

DATE FOR ANNUAL FIREMAN'S BALL SET

MERRILL.—Saturday night, February 21 has been set as the date for the 35th annual fireman's ball to be held in the community hall in Merrill. The date and other details were made public following a meeting Monday night at which new officers of the volunteer department were elected.

With the bank and file of those in the basin who normally attend dances depleted by the call to the service, it was decided that every member of the department will be called upon to assist with ticket sales in order to make the dance a success. Only by this means does the department accumulate enough finances to carry on through the year and to purchase such new equipment as is necessary.

Baldy Evans' dance band will furnish the music and tickets will go on sale in the near future. A patriotic theme will be carried out in the decoration of the hall. Bob Barry is dance chairman.

Pierce Hodges will serve the department as president; L. A. Scott as vice president; Claud Moreland as secretary; Ben Faus will continue as chief with Tom Barry to serve as his assistant.

Loosley Elected President of Volunteer Group

MALIN.—Merle Loosley, who was elected a volunteer member of the Malin fire department, went into office as president at the last meeting of the department. Ed Petrask will serve as vice president; Joe Halousek as secretary and Louis Kallina continues as fire chief.

The annual ball at which the department is host will be held on Valentine's day, February 14 and the dance committee plans a defense background. V. Kallina and Louis Kallina are in charge of music with Baldy Evans' band as musicians; Fred McDonald and Mervyn Wilde are on the advertising committee and Ed Petrask and Donald Smith will be in charge of ticket sales.

Tickets will be offered the last of this week. The dance will be held in the Broadway hall.

Lamp Presented at PTA Meeting

BLY.—At the last PTA meeting, the organization presented the school with a lamp for the piano. Mr. Mabey played two violin selections and Superintendent Elliott showed two educational films.

Senior class members are keeping in mind the award which is presented each year by H. R. Crane, to the one having the best citizenship record, as judged by the faculty.

At a recent student body meeting, a committee of two was appointed to see Mr. and Mrs. Fiddler about getting show rates for high school students. Jimmy St. John, student body president, accompanied the appointed committee composed of Janet Protzman and Betty Abbott on their mission. They reported favorably, obtaining a reduced rate of 30 cents for all student body members, upon showing their student body cards. Everyone is grateful for this favor granted by Mr. and Mrs. Fiddler.

Lively Meetings Being Held by Students at Bly

BLY.—The school students are holding lively pep meetings before the basketball games. Every Friday afternoon and sometimes during the week, they get together to cut loose and really expand their lungs. The purpose of this is to get everyone in the spirit for the game. Before the Bly-Bonanza game a town rally was staged by the pep squad. This was the first time for this form of rallying and it took many of the townspeople by surprise. During every pep assembly, songs are practiced and yells are put through maneuvers. Sometimes the school band assists with a few selections.

A party was held in the gymnasium after the Bonanza game with dancing to the phonograph and a lunch served to all, for which the seniors contributed the ice cream, the juniors, the cookies, the sophomores, the apples and the freshmen, the oranges.

The freshmen and sophomore class program consisted of a solo, "The Boogie Woogie Washer Woman," by Shirley Nunes. A reading, "Si and I," by Betty Kirkland. A duet, "The School Song," by Wayne Varnum and Ray Harris. A reading, "A Letter to the Freshmen and Sophomores," a twirling solo by Betty Smith and a barbershop quartet by Leonora McMillan, Mabel McMillan, Shirley Nunes, Lucille Lybrand, Patricia Miller, Lupe Herrera and Shirley Harris.

The juniors and seniors had a radio broadcast. The cast consisted of Martha Givan, Freddy Kobler, Marion Burch, Donald McLeod, Cecil Nicholson, Janet Protzman and Jimmy St. John.

Mrs. Easley Called To Los Angeles

TULELAKE.—Mrs. Louise Easley, wife of Roy B. Easley, will leave this weekend for Los Angeles in response to a call from the Los Angeles county hospital school of nursing where for an indefinite time she will serve as an instructor for nurses who will go either into the field of army nursing or in service with the navy. Mrs. Easley, a graduate of the University of Southern California and of the Los Angeles county hospital was an instructor for 12 years before coming in 1938 with Mr. Easley to homestead land east of Tulelake. Her call came by wire early this week.

DISOWNED IT!

Thomas Chippendale, the master of mahogany, apparently disowned before his death the very ball and claw foot which

to so many people is the distinguishing characteristic of furniture in the authentic Chippendale manner. In "The Gentleman and Cabinet-Maker's Director," published five years before he died in 1779, he does not even mention it!
