AP Poll Names DiMag Outstanding Athlete

Ted Williams Second, Joe Louis Third in Annual Sports Survey

By ORLO ROBERTSON
NEW YORK, Dec. 17 (AP)—For breaking all major league consecutive hitting records with a string of 56 straight games, Joe DiMaggio was voted the outstanding male athlete of 1941 by a margin of more than 2 to 1 over his nearest rival.

Wilson Drubs Lemos, Keeps NBA Crown

LOS ANGELES, Dec. 17 (AP)—Pittsburgh Jackie Wilson needed only one fist, his left, to decisively outpoint Richie Lemos last night and keep the National Boxing Association featherweight championship he won from Richie here Nov. 18.

The 27-year-old Pittsburgh negro, veteran of 10 years in the ring, calmly set about his work in the first round and either won or drew in all of the first nine.

He had such a big lead by the time Lemos frantically began trying for a knockout in the tenth that he just protected himself through the last three of the 12 referees.

Referee Abe Roth gave Wilson seven rounds and Lemos three, with two even. Judge Charles Root, former lightweight champion, said it was Wilson 9-3.

The other judge, George Blake, called it 6-5-1, and a draw. Each boxer just made the 126-pound feather limit.

No wonder the fans are confused about the effect of the war on sports when the army plans to ban all California events that will draw 10,000 at the same time the navy is lining up a huge boxing show at Los Angeles for the benefit of Pearl harbor victims.

calling names
In Chattanooga, Tenn., they're already calling Duke vs. Oregon State the "Tobacco bowl" . . . How about a fresh name for an east-west game played in the south? . . . And next Sunday's pro playoff is being dubbed as the "Snow bowl," which seems appropriate in view of the fact it was so cold in Chicago last week that the paper reported those red-hot Bears froze the ball in the last few seconds of the game.

Bowling for Beginners

Hand Position, Not Arm, Puts Hook on Ball

Fifth of 12 Articles

Greatest Match Game Bowler

Just as a baseball pitcher has an assortment of deliveries, so does a bowler have "stuff" on the ball. A pitcher naturally holds the ball differently for his various deliveries. A bowler does the same thing.

Most widely used delivery is the hook ball. It is more popular than either the straight ball, curve or backcup.

A hook ball is thrown out of the side of the hand, as illustrated. A counter-clockwise twist puts spin on the ball. The thumb is released first and the fingers apply the spin.

The straight ball is thrown with an open hand. No twist is put on the ball. Beginners usually find this delivery easiest.

Bowlers who use a slow ball prefer the curve. It is effective on highly polished alleys but difficult to master. A lot of spin is imparted to the ball.

The backup ball results when the hand is twisted in a clockwise motion instead of counter-clockwise. Few good bowlers use this delivery. Its strike percentage is low, and it is difficult to control.

It is important to remember the hand and not the entire arm determines the type of ball you throw. Don't try to direct a hook by throwing across the alley. Follow straight through. If your hand is in the proper position the ball will do the work.

NEXT: Advantage of the hook.

ICE TEAM WITHDRAWS
PORTLAND, Ore., Dec. 17 (AP) The Portland waterfront team withdrew yesterday from the Northwest Ice Hockey league. Promoter Bobby Rowe said he feared war conditions would result in an inferior brand of hockey, citing that the Boeing team of Seattle would be unable to travel because of a seven-day work week and that several other teams were about to leave players to military service.

All Quiet on Rose Bowl Front; Army Okays North Carolina Site

PASADENA, Calif., Dec. 17 (AP)—All was quiet on the Pasadena Rose bowl front tonight.

Leaving behind a note advising ticket purchasers not to worry about their refund for the New Year's day game here between Oregon State and Duke, Athletic Director Percy Lacey of Oregon State headed to Durham, N. C., new site of the contest.

Lacey said the Oregon State team would leave Corvallis, Ore., Friday, work out at the University of Chicago December 22, and possibly again at Washington, D. C., before going into Chapel Hill, N. C., home of the University of North Carolina, which is a short distance from Durham.

Lacey said checks which had not been cleared here were already in the mails, addressed to ticket applicants. Applicants whose checks already had cleared will get their refunds not later than January 10 after he returns from Durham.

He said approximately 80,000 ticket applications were in the Rose bowl office.

DURHAM, N. C., Dec. 17 (AP) The army has given the green light to the playing of the Rose bowl game between Duke university and Oregon State here on January 1.

Frank Peirson, secretary of the Durham chamber of commerce, said that he had received a telegram from the office of the adjutant general of the army in Washington.

The telegram said that "The war department has no objection to playing of Rose bowl game at Duke university."

The army okay apparently cleared away the final obstacle to moving of the New Year classic from Pasadena, Calif., to Durham.

CORVALLIS, Dec. 17 (AP)—Oregon State college will make its eastern division Rose bowl headquarters at Chapel Hill, N. C., Football Coach Lon Stiner announced Tuesday.

He said the Beavers would leave Portland Friday night for the game with Duke university, working out at Chicago Monday and at Washington, D. C., Tuesday.

The 32-player squad has been offered the facilities of the University of North Carolina at Chapel Hill, Stiner said, and will remain there until shortly before the New Year's game.

Fremont Graders Capture Annual City Foul-Tossing Competition

Fremont school won the annual free throw tournament conducted by the city elementary schools. For the first time in four years that the tournament has been run off no records were bettered though several good marks were established by individual shooters.

Fremont made a total of 528 out of 1000 attempts compared to the record of 552 set by Roosevelt last year. This is the third time Fremont has finished on top and the trophy now becomes theirs for keeps.

In this tournament each school selects 15 boys, by conducting a school tournament, who make up the foul shooting team. Each of these 15 boys shoot 50 basketball free throws, the 10 highest then shoot an additional 50 attempts, making a total of 1000 shots to be scored in the interschool contest.

Roosevelt, last year's winner, finished second with 488; Mills school was third with 430.

In the individual scoring Jim Palmer of Fremont was high with 74 ringers out of 100 shots. Moore of Roosevelt was runner-up with 67 followed by White, Fremont, 65; Rex Saylor, Mills, 58; Linman and Reed of Fremont.
