Markets and Financial

GRAIN RISE CHOKED BY PROFIT TAKERS

CHICAGO, Jan. 15 (P) - Profit taking attracted by wheat prices near peaks since 1937 and hedging sales to offset purchases of grain from the commodity credit corporation choked off a temporary rise in the cereal market here today.

Wheat and rye were up about a cent early in the day, due partly to buying stimulated by upward revision of one cent in minimum prices at which the government is offering its old wheat for sale and to brisk flour business reported overnight. Later selling became more pronounced and prices slipped below previous closing levels.

Minneapolis reports indicated that possibly as much as 250,000 bushels of wheat were hedged there against purchases of "free" or government wheat. Traders pointed out that the fact that minimum CCC prices had been raised does not necessarily mean that actual asking prices have been altered inasmuch as this wheat was quoted at premiums over minimum figures in some terminals.

Wheat closed unchanged to a lower than yesterday, May \$1.31-1.30 1/2, July \$1.32 1/2-1.31 1/2, corn unchanged to 1/2c, oats unchanged to 1/2c, soybeans 2-2 1/2c higher. Soybeans were up as much as 3 cents at one time due to short covering and buying attributed to processors.

S. F. LIVESTOCK SOUTH SAN FRANCISCO, Jan. 15 (AP) - (Federal State Market News) - Cattle: salable 75; nothing done on steers, undertone weak, good grades quotable up to \$13 or better; good cows quotable to \$9.25, absent; bulls quotable \$9.50 down.

Calves: salable 3. Undertone steady; odd head good vealers \$13, choice quotable to \$14. Hogs: salable 25; steady to weak; bulk good to choice 185-235 lb. barrows and gilts \$12.60-65; sows steady, mostly \$10.00-10.10.
