Statistics Reveal Gomez' Come-back, Ruffing's High Average

CHICAGO, Dec. 16 (AP)—A quick glance down the "games won" column of the American league's official 1941 pitching records, released today, shows Thornton Lee of the Chicago White Sox and Bobby Feller of the Cleveland Indians as the top men, Feller with 25 triumphs and Lee with 22. But the statistics reveal a dozen other heroes of the mound.

There was Vernon (Lefty) Gomez of the New York Yankees, winner of only three of six decisions in 1940, who came back to take 15 and lose five last summer. And young Heber Newsome of Boston, who came within one triumph of reaching the 20-games-won circle.

Veteran Charley Ruffing of the Yankees again rated high in the percentages with 15 wins and six losses. Alejandro Carrasquel of Washington took six of eight decisions, and Johnny Murphy of the Yanks compiled eight wins against three defeats, appearing in 35 games principally in relief rolls.

Topping all hurlers on a won-lost basis was Norman Branch of the Yanks, who earned five victories and had only one defeat. He worked in 27 games. Johnny Humphries of the White Sox led the list on an earned-run basis, allowing only 1.85 scores per nine innings pitched, but he was in only one game.

Actually the leader in earned runs was Lee, the White Sox lefty, who yielded 2.37 runs per full game and worked 300 innings. Lee and Feller both reached the 300-innings pitched level, the Indians' ace hurling 343 frames. This marked the first time since 1927 that two American league hurlers achieved this select circle in the same season.

Feller pitched to the most batters, 1254. Lee faced 1113 and Emil Leonard of Washington 1005.

Rose Bowl Game Transferred To North Carolina; South Gets Annual East-West Tiff

New Orleans Picked for Shrine Tilt

CHICAGO, Dec. 16 (AP)—Andy Kerr of Tulane university, announced today that the annual east-west football game will be played at New Orleans Jan. 3, 1942, instead of San Francisco, Jan. 1.

Kerr, who with Bernie Bierman of Minnesota, and Dudley De Groot of the University of Rochester, coaches the east squad, said the game, removed from the west coast because of the war, would be played in Tulane university's stadium, and in cooperation with the Sugar Bowl sports carnival.

Kerr said that climate was the determining factor in moving the game to New Orleans rather than to one of the several northern cities which had bid for the game, coupled with "the fine cooperative spirit of the Sugar Bowl people."

The San Francisco Shrine will manage the game, he said. The game, between picked squads of eastern and western stars, will follow by two days the Sugar Bowl game between Fordham and Missouri New Year's day.

Tobacco Land New Home of Grid Classic

PASADENA, Calif., Dec. 16 (AP)—Fathers of the Rose bowl football game tenderly tucked the big stadium away in mothballs for the duration today and prepared to shift their New Year's day classic in an unprecedented move to far away Durham, N. C.

There, in the friendly-enemy land of North Carolina, Oregon State of the far west will battle Duke university of the south in the 27th edition of this post-season classic.

From the red rose country of California to the tobacco lands of Carolina—that will be the history of the Rose Bowl game of 1942.

Hard to believe, isn't it? Bag and baggage, they plunged into transfer of the big game today. Many details have yet to be ironed out, but all voiced

CORVALLIS, Dec. 16 (AP)—Oregon State college football players studied for final examinations today, suppressing excitement over arrangements to play the once-cancelled Rose bowl game in Durham, N. C.

The players must complete exams before leaving Friday for the New Year's day contest with Duke university. Practices have been postponed until mid-week.

Coach Lon Stiner said the team would practice for a week in the vicinity of Durham, but would not move into the town until just before the game.

Basketball officials were trying to schedule a hoop game with Duke on New Year's eve. The Beaver basketball squad will leave on a transcontinental tour next Sunday.

the hope that the game would be "Rose Bowl" in every respect—except the location and possibly the roses.

Head Coach Lon Stiner is slated to escort his squad of Beavers from Corvallis, Ore., Friday to Durham, arriving four days later.

Biggest headache and financial worry, of course, involved the stacks of tickets bought and paid for here, but Oregon State authorities announced that refunds would be made as soon as a 30-man office staff can handle them.

Duke authorities indicated face the same problem Oregon State did here; namely, crowding too many spectators into limited seating capacity. The Rose Bowl seats 90,000, the Duke stadium, with additions, 52,000.

Division of gate receipts was another matter unanswered out here. Ordinarily, Duke would have collected around \$100,000 and Oregon State, under the new setup, might have reached approximately \$57,000, which was what Stanford got in the 1941 game with Nebraska.

Two advance publicity representatives, Bud Forrester of Oregon State and Dick Herbert of Duke, traveled east today to set the wheels going for the game. Oregon State's official family, plus a representative of the Pasadena tournament of roses, will follow shortly.

Tulelake Splits Four Games on Casaba Jaunt

TULELAKE—Tulelake high school hoopers who traveled south for a strenuous weekend workout at Westwood and Susanville brought home a scalp or two and left two hanging on belts of their down-south opponents.

Coach Clyde Frishholz highly complimented the B squad at Westwood, remarking upon his return that the team was one of the finest in sportsmanship and ability that he had ever encountered. This squad took the curtain-raiser, 35-17, with Olsen the captain for Westwood tallying 12 points. Edwards for Tulelake garnered half that number.

The "A's" had better going, taking their tilt by a four-point margin, the final score reading 24-20 with Crawford the Honkers' rangy center, piling up 15 of the total points. Yarger, Westwood's captain, took 10. Score at the half was 18-10 in favor of the locals.

At Susanville on Saturday night the boys shook the dust out of their eyes from the long trip to take one and lose one.

The B's, in better form than on Friday night, evened up the score with the defenders in the south to take their game from Susanville, 28-15. High point man for Tulelake was Lagan and Susanville's McIntosh tallied five.

In the A round Dahle, the Honker guard, made some wonderful shots but the concentrated efforts of the six men that Frishholz played could not overcome the last minute streak of basket shooting luck that put Susanville in the running for the win with a score of 31-27.

No games will be played this weekend, the Honkers seeing a workout January 10 at Dunsuir. On January 16 they meet the KUWC and on the following day play their first home game with Alturas.

BASEBALL SCHOOL

Bill Hurn tells us that Hank Severeid, Cincinnati Reds scout, is considering holding the Reds' annual baseball school for young players in Klamath Falls next year.

Severeid, who served with Bill in the tank corps during the last ruckus overseas, is co-author of the recent and readable volume "Play Ball." Bill and Shirley Hunter, a sports writer of the first war decade, incidentally were responsible for Hank's early release from the army in 1919 so that he could play that summer with Washington.

Hank in 1918 played with the St. Louis Browns and enlisted in the tank corps on the closing day of that season. Bill and Hank were sent overseas from Jefferson barracks, St. Louis, in the same outfit.

On returning, Severeid spent a session with the Senators, played in the 1921 series and was finally traded to Hollywood where he passed four years. He's been with the Reds as a scout ever since.

The Reds' diamond school classes for next summer are rather askew due to the emergency but, if possible, there'll be one here.

FROSH REPORT

Joe Peak, KUHS freshman coach, has a 6-foot-six inch cager name of Bob Colman, on his squad. Dutch French hadn't ought to worry about height for the time being.

The freshman tonight tangle with Merrill's second team in their first test under fire.

Along the better freshman prospects are Guards Bob Perkins, Bud Biehn, Marvin Ringstad and Don DeMain, and Forwards Jim Taylor, Lon Sanders, Paul McChesney, Mickey Walters, Dick Eastman and Bob Guill.

Lost in the war shuffle for the past couple of weeks was the recent election of officers at the Reames Golf and Country club.

Jim Kerns is the new president, Ted Medford, vice president, Les Smith, secretary; and Earl Weimar and John Shaw were named to the board of directors.

Outgoing President Bill Hagelstein was named to the board of trustees.

LOS ANGELES, Dec. 16 (AP)—NBA featherweight champion Jackie Wilson of Pittsburgh, Pa., gives Richard Lemos of Los Angeles a chance to regain the crown in a 12-round bout tonight at the Olympic auditorium.

The eastern negro outpointed Lemos for the title here several weeks ago, and was given a good chance to repeat.

A clever, ringwise boxer, Pittsburgh Jackie prevented Lemos from landing his knockout wallop in the previous meeting and won by a wide point margin.

Cougars Trip Willamette Five, 42-34

By The Associated Press

A Washington State college basketball squad was hard pressed last night to defeat Willamette university, 42-34 in a ragged pre-season contest at Pullman while Whitman college swarmed all over Dillon, Mont. State normal for an easy 51-24 victory.

The Cougars opened scoring, running up eight points before the visitors found the hoop. Then, led by Forward Summer Gallaher, the Willamette squad pecked away at the lead steadily until at half time they led 20-19.

In the second half both squads threw away science and played ragged, ignored ball with the lead changing five times. WSC established, and held, an eight point lead five minutes before game time.
