Grid Rules Committee Convenes

College Football Ready To Serve Uncle Sam in 1942, Say Nation's Coaches

By ROBERT MYERS
PHOENIX, Ariz., Jan. 5 (AP)—College football will be ready to fill any order by Uncle Sam in 1942.

If Uncle Sam wants fine, well conditioned athletes, he'll get them. If he wants football to develop more athletes, he'll get that, too.

It doesn't take long to discover this sentiment among recognized leaders of the gridiron sport who are gathered at Camelback inn here today.

The occasion is the annual meeting of the National Collegiate Football rules committee, composed of the men who lay down the laws for your football heroes to follow.

Sitting with the group, some of them members of the official family, are ranking coaches of the nation, men whose names are familiar to all followers of the game: Dana X. Bible, Alonzo Stagg, Lou Little, Matty Bell, Dick Harlow, Bill Alexander and others.

"Sure, we'll have football next fall, and good football," said Matt Bell, the one time praisin' colonel from Centre college, now coach of Southern Methodist university at Dallas.

"But," he added, seriously, "you can bet that the boys that go into service will go gladly and they will be mentally and physically fit, just as they were in the last war."

His words reflected the attitude of the entire gathering, as rules discussions got under way in earnest. The discussions are strictly private and nothing of their future is to be disclosed until final decisions are reached. Chairman Walter Oakeson of Lehigh university made this clear.

Alums Drop KUHS For Charity, 39-35

Erlanson, Reginato Pace Old Boys Over Pelicans Saturday Night

Displaying a bit more polish, a little more aggressiveness and decidedly more accurate shooting, a seven-man quartet of Klamath Union high school alumni trounced the 1942 Pelicans cage squad Saturday night in the KUHS gym, 39-35, before a good-sized home crowd. Admission fees went to the national infantile paralysis fund.

Bob Erlanson, tall black-haired forward on last year's state tourney Pelicans, paced the grads' attack with six buckets and a quartet of field goals for 16 points.

Reginato, now on the Oregon State Rook five, hooked in a push-up to start the evening's scoring. Gene Love's one-but-two free-throws by Wes Lorenz and a field goal apiece by Reginato and Erlanson boosted the ex-Klamath into a lead which they relinquished only once.

Shim Jim Bocchi, who almost single-handedly kept the Whitebirds winning the distance during the entire game, shoved one in as Aldo Bellotti caged a free throw during the first period. Score at the quarter was 10-5 for the Alumni.

The second quarter developed into a duel between Bocchi and Erlanson as the slender Pelican tossed in four tremendous swishes from far out and the Oregon freshman bagged three from underneath and a penalty toss. Ray Crane, also currently on the Oregon State quint, helped the grads with a two-pointer.

There was little scoring in the third period as both squads tightened up. Guard Ingvar Swanson and Center Jim Cox held field goals for the Klamath and Lorenz loped a honey from up close for the grads. Free throws stretched it out to 27-24 for the old boys at the third quarter mark.

The Pelicans took momentary control at the start of the fourth when Ralph Foster, the speared little forward of grid note, and Swanson each scored to make it 28-27 for the undergrads. But a charity throw by George Cooley and successive buckets by Cooley and Harold Eittrick put the Alumni out front again where they stayed it up with seven between them as the Bigbills gathered only five more before Timer Doc Wright's final buzz.

General floor play for the Pelicans was slightly off-beat while the locals' collective shooting eye was even more so. The charity tilt may cost the Klamaths the services of Captain Gene Love for a short time. The lad with the athletic intellect injured an ankle early in the second quarter and will probably be out for the next week.

The large collection of KUHS students and the medium assembly of adults were impressed by the improved all-around performances of Reginato, Erlanson and Crane, all three of whom will meet later this season in Frosh-Rook tilts.

The National Foundation for Infantile Paralysis, incorporated, for whose benefit the game was played, earned an estimated \$60 from the show. Half the funds will remain with the foundation and the other half will be returned to the local committee for use in Klamath county.

Next game for the Pelicans will be at Prineville on January 9.

In a preliminary tilt, the Klamath Wildcats measured Chiloquin's County B league Panthers, 31-24. Monks of the Panthers, splattered the hemp for 13 points to top the scoring.

Bears Whip Pro Star Squad, 35-24

Halas Shows \$6000 Deficit For All-Star Pair; Charity Winner in Sunday Contest

By SID FEDER
NEW YORK, Jan. 5 (AP)—In the name of sweet charity—and by way of proving that his Chicago Bears are just about the greatest gridiron collection ever turned loose to prowl—jumping George Halas' bankroll showed a \$6000 hole today for two all-star games.

George, mind you, had a lot of satisfaction from the way those apples of his eye knocked over the National pro-football league all-stars two years in a row, turning in a 35-24 decision yesterday in the Pro and the 24-17 in the second one. But the red ink is getting to be quite an item.

A year ago, Halas took his big Bears out to sunny California and blew \$3800 of his own while turning in a 28-14 win over the all-stars. Yesterday George brought the Thundering Herd into the local National league ballyard because of the war, and in the process of becoming a set of mud-covered snowmen the pro league champs rolled up the biggest score ever marked up in this four-year series.

The choice of freezing a few toes apiece or staying home by the fireplace resulted in a cozy gathering of only 17,725 fans. This produced a net gate of \$51,059.67, of which the navy fund got \$25,529.84.

For that matter, so did the all-stars. Don Hutson, Green Bay's pass-catching end, wound up with a broken rib; Frank Field, Washington ball-clinger, had two of the same; and Slinging Sammy Baugh had to have four stitches taken in his jaw.

This, of course, was the all-star attack, pitching for three of the all-star touchdowns.

Sprague River High Takes Townies, 28-8

SPRAGUE RIVER—The Sprague River school "Warrior" added another victory to its collection Friday night when the town team was soundly trounced by a score of 28 to 8.

It was simply the case of a too well drilled and trained team running away from a stale adult five. The first quarter was even 6 to 6, then the town boys began to tire.

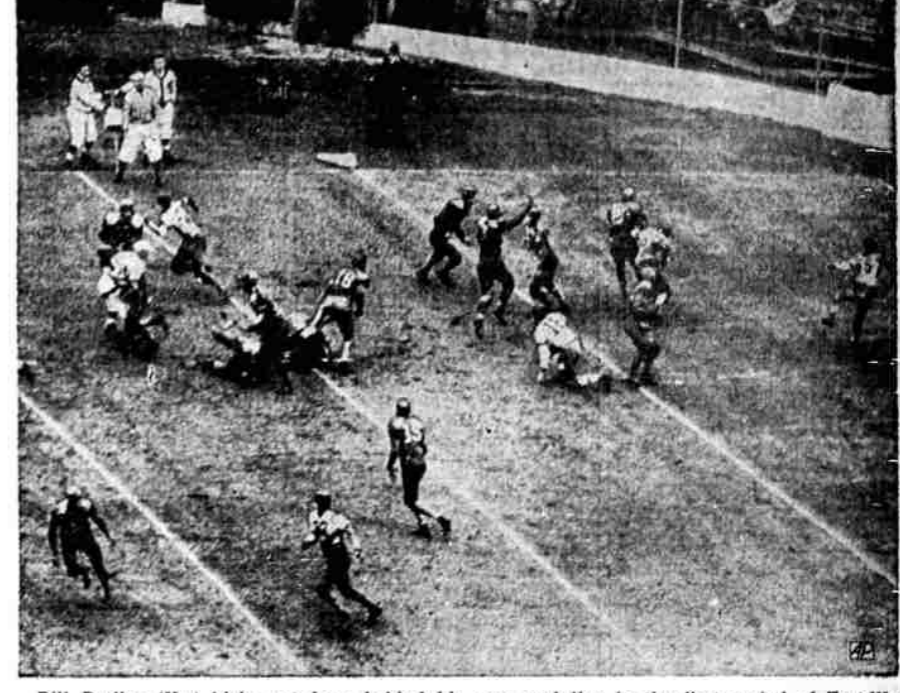

From then on the high school boys gained a lead which they increased each quarter. Hall and Barkley of the school boys tied for high scoring honors for the evening with nine markers apiece. Parke of the Townies scored eight of their nine points.

Between the preliminary and the main game the girls drill team presented a very pretty patriotic flag drill with the pledge of allegiance given as a finale.

The main game was a substitution game, as the team from Klamath Falls, scheduled to play in the high school, did not put in its appearance.

Dudley Boots It

Bill Dudley (Va.) kicks out from behind his own goal line in the first period of East-West game, to stop early West scoring threat. Ball was on the 4-yard line when Dudley (far right), booted the ball to the East 45-yard line. The annual East-West grid classic was played at New Orleans this year instead of San Francisco due to war-time regulations.

East-West Shrine Game Ends in Deadlock, 6-6

NEW ORLEANS, Jan. 5 (UP)

A dead game band of all-stars from the West, outweighted and doped to lose, fought the bigger and heavier Eastern team to a 6-6 deadlock in the 17th annual Shrine game Saturday on a gridiron as goosy as the gumbo for which New Orleans is famed.

The game, transferred here from San Francisco and played

in the south for the first time, thrilled a crowd of 35,000 which braved the cold, damp day.

The East, led by four all-Americans and the pick of the senior college stars east of the Mississippi river, entered the game a 9-5 betting favorite and closed the third period leading, 6-0. But in the end, the Easterners, coached by Andy Kerr of Colgate and Bernie Bierman of Minnesota, were lucky to get away with a tie.

The West coached by Babe Hollingbery of Washington State and Biff Jones of Nebraska, tied the score in the fourth period and had the Easterners back on their heels for most of the last 25 minutes of play.

After a scoreless first half, the East scored in four minutes of the third period on a 23-yard pass from Bill Dudley, Virginia's young all-American halfback, to Gill Geyer, Colgate halfback. The pass covered only three yards, knocking down Westerners as he threaded his way down the muddy sideline, Dudley failed to convert.

From this point on the West continually hammered at the East's goal, going to the 6, the 10, the 30, the 25, the 30, and the 22. The West's touchdown came after five minutes of the fourth period when Jack Jacobs, the big Indian halfback from Oklahoma, blasted an aerial to Bobby Robertson, Southern California halfback, over the East's goal line.

Johnny Dawson shot a 72-hole total of 279 to beat Willie Hunter, sharpest shooter among the pros, by eight strokes in the Woodland hills open. Dawson finished yesterday with a par 70 for a 65-70-74-70-279.

LOS ANGELES, Jan. 5 (AP)—For the first time since 1935 when Pat Abbott captured the southern California open golf title an amateur has defeated the professionals in an open tournament.

Bradley Shades Beaver Quint In East, 47-46

PEORIA, Ill., Jan. 5 (UP)

Bradley Tech Saturday night defeated Oregon State by the slim margin of 47-46 when Stan Butkovich popped in a short follow shot at the tail of an overtime period. It was Bradley's sixth win of the season.

But it was free throws that won the game for Bradley in a rough and tumble scrap that resulted in a total of 33 personal fouls being called. The Braves counted 21 charity tosses, and missed four.

Oregon State lost John Mandic, Sam Dement and George McNutt via the personal route, while Paul McCall and Bill Chivue were counted out for the Braves.

McCall led Bradley scorers with 18 points, followed by Chris Hansen who tallied three field goals and 10 free throws. Jack Mulder was high scorer for the Braves with 17 points.

STURM ORDERED
NEW YORK, Jan. 3 (AP)—Johnny Sturm, New York Yankees first baseman, today notified President Ed Barrow from his home in St. Louis that he has been ordered to report for induction into the United States army, Feb. 2.

NEW YORK, Jan. 5 (Wide World)—Wonder if anyone has thought of the possibility that war conditions will help baseball and some other spectator sports instead of wrecking them? ... With no new cars and no tires to take folks out of town, they're likely to turn for amusement to the places they can reach easily—the ball parks. ... Certainly they won't be leaving minor league towns and driving 100 miles or so to see big league games. ... And perhaps you noticed the story that the English are going to the movies more than ever these days, apparently because there's where else to go. ... Weather wasn't very cooperative with the east-west and pro bowl charity games, but the pros didn't do so badly for the navy relief fund. Crowd was only about 4000 under last year's at Los Angeles, and the New York price scale was higher. ... One reason the Sugar Bowl program goes over so big in New Orleans—the Times Picayune published a 60-page Sugar Bowl souvenir section last week.

BRASS RING DEPT.
In a private bowl-picking contest in the family of Jack Meagher, Auburn grid coach, six-year-old Pat won out over Mr. Meagher and five other kids. He picked them all right. ... Hank Wolfe of the Richmond News-Leader apparently grabbed the brass ring among the southern tribes. He was the only one in Virginia to pick Oregon State over Duke. Other states haven't reported yet.

LAST LAUGH
Out at the Oklahoma City basketball tournament they were telling this on Ernie Quigley, who is as good a court referee as a baseball umpire. ... During a tournament at Kansas City, Ernie became annoyed at a fan who was riding him, so he stopped the game and announced: "There is entirely too much officiating from the gallery." ... The heckler didn't miss. ... "Yes," he shouted, "and entirely too little of it on the floor."

Babe Ruth Rests Easily In Hospital

NEW YORK, Jan. 5 (AP)—Babe Ruth, who batted his way to a salary greater than that paid the President of the United States, was resting comfortably today and recovering rapidly from the extreme nervousness that necessitated his removal to a hospital early Saturday.

Mrs. Ruth, wife of the man who once was paid \$80,000 a year for playing baseball, said "he was getting along fine" and that she expected him to be released later this week.

A narrow escape in a car accident during the holidays, when his car was wrecked, and a heavy dieting program during which he lost 37 pounds in a few weeks brought about the nervousness, a physician said. Ruth also is suffering from a heavy cold.

Etiquette is an important part of any game, and bowling, like every other sport, has certain rules and regulations that players must follow.

While one may claim that etiquette never improved a bowler's score, it certainly adds to the enjoyment, good fellowship and competitive enjoyment of the game.
Control your temper and refrain from abusive language. Profanity never knocked over a pin. Your fellow bowlers don't appreciate it.

Army Advocates College Heads Stress Athletics

BALTIMORE, Jan. 5 (UP)—Colleges and universities Saturday were urged by an army spokesman to emphasize athletics and physical education programs to develop youths "equipped physically to equal the German soldier."

Col. B. W. Venable, of the office of chief of staff, in an address to the 1000 delegates attending the 45th annual convention here of the conference of college and university presidents, said the German soldier is a "perfect physical specimen."

He urged that the nation's schools expand athletic programs to improve the average physical condition of American youths.

Proposals to guard the fitness of the country's manhood also were offered by John B. Kelly, director of physical fitness in the office of civilian defense.
