## WAR STOCKS LEAD MARKET PRICE GAINS

NEW YORK, Dec. 15 (AP)—Steel, aircraft, rails and armament specialties carried the ball for the recovery team in today's stock market and scored gains of fractions to as much as 2 points or so at the best.

Many leaders, however, sat on the losers' bench throughout the greater part of the session. Among these were motors, rubbers and mail orders. Closing results, consequently, were about as mixed as the war bulletins with advances in the majority.

Dealings were fast and slow at intervals and transfers for the full stretch were around 1,100,000 shares.

Among upward share movers were U. S. Steel, Bethlehem, Great Northern, Santa Fe, Southern Pacific, Boeing, United Aircraft, Douglas Aircraft, Sperry, American Smelting, Phelps Dodge, Westinghouse, Dow Chemical, Union Carbide, Johns-Manville, Socony-Vacuum, and South Porto Rico Sugar.

## BOSTON WOOL

BOSTON, Dec. 15 (AP-USA)—There was a good demand for spot foreign wools in Boston today. Prices of Australian wools was 4 to 6 cents a pound higher, scoured basis, than before the outbreak of the war, due chiefly to increased cost of war risk insurance. Sales of domestic wools consisted chiefly of small quantities urgently needed for immediate consumption. Prices were firm to slightly higher.

## BREAK IN SOYBEANS UNSETTLES GRAINS

CHICAGO, Dec. 15 (AP)—Another 6-cent break in soybean futures prices today unsettled the entire grain market and thwarted an attempted rally of cereal quotations.

Wheat rose almost a cent, rye more than a cent and other grains fractionally early in the session, but later turned lower largely in sympathy with the collapse of bean prices. Some hedging sales were reported in the wheat pit.

This was the second session in a row that beans have tumbled the maximum permitted in one day. Weakness was attributed principally to a sharp drop in quotations of soybean oil following imposition of ceilings on fats and oils late Friday.

Wheat closed unchanged to 1c lower compared with Saturday, December 11, \$1.23 1/2, May \$1.27 1/2, 1.27 1/2; corn unchanged to 1c down, December 78 1/2, May 83 1/2; oats 1c off to 1c up; rye 1c lower to 1c higher; soybeans 6c lower; lard 3c lower to 7c higher.

## BLACKOUT LAW

ASHLAND, Dec. 15 (AP)—The city council yesterday passed blackout regulations providing a \$150 fine and a six-month jail sentence for violation. The council said it planned to buy additional warning signs.

In the Old Testament of the Bible, nine persons with the name of Abijah are mentioned.

## FIRE DESTROYS ROOF HALL AT SILVER LAKE

SILVER LAKE—Mystery surrounds the origin of a fire that destroyed the IOOF lodge hall here about 1 a. m. Saturday and menaced the whole town, which lacks a water system. Lodge members who helplessly watched the flames devour the huge, wooden building and all equipment freely voiced suspicion that the blaze was incendiary. Loss is estimated at \$5000 not covered by insurance.

Only the determined efforts of volunteer firemen equipped with garden hose and buckets saved the nearby residence of J. W. O'Keefe. A light snow on the ground aided the fire-fighters in preventing the fire's spread.

The blaze started near the ground at the rear of the building, which was almost consumed before the front burst into flames. Possibility of a sinister connection between the fire and the theft of a quantity of gasoline from E. J. Egli's car earlier in the evening was mentioned.

To many of those present at this fire brought vivid and dreadful recollection of the tragic Silver Lake fire of Christmas Eve 1894, when 43 persons lost their lives. That fire occurred when an oil lamp exploded in the upstairs hall where the entire population had gathered for a Christmas tree. About half of them perished.

Numerous other fires of the past, some of them of mysterious origin, were recalled. Many of these have never been solved. The building destroyed last night was erected in 1910, much of the labor being donated by the members. The Odd Fellows held a meeting in the hall a few hours before the fire to discuss plans for a visit of a special district deputy grand master from Klamath Falls. It was held impossible that the blaze started from the stove-pipe as the stove was at the opposite end of the long building from the fire's origin.

## Airplane Club Registers for Defense Work

Offering their services and that of their plane for the national emergency, the Shasta-Cascade Aero club registered both its members and their planes with the office of the Klamath county coordinator of civilian defense, Earl C. Reynolds, in the chamber of commerce Friday afternoon. The registration was in answer to the radio appeal of National Coordinator Fiorello LaGuardia in which he asked the cooperation of the private plane owners of the nation during the national emergency.

Officers of the Shasta-Cascade Aero club are Bus Thompson, president; Jack Elie, secretary and treasurer, and the following members belong to the organization: John Lambert, private license; O. G. Vroman, student license; Harold Dixon, private license; Archie Laing, student license; Cyril Graham, private license; Frank Snyder, student license and Leslie Stiles, student license. Their plane is a 1940 cup coupe with Continental 65 horse power motor.

## Extension Unit News

### MODOC POINT

The Modoc Point home extension unit held its regular meeting December 10 in the community hall.

Mrs. A. Davidson and Mrs. William Helm, project leaders, gave demonstrations on the making of soap jellies for use on rugs and upholstery, the actual shampooing of rugs and upholstery, and preparation of dust cloths for use on waxed and varnished surfaces.

Ten members from the Chiloquin unit attended the meeting. A potluck luncheon was served with Mrs. Helm and Mrs. John Driscoll as hostesses.

The members voted to start a gift basket rolling as a means of making money for expenses.

The Study club will meet December 18 at the home of Mrs. Arthur Davidson. The topic is "Husband and Wife Relationship." Any person interested is invited.

Tall girls finally are going to be given a break in the movies, in leading roles. Full length pictures no doubt—not shorts.

Even though we spend more than a billion a year on sports, some of us aren't good ones.

## 'Phenomenal'

Sandra Mitchell, 5 months old, will have the rest of her life to tell about her operation. Philadelphia doctors removed a man-sized appendix, called it "phenomenal." Sandra's shown with mother.

## Boy Scouts to Help Defense in Merrill

MERRILL—Boy Scouts of the Merrill Troop under leadership of Rev. Lawrence Mitchelmore will bolster the defense program helping with mobilization and first aid. Plans for immediate action went into effect this week when 18 boys turned out to pledge assistance to their country.

Efforts will be concentrated in the immediate future on collecting waste paper and anyone in the Merrill community who has old magazines, newspapers or wrapping paper may have it called for if they will contact a member of the troop. Paper gathered here is sent to Portland to be ground up and used again.

Ronnie Trotman was elected patrol leader of the Pine Tree Patrol.

5% discount for payment by 10th of following month.  
Church advertising, per inch 59c  
Political and transient advertising, per inch 79c  
(Payable in advance)

The new rates will be 4c a column inch higher than those at present. The Herald and News have been able to hold off a rate raise thus far, in spite of the recent rising costs of operation, but it is now necessary to increase revenue to make ends meet.

We believe that advertisers will appreciate the fact that in the past ten years our paid circulation (the real value of your inch of advertising) has been nearly doubled. And an inch of advertising under the new rates still costs less in The Herald and News than it did ten years ago.

We also believe that advertisers will appreciate the fact that in the past ten years our number of employes has been materially increased, and that the basic wage scale for printers has gone up from 85c an hour to \$1.20 an hour . . . adding our bit to the prosperity of the community.

Year by year The Herald and News have given more value for the advertiser's dollar. In these days of curtailed supplies of merchandise it is more necessary than ever before to concentrate your advertising where it is most productive. Use more Herald and News advertising in 1942.
