasion.

Klamath Falls falls in the northern California district. Along with the hour the blackout order came here, Sacramento and San Francisco went black. This city cooperated fairly well, but the blackout whistles should bring no moment of hesitation on the part of the citizens. The blackout is for protection, not for fun!

Women through Klamath county have volunteered their services in a score of different ways. Some have volunteered the use of their cars at any time of the day or night. Others have signed up for first aid, others for home nursing, and still others for various forms of clerical work. We can't all get into fetching uniforms with Sam Brown belts and look like movie queens ushering the RAF about, but we can sew for the Red Cross, we can wrap bandages, in fact we can do just every thing they did in the last war and a little bit more. Call any of a dozen agencies that can use your spare time to advantage if you wish to be in the swing.

Mrs. Claud Davis is chairman of the registration committee, assisted by Mrs. Fred Heilbronner, Mrs. Jack Gallagher, and Mrs. Mae K. Short. These women are registering all interested persons who may sign up at the Klamath county chamber of commerce daily between the hours of nine o'clock to four o'clock, including the noon hour. More than one hundred women have signed up thus far, but there is work to be done by the thousands of others. The percentage up to Friday was not high.

Before another week is over there will probably be additional duties for Klamath women. In the mean time there is a crying need for Red Cross work and you'll find plenty to do.

There goes the all-clear signal! Cars are flashing by and the machines are running again, some with blue cellophane covers over the headlights. There still is work to be done.

### WOMEN TO SEW FOR RED CROSS HERE

Klamath women who have devoted their time to knitting for Bundles for Britain will now work diligently for the American Red Cross, it was learned here this week. Officials of the local Bundles for Britain chapter have advised the Portland chapter that now "as long as we are in the war we feel that by working for the Red Cross that it will help all concerned."

Last week the local unit mailed six knit pieces and more are to come. A check for \$25 has been given to the Christian Science war relief committee to help with the used clothing work for Bundles for Britain. A check for \$127.31 was sent to Portland which the Klamath women "hope can do some immediate good." During the year's service here, the Klamath unit has sent \$1127.31 in cash, 176 knit garments, and shipped around 2500 pounds of used clothing.

Bundles for Britain cook books have been turned over to women of the Christian Science committee here and may be purchased from them.

# Professor Blanks Presented Monday

### "Christmas on the Old Plantation" Heard by Klamath Falls Library Club

No more suitable program could have been planned for Monday afternoon of this week than that presented before the Klamath Falls Woman's Library club by Professor Anthony F. Blanks of the University of California when he read a paper, "Christmas on the Old Plantation."

The program was light, delightful, and held not one trace of the disturbing events of the week which were on the minds of those who entered the auditorium.

Professor Blanks, a southerner, described in a charming manner a traditional Christmas on a southern plantation, taking his listeners from the moment of arrival on through the festivities of the holiday. This was Professor Blanks' third appearance here and he was thoroughly enjoyed by those who had the opportunity to hear him.

Another delightful phase of the afternoon was the presentation of the robed a capella choir from Klamath Union high school under the direction of Mr. Guy Bates. The boys and girls, in splendid voice, sang four numbers, "Ballad of the Trees and the Master," words by Sidney Lanier; "Silent Night," Franz Gruber; "Cherubim's Song," Tschalkowsky, and "Our Glorious America," a patriotic number. It was one of the highlights of the program year and arranged by Mrs. Don J. Zumwalt, music chairman, through Mr. Charles Stanfield, music director of Klamath Union high school.

### Sojourners Enjoy Party

#### Holiday Affair Given Wednesday; New Officers Installed

The Sojourners Christmas party on Wednesday afternoon, December the tenth, was the usual gay affair with Santa Claus presiding at a beautifully decorated Christmas tree. Each member and guest was presented at the door with a sprig of mistletoe tied with red ribbon.

The afternoon of fun was climaxed by the dancing of an old-fashioned Virginia reel.

Guests included Mrs. Walter Bethune, Mrs. F. O. Reynolds, Mrs. M. G. Sherman, Mrs. Mark Sanders, Mrs. George M. Smith, Mrs. Anna Lundy, Mrs. P. G. Fury, Mrs. Raymond Michener, Mrs. Jack Pointer, Mrs. Merle Swansen, Mrs. Estle Affleck, Mrs. James B. Cronon.

New members attending included Mrs. R. O. Fisher, Mrs. R. F. McLaren, Mrs. W. R. Cabaniss, Mrs. Carl W. Huson, Mrs. Guy Harmon and Mrs. Jack Watkins.

This annual party marks the close of the Sojourners year and the term of the present officers. The new officers were installed and received the tokens of their offices. These are Mrs. Mathew Rauw, president; Mrs. Ramon Kent, vice president; Mrs. Sanford Selby, secretary and Mrs. A. J. Myers, treasurer.

At a brief business meeting preceding the festivities it was decided to give defense stamps for all future prizes. The secretary was instructed to write the chamber of commerce that the Sojourners stand ready and willing, at all times, to aid the defense program in any way possible.

The next regular meeting will be held on Wednesday afternoon, January the fourth, and details will be announced later. There will be no meeting on December the twenty-fourth.
