Our Christmas Greetings and Best Wishes for the New Year

1941 has been a very satisfactory year, and we sincerely thank you for your patronage. We all are faced with new problems in 1942. Those of us in the automotive business have probably realized some of these problems first.

Transportation is of vital importance . . . not only for defense, but for our civil life needs as well. It will require caution from all of us to keep our transportation needs up to the minute, without over-buying.

Let's all get behind the task of financing our armed forces in this fight . . . and come out ahead in 1942!
