New Year's Wish
By EARL WHITLOCK

May it be truly a happy New Year to you—not just the day, but the whole year to come.

May your disappointments be few and your triumphs many.
May your spirit grow enormously as you learn to find joy in sacrificing your own immediate benefits for the common good.

May you think clearly, reason soundly, conclude logically.
May you recognize the good with which your life is blessed and be uplifted by it and may you see the evil and be guarded from it.

May you experience the full joy of life—not the mere monotony of living.

May your appetite be great, your digestion sound, your mind cheerful, your slumber deep.
This is the wish of me and mine to you and yours.

Next Monday Mr. Whitlock of the Earl Whitlock Funeral Home will comment on Red Cross—again.

BUZARD-BURKHART EMPLOYEES REPAYED

Restitution totaling \$1150.32 has been made to approximately 44 employees of the Buzard-Burkhart Pine company, Lakeview, representing the difference between wages and overtime pay received and what they were entitled to under the fair labor standards act, it was announced Saturday by Charles H. Elrey, branch manager of the wage and hour division, U. S. department of labor, at the Portland office of the division in Room 208 U. S. Courthouse, Old.

In announcing the payment Elrey pointed out that the Buzard-Burkhart Pine company made restitution without the necessity of court action. This policy has been approved by the

administrator of the wage and hour division in cases where investigation discloses that employers did not intentionally or willfully violate the law and where no aggravated circumstances of any kind are present. Complaints of underpayments, as well as other violations of the wage-hour law, may be filed in person, or in writing, or by telephoning the Portland office of the wage and hour division, Elrey said.
