WEAK STOCKS PUT BRAKE ON OTHER ISSUES

NEW YORK, Dec. 26 (AP)—Scattered weak spots, including American telephone which lopped off more than five points at the worst, put brakes on rallying tendencies in other sections of today's market.

Volume approximated 1,300,000 shares. The slide in telephone, which put this bellwether not far from its bottom of 1938, was attributed to persistent thoughts that a cut in the company's long-paid \$9 annual dividend was a distinct possibility in view of climbing costs of operations, taxes and the inability to lift rates sufficiently to bridge the gap.

Aside from telephone, lagged shares were Western Union, General Motors, Johns-Manville and Douglas Aircraft.

PASTORS HOLD UNION SERVICE ON CHRISTMAS

A union Christmas service was held at 8 o'clock Christmas night in the First Christian church and despite slick streets and snow a good attendance was reported. Ministers of the city's churches, as members of the Klamath Ministerial association, arranged the program. The Rev. A. Theodore Smith, pastor of the First Presbyterian church, presented the Christmas sermon. Excerpts follow: "Can it be, then, that this beautiful story of the Christ Child has no message of comfort or cheer in 1941? It is true that over Bethlehem there will be the roar of airplane motors, but no soft rustle of angel wings. There will be the wailing of many babies, but no 'Baby's soft cry.' Many people will be looking up in fear, but will there be no heavenly messengers to sing, 'Fear Not? Yes, Thank God! There will be. The 'Fear Not' message rings down through the ages to us today, for we read, 'Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people.' In every case the words, 'Fear not,' were an authoritative command. God was speaking and demanding obedience. And God

guide our feet in the way of peace."

"Fear not," is a divine command. It was God's messenger that spoke, but he was speaking for God Himself. And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people."

"When the heavens opened, after five hundred years of silence, for God's messenger to announce the birth of a Saviour, these words, 'Fear Not,' were used four times. First to Zacharias, father of John the forerunner of Jesus. 'Fear not, Zacharias, because thy supplication is heard, and thy wife Elizabeth shall bear thee a son, and thou shalt call his name John.' Second, to Mary, 'Fear not, Mary: for thou hast found favor with God. And thou shalt conceive in thy womb, and bring forth a son, and shalt call His name Jesus. He shall be great, and shall be called the Son of the Most High.' Third, to Joseph, in perplexity, when he found Mary his betrothed wife with child, 'Joseph, thou son of David, fear not to take unto thee Mary thy wife: for that which is conceived in her is of the Holy Spirit. And she shall bring forth a son; and thou shalt call His name Jesus; for it is He that shall save His people from their sins.' And fourth, here to the frightened shepherds on the Judean hillside, 'Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people.'"

"In every case the words, 'Fear not,' were an authoritative command. God was speaking and demanding obedience. And God

is speaking today. If men would heed Him, they would be free from fears. If men would live in obedience to Him, fear would vanish from the hearts of men. "These words were intended to reassure and comfort. They were words of assured consolation. I bring you tidings of great joy, which shall be to all people; for there is born to you this day in the city of David a Saviour, who is Christ the Lord." And suddenly there was with the angel a multitude of the heavenly host praising God, and saying, Glory to God in the highest, and on earth, peace among men in whom He is well pleased."

Marine Families To Get Stickers From Recruiter

Klamath families of young men serving with the United States Marine corps were to receive through the mail this week small red, white and blue stickers with the words, "This is a Marine Corps Family." Staff Sergeant Carl K. Cook stated Friday the stickers were to be used in the following manner, the large one to be placed in the door or window glass of the home, and the small one could be used as a car sticker. Cook said some 200 stickers would be mailed this week to parents of the youths.

ICC Upholds Lumber Shipping Rate Increase

WASHINGTON, Dec. 26 (AP)—The Interstate Commerce Commission ruled today that an increase of 50 cents a 1000 feet in rates on lumber shipments by water between ports in Oregon and Washington and ports in California was "not unreasonable or otherwise unlawful."

The increased rates became effective last June 11 but the ICC continued an investigation into their reasonableness.

The office of price administration and civilian supply opposed the higher rates, contending they were unreasonable and would result in inflationary price levels on lumber and would adversely affect national defense activities.

The commission said, however, that the increased freight rates represented only a relatively small part of the delivered price of lumber shipped from ports in Oregon and Washington and therefore would not result in an inflationary price.
