Southern Eleven Wins, 16-0

By FORREST CASTLEBERRY MONTGOMERY, Ala., Dec. 29 (UP)—The South, in top form under the inspired running and passing of Texas' Jack Crain, whipped the North 16 to 0 here Saturday in the annual "Blue and Gray" game between college stars of the two sections.

A crowd of 15,500 partisan fans from this side of the Mason and Dixon line saw the fourth annual post-season contest, series in which the standing nov is two victories each.

Crain dominated the game for the gray-clad southerners, setting up a field goal chance in the second period with a 35yard run, and making a 22-yard broken field dash in the third quarter to put the ball in touch down territory. He climaxed his day with an 18-yard pass for the final touchdown in the last period.

Close behind Crain for honor was little Junie Hovious of Mississippi. In addition to effective running and passing he was an effective tackler.

Costly penalties or intercep-tions cost the northerns their few scoring chances and the "Blue" team defense was spotty Only once did the North make a serious threat. In the fourth period big Jackie Hunt of little Marshall college gained 24 yards to the eight on a pass from Andy Tomasic of Temple. The South held for three downs and then Tomasic was thrown for a 20-yard loss by George Fruits of Clemson.

Bosh Pritchard, VMI back, passed effectively for the South and his recovery of a fumbled quick-kick, on the North 37, set up the final score.
