1942 JOB INSURANCE CLAIMS TAKEN SOON MERRILL -- Mr. and Mrs. C. A. Taylor and daughter Patys who for the past five years have been residents of Malin and Merrill plan to leave this weekend for Arvin, Calif., near Bakersfield, to make their home. Taylor, well known here as a grower and buyer, has property holdings in the Arvin district where they plan to locate permanently. While here they have made their home in the Erdell apartments. Mr. and Mrs. Frank Carey workers must serve two waiting weeks after having earned \$200 in covered employment during the base year that ended September 30, 1941. First benefits for the new year may be drawn for the week ending January 10, 1942, if unemployment continues uninterrupted into the new benefit year. Those drawing 1941 benefits during the week ending January 3, 1942, may start drawing 1942 benefits without serving waiting weeks if they also are out of work during the first week of the new benefit year and are otherwise eligible. A year ago 27,676 claims were taken before February 1. Up to December 6, the commission received 58,251 claims, of which 49,450 were found valid. Of these 12,382 claimants have drawn their maximum benefits totalling \$1,264,621, while all payments have reached the sum total of \$2,348,810. Three Men Down In Power Canal YAKIMA, Dec. 20 (AP)—The swift current in a power canal brought death to three Grandview men late yesterday after their automobile had plummeted off a highway three miles south of Naches. The stream carried the submerged car and the bodies nearly two miles to a canal gate. The men were Earl Davis, 35, Pete McEvoy, 54, and Ralph Watkins, 54. Don Davis, 24, brother of one of the victims, saved himself by grasping a bridge timber and pulling himself out of the water. COLD-BLOODED The blood of a cold-blooded animal is not always cold, but takes the temperature of the air or water in which the animal lives.
