

500 SIGN UP IN TULELAKE DEFENSE PLAN

TULELAKE — Residents of the Tulelake area covering Siskiyou and Modoc counties registered 500 strong at a civilian defense mass meeting here Sunday for participation in all branches of home defense. The gathering, one of the most stirring and patriotic ever witnessed in this far northern section of California, gave evidence of the grim determination of every man and woman of the district to exert intelligent effort toward alleviating such conditions as may develop in the future.

Clark G. Fensler, coordinator of the Civil Defense League for both counties, called the meeting to order. C. C. Spears was appointed vice chairman and Charles K. Wiese will serve the community as chairman of the planning board. Fensler's appointment followed a recommendation made at a recent meeting of Tulelake post, No. 164, American Legion, by A. A. Rodenberger, who previously had been appointed coordinator for the town of Tulelake by District Attorney Charles Johnson, Yreka. The appointment was made by Post Commander George Frey and at a special meeting of the city council the appointment was also endorsed.

At Sunday's meeting chairmen of divisions other than the planning board included Frank G. Rhodes who will act as chairman of the protective division which includes police, fire prevention, rescue and first aid, air raid and aircraft observers. Eddie Gresham as chairman of communication and transportation division will be responsible for telegraph and telephone and radio.

A. A. Rodenberger, as chairman of the necessities division will be responsible for accumulation and distribution of food, clothing, housing emergency, medical care and community facilities.

Rance Stover, manager of the Tulelake office of the California Oregon Power company will be head of the division on public utilities to guard electrical, water, fuel and sanitation needs.

Under the planning unit headed by Wiese comes morals, publicity, finance and registration. W. H. Anderson will serve as chairman of the agricultural emergency division.

Fingerprints of everyone registering for cooperation were taken at the meeting held in the high school gymnasium.

No trial blackout has as yet been attempted in Tulelake but it is expected that the public will be initiated in the near future following another meeting at a date yet to be scheduled.

CHRISTMAS ITEM
NEW YORK, Dec. 16 (AP)—Blackout cloth for curtains has become such an item on every woman's Christmas shopping list that department stores have set up special counters to handle the demand, and from one of them comes a report of a new high in ambiguity. "Blackout cloth," one customer ordered, "with flowers."

Treat before sleep! — a bottle of Wieland's Ale at bedtime!

LEGAL NOTICES

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the County Court of Klamath County, Oregon, until 10:00 o'clock A. M. on January 7, 1942, and then publicly opened and read at the County Court room at Klamath Falls, Oregon, as follows:

- Bid for Gasoline for the ensuing year.
- Bid for Diesel Oil for the ensuing year.
- Bid for Hog Fuel for the ensuing year.
- Bid for Number 5 Crude Oil for ensuing year.

- Bids must be securely sealed and marked and filed with the County Clerk of Klamath County, Oregon, before the hour of opening.

The Court reserves the right to reject any and all bids. Said bid to be in force from February 1, 1942, to February 1, 1943.

Dated this 10th day of December, 1941, at Klamath Falls, Oregon.

MAE K. SHORT,
County Clerk.
D 16-28—No. 102.

4-A Men to Be Re-classified By Local Board

Selective service classification 4-A has been nullified due to the present war emergency. Klamath county draft headquarters announced Monday, and all 4-A registrants will be immediately reclassified.

The order affects 74 Klamath county men.

The 4-A class is composed of draft registrants who have had previous military experience. Status of the men after reclassification will depend upon present conditions relative to their dependency, physical qualifications, and other draft board restrictions.

The war has also caused the two local boards to be put on the alert for the repeal of the 28-year age limit recently set by congress.

The boards may soon be called upon to reclassify 1-B men, those

with minor physical disabilities which may be remedied.

A review of 3-A registrants has been ordered by Lt. Col. Elmer V. Wooten, state selective service chief, for the purpose of weeding out possible 1-A youths.

German General Visits foe's Camp

WELLINGTON, N. Z., Dec. 16 (AP)—General Erwin Rommel, commander of the German north African armies, visited an advanced British dressing station during the confused fighting in Libya, according to advices received today from Major General B. C. Freyberg, New Zealand commander in the middle east.

Freyberg's report, delivered to Prime Minister Fraser, did not give any details concerning the incident, but said the dressing station had "dealt with friend and foe alike."

Some parrots have been known to reach the age of 75 years.

CALL SPRINGS FORTH FOR LOCAL FLYERS

"This country needs 20,000 flying cadets right now and Klamath county is doing its part to contribute to that number," remarked Angus Newton, chairman of the Elks lodge, "Keep 'Em Flying" committee.

Any young man with a high school education or two years of college may enroll, Newton stated. Those who have high school diplomas will be asked to take a refresher course which will be given at the local high school as soon as a sufficient number of cadets have enlisted. Local doctors have volunteered their services in giving medical examinations.

Anyone interested is asked to call the secretary of the Elks lodge for further information.

Americans often are visualized as having red hair by the Chinese.

Local State Guard To Hold Drilling

Members of the Klamath Falls unit of the state guard will hold their first drill Tuesday night in the Klamath armory. Major Ted Case, director of the unit announcement Monday.

Case urged all those who haven't enlisted in the guard but wish to do so to be present Tuesday night. On Wednesday night the unit must be complete for mustering-in ceremonies by Col. Ralph Cowgill of Portland.

The group will be composed of 60 men and three officers.

DRAFT BILL

WASHINGTON, Dec. 16 (AP)—A draft expansion bill calling for registration of all men from 18 to 64 inclusive, and making those from 21 to 44, inclusive, subject to military service was approved today by the house military committee.

SEATTLE, Dec. 16 (AP)—The marines laid claim today to "the perfect man." Donald Daniels, 25, handsome Seattle truck

driver, was to be inducted after an examination that failed to show a physical defect, not even so much as a filled tooth.

16 Local Metal Workers Sought

Sixteen sheet metal trainees are being selected here for jobs with Boeing aircraft in Washington, according to the State Employment Service. Men are being taken on 90 hours of training, although the course ordinarily takes 360 hours.

Vacancies in the course will be filled from a long waiting list.

ON ALERT

PORTLAND, Dec. 16 (AP)—Although the army has ordered dis-

continuation of the blackouts in this region Mayor Earl Riley of Portland decreed that all advertising signs must remain dark. He said this was because the

army wants the city always on the alert and ready to black out in 10 minutes, that some large signs cannot always be extinguished immediately.

—is now featuring a display of electrical appliances, beautiful in design, moderate in cost.

The Best Returns From Advertising

The Herald and News in 10 years growth have doubled the value of your advertising dollar! Year by year our paid circulation has increased, and so year by year your advertising cost per subscriber has gone down.

This year the average rate per thousand paid subscribers is just exactly half what it was in 1932! Next year, with an increase of four cents per column inch and figuring the average gain of 387 subscriptions, it will be only two-tenths of a cent more per thousand circulation.

The following table shows our growth in circulation, and the resulting decrease in the cost of your advertising.

Year	Net Paid Circulation	Average Rate Per Thousand
1932	5704	11.2c
1933	4991	12.4c
1934	5526	10.1c
1935	5852	9.8c
1936	6118	9.3c
1937	7233	7.7c
1938	8013	6.6c
1939	8173	6.5c
1940	8722	6.0c
1941	9187	5.6c
1942	9574 (Av. April through Sept.)	5.8c (With av. gain) (With 4c in rise)

These circulation figures are taken from the Audit Bureau of Circulation and do not include papers over three months in arrears, employes or other complimentary copies.

Year by year The Herald and News have given the advertiser more for his money. In 1942 invest your advertising dollar in your daily paper, where it buys the best returns!
