LUZON FORCES REGAIN LAND FROM NIPPONS

(Continued from Page One)

anese forces yesterday captured Segamat, 95 miles north of Singapore, after a seven-day attack against positions defended by the Australian 8th division and fortified to a depth of 35 miles.

Other fast-breaking developments included:

1. Dutch East Indies — the Dutch high command quoted "reliable reports" that Japanese troops had occupied the entire Minahassa peninsula, northeast arm of Celebes island, but "paid dearly for this conquest."

East of Celebes, 40 Japanese bombers and 20 fighting planes attacked Kavieng, on the Dutch island of New Guinea, and three more raiders bombed the nearby city of Madang. Fifty other Japanese bombers and fighters were spotted flying toward Salamaua, south of Madang. Shortly after noon Salamaua airdrome was attacked.

2. Australia — Nearly 1800 miles east of Celebes, Japanese warplanes attacked the key ports of eastern (British) New Guinea and the nearby Bismarck archipelago. Forty Japanese bombers and 20 fighting planes raided Kavieng, at the north cape tip of British New Ireland, and attacked the New Guinea cities of Madang, Salamaua, Bulolo and Lae. Australia's prime minister, John Curtin said the mass attacks showed the peril to Australia was "nearer, clearer and deadlier than ever."

3. Singapore—Japanese bombers again struck heavily at Britain's $400,000,000 island fortress today but paid a high toll. Twelve of the raiders were officially reported shot down amid prolonged attacks on residential districts. On the basis of 10 per cent as a heavy loss, this would indicate that at least 120 Japanese planes were used in the assault.

4. Burma — Imperial Tokyo headquarters asserted that Japese forces now striking into British Burma, China's backdoor for war supplies, "annihilated" defense troops in an attack near Commeander, 16 miles northeast of Japanese-occupied Tavoy, in southern Burma.

British headquarters at Rangoon, the Burmese capital, declared that Thai-Japanese forces which struck from the Thailand border yesterday toward the important port of Moulmein in southern Burma had been checked [illegible] frontier town of Myawaddy.

Gigantic War Plan Revealed For Hemisphere

(Continued from Page One)

hemispheric collaboration plan, he said, they will be ignored and the plan will be pursued by the remaining American republics.

Major provisions of the plan are:

1—Removal of all barriers, including tariffs, import duties, customs and other regulations or restrictions of any character, which prohibit or delay the free flow of necessary munitions, war or civilian supplies between the American nations. They will be eliminated for the duration of the war.

2—Creation of a free international exchange currency to facilitate flow of goods and prevent delay in transactions. It would be on a gold basis and in addition to the American nations, Great Britain, China, The Netherlands, India and all British dominions would enter into the agreement. A pool of allied gold holdings would be created. The Latin American countries would agree to peg their national currencies into the free international exchange currency.

3—Creation of an emergency labor program for the hemisphere whereby skilled labor would be allowed free movement between countries and whereby any hemispheric labor shortages would be met. Establishment of an emergency civilian workers corps is planned so new war industries can be set up throughout the continent.

Mrs. Daggett Hostess at Club

WEED—Mrs. Edwina Daggett was hostess to the members of the Thursday Night Card club at the Genova hotel, where they enjoyed an Italian ravioli supper. After the supper they played cards and the winners were Mrs. Johnson, high, and Mrs. Heberlie second, and Mrs. Kimrey low.

Those attending were Mesdames Winifred Johnson, Evelyn Eppick, Evelyn Bradshaw, Genevieve Lewis, Hazel Hickey, Clara Roberts, Hazel Wagner, Frank Heberlie, Jean Ware, Carol Sullivan and Nita Kimrey and Willie Adams.

Editorials on News

(Continued From Page One)

hind British caution in Libya than meets the eye at the moment. For days there have been hints in the news that the axis is getting ready to lay a new egg somewhere.

Africa is the likeliest place for this egg laying feat and the British are doubtless preparing to meet whatever may come.

* * *

THE good news continues to come from Russia, where the red army has taken Mozhaisk and driven on six miles to the westward.

Mozhaisk is the apex of a nazi triangle pointing toward Moscow, only 57 miles distant. The Germans have been hanging onto it desperately as the jumping-off for their next spring's offensive against the Russians. They are said by Moscow to be fleeing westward through a 70-mile-wide gap which the red army is seeking to close behind them.

Russian sources in London say the red army has HUNDREDS OF THOUSANDS of completely fresh reserves ready to hurl into a giant offensive along the entire 1200-mile front.

* * *

IF that is true, it is important. History tells us it is the side with the last reserves to be thrown in at the critical moment that wins the last battle.

It is the last battle that wins the war.

SELECTEES LISTED BY DRAFT BOARDS

Following a recent State selective service board ruling permitting the publication of draftee lists, the Klamath county draft headquarters Wednesday disclosed the names of 16 county registrants who reported for induction into the army January 16.

The Board 1 men were:

Jackie L. Campbell, 2006 Wiard lane; James R. Guerin, 623½ Main street; Stuart Hogaboam, Klamath Falls; Edward Holman, 1017 High street; George N. Murray, Klamath Falls; Lee N. Swope, 707 Main street; Glenn L. Weightman, 204 Hillside avenue; Gordon B. Halverson, Duluth, Minn.

Board 2 youths:

Delbert Conney, Chiloquin; Floyd Ewing, Klamath Falls; James M. Flowers, Midland; Robert S. Kinder, Hildebrand; William E. Lloyd, Algoma; Eldon M. Van Cleve, Merrill; Cecil O. Bench, Medford, and Archie J. Sphar, Grants Pass.

Major Ted Case, director of the Klamath county boards, said that he had no information as to the date of the next call.

Navy Airmen Rescued After 7-Day Drift

(Continued from Page One)

told a story of buffeting waves which kept the plane rolling, with wings slapping the sea, from January 9 until January 17.

By the time they were picked up they had drifted 400 miles, they said, "after being forced down somewhere within 1200 miles of Panama."

The men lost 12 to 18 pounds each. Otherwise they seemed in good health.

Lieut. Sutherland especially praised the work of Weiss and Valyou who, he said, patched together a workable radio from odds and ends of wiring and established communication which led to the rescue.

Two other crew members were kept busy almost constantly bailing to keep the plane afloat, and two distilled water from the sea so the men could drink. They had three quarters of a pint of drinking water a day. It was distilled with a made-over windshield water pump.

The men calculated their position by weather reports received on their radio and by the time of sunrise.

Archbishop of Canterbury to Resign Position

LONDON, Jan. 21 (AP) — The archbishop of Canterbury, primate of all England and a central figure in forcing the abdication of King Edward VIII, announced today he would resign March 31 to make way for a younger man.

The archbishop, the Most Reverend and Right Honorable Cosmo Gordon Lang, was 77 years old last October 31, and has been the archbishop of Canterbury since July 27, 1928.

He said he was relinquishing his lofty church office to make way for "someone younger in years and more vigorous in mind and spirit, who will be better able to prepare now for post-war plans . . ."

The top-ranking ecclesiastic, the archbishop of Canterbury is the first peer of England next to the royal family. The only other archbishop of the Church of England is the archbishop of York.

7000 PLEDGE CARDS FILED IN KLAMATH

(Continued from Page One)

in bonds, making the total sales here for the day about $117,000

County precinct committeemen, headed by Jack Henry and Bill Kuykendall, respectively the democratic and republican chairmen, and County Clerk Mae K. Short, had general charge of the campaign. Much of the work was done by the precinct election boards, who gave their services voluntarily at the polling places. Sheriff Lloyd Low took materials to the precinct headquarters. An afternoon parade on downtown streets was a feature of the big day.

The precinct committee organizations were being held in readiness for further "mop-up" effors. A goal of 12,000 pledges has been set.

Country Precincts

With all workers cooperating closely, the pledge day operations went smoothly throughout, Collier reported.

Here are scattering reports on pledges from various outside precincts:

Algoma, 135; Altamont, 456; Dairy, 25; Enterprise, 74; Homedale, 199; East Merrill, 146; West Merrill, 116; Midland, 71; Modoc, 129; Mt. Laki 137; Orindale, 80; Pelican Bay, 157; Pine Grove, 85; Shasta, 342.

Others will be announced when reports come in.

WILLIAN KETSDEVER PASSES WEDNESDAY

William Sylvester Ketsdever, 84, for the past 40 years a resident of Klamath county, died at the family residence, 638 Walnut avenue, early Wednesday morning. Death followed a lingering illness. Mr. Ketsdever had been an invalid for many years.

For the past 28 years the family has resided on Walnut avenue and watched many large buildings, including the postoffice, occupy surrounding blocks. Mr. Ketsdever was a farmer in his youth. He is survived by his wife, Emma, and three sons, George, Henry and Edgar Ketsdever, all well known farmers of this area. Funeral arrangements are being made by Whitlock's.

Muhlenberg Freed By Court Martial

COLUMBUS, O., Jan. 21 (AP) Col. H. C. Kress Muhlenberg was found innocent today at a general court martial of charges that he wrongly criticized distribution of combat planes outside of the United States and its insular possessions.

After 49 minutes of deliberation, the court martial called Colonel Muhlenberg, retiring air corps officer and Court President Col. Edgar A. Fry announced:

"The court finds you not guilty on all charges and specifications."

The gray-haired, 55-year-old officer was charged with violating two articles of war after a public speech here Dec. 17.

TOO LATE TO CLASSIFY

FURNISHED APARTMENT — 9th street, $25.00. Small furnished house on East Main near Lucas Furniture, $25.00. Drew's Manstore. 1-21

Delay in NLRB Election Asked At Weyerhaeuser

Representatives of the International Woodworkers of America (CIO) said Wednesday that they were in favor of postponing a national labor relations board election, if it were so ordered among Weyerhaeuser Timber company woods crews, until later in the year.

According to George Brown of the IWA, the union is in favor of holding off the ballot until construction crews are back at work following the winter layoff. Brown said the union had petitioned the board to that effect at the NLRB hearing held here earlier this week.

WEED MAN DIES THURSDAY MORNING

William Broad, 54, sub-foreman in the sash and door department of the Long Bell Lumber company at Weed, and a resident of Weed for 30 years, died Thursday morning at his home in Shasta avenue.

Mr. Broad had been ill for the last two or three weeks.

He was a native of Lead, S. D.

In addition to the bereaved widow, Nora, he is survived by two sons, W[illegible] land, and Roderick, Weed student, and a daughter, [illegible] also a student of Weed; three sisters, Mrs. Frank Dungey of Coquille, Ore.; Mrs. M. J. Sullivan of Weed, and Mrs. William Nikolaus of Bend, Ore., and three brothers, Michael Broad of Coquille, John Broad of North Bend, Ore., and a former resident of Yreka, and Robert Broad of Brooklyn, N. Y.

Funeral services will be conducted at 10 o'clock Saturday morning from the Upton chapel in Weed, following which the remains will be taken to Jacksonville, Ore., for graveside services and interment there at 3 o'clock in the afternoon.

Rush Expected at Auto Stamp Tax Window Here

A rush at the automobile tax stamp window at the local postoffice is expected this weekend as Klamath motorists seek to purchase the $2.09 stamps for the operation of their cars.

Up to Tuesday night a total of 2459 stamps had been sold, biggest day Monday when 917 stamps were issued to car owners. The stamps are good up to July 1, when a $5 stamp must be purchased. Deadline on having the stamps placed on the windshield of an operated car is February 1.

SLICK STREET BARRICADED TO STOP MISHAPS

By order of the city engineer barricades were placed on the Lincoln street hill at Sixth street, and at the foot on Eighth street, to avoid further accidents during winter weather.

City police have received numerous reports from motorists who have attempted to go up or down the hill, their efforts usually resulting in a crash with another vehicle, or property damage.

Motorists were warned that despite sunny days the nights are cold and streets are heavily coated with ice or frost. Dangerous points in the city included the hills above Pacific Terrace where it is virtually impossible to bring cars to a stop at the Pacific Terrace intersection. The South Sixth street viaduct is also a danger point with heavy ice packed against the curbings. Greatest danger period is after sundown or very early in the morning, officers stated.

Numerous accidents have been reported since cold weather set in, but personal injuries have been kept to a minimum, it was learned.

Russ Ambassador to Tokyo Goes Home

TOKYO, Jan. 21 (Official Broadcast Recorded by AP)—Constantin Smetanin, Russian ambassador to Tokyo, will leave for Moscow Saturday, Domei News agency reported today.

"Smetanin is returning to report to his government on various matters as well as to recover his health," the report said. "He has been in poor health since last year."

One of the new inventions is a barber chair with a seat for the barber. Does it have sound attachments?

PARKING METERS STILL AVAILABLE

When the proposed parking meter measure was presented to the city council Monday night, action on the matter was postponed until it could be learned whether or not meters were available at this time. A wire sent by the police judge's office was answered Wednesday by a mid-western firm advising authorities that meters were available and orders could be filled.

This information will be presented to the council Monday night. Parking meters were offered as a solution to the inadequate police personnel of the city by Klamath Falls merchants and resulted from a proposition originally presented by the Truckers' association.

Meters now under consideration are of the dual type, with slots for both pennies and nickels, twelve minutes parking for a penny, one hour for five cents.

If the council reacts favorably, the next step is to ask various firms which manufacture meters to submit proposals. There is no cash outlay by the city, it was pointed out, the city to receive a certain percentage of receipts from the meters.

At a meeting of the council as a whole Monday night bids on trucks needed for street work were submitted to the city engineer and finance committee with power to act.

NLRB Election at Lamm's Expected

Although no date has been set for an ordered national labor relations board election at the Lamm Lumber company mill, it was believed here by CIO sources Wednesday that it would be held next week.

Representatives of the CIO International Woodworkers of America whose union will appear on the representation ballot said that the poll must be held before January 31.

Over 200 Lamm employes will have their choice of either the IWA, the Lumber and Sawmill Workers union (AFL) or no union.
