Police Court—Traffic citations took up the time allotted to police court Saturday morning. There were no prisoners brought before Police Judge Leigh Ackerman.

I'M A POLICEMAN

As a citizen of the good USA, I give myself to the business of running down Herr Hitler and the Japan. For they are out to enslave mankind and must be rounded up.

Is this Bible?
Read Genesis 9:6. Noah and his sons have just come from the ark after the flood. Human government is about to be set up. God commands Noah, "Whosoever sheddeth man's blood, by man shall his blood be shed." So we have here the highest function of government, the judicial taking of life. All other governmental powers are implied in that.

How does it work out?
In England the murderer is trailed, caught, tried and hung in short order. Murder is almost unknown over there. And God has been pleased to give these law-loving British 24% of the earth's surface to govern. Wherever her flag floats, human life is safe.

Yes, as citizens of the world, we are to uphold law and order. But in the will of God and apart from the nations whom he has called into being, there is another body; a redeemed people who have citizenship in God's eternal kingdom. Many of us belong to that family. Along with a vast company whom no man can number, we have washed away our sins in the blood of the Lamb. What duty awaits us as thought by his blood? ONE—We are to feed the inner man on the Bible; by that faith in prayer. We are to continue in prayer. This for Victorious Living. THREE—We are to bear witness that eternal salvation is waiting for whosoever will have it. Whether in the air force or navy; whether washing dishes and keeping house; or it may be, tending store, we are to let Christ shine through.

A Christian mother tells of her soldier son who bowed his head each meal in the mess and gave silent thanks to the Father above for daily bread. So the boy honored the Christian flag along with the Stars and Stripes. We add that with officers and men he was a favorite, without intending it—he preached a great sermon.

The Bible directs that we are to uphold order on the earth. At the same time we are to herald it that God had a Son who died for our sins. And so we do. We render unto Caesar the things that are Caesar's and to God the things that are God's. You are loyal to Uncle Sam. Do you obey God? And this is his commandment, that we should believe on his Son, Jesus Christ. Do you?

EMERGENCY CORPS ISN'T NEW IDEA

What's in a name? Not much, argue the Boy Scouts of America. "The Emergency Service corps, organized in 1940, is thought by many to be a new idea. It isn't. Only the name is new to scouting. Originally designed to provide an outlet for the ability of boys over Boy Scout age (15 years), it is an outgrowth of the 32-year practice of scouting to "be prepared."

However, with war at our doorstep, the Emergency Service corps becomes an important unit in home defense. While membership in the corps itself is restricted to boys 15 years of age and over, all the skills they learn can be learned, and often are learned, within the patrol of the regular scout troop, by boys under 15.

While no one wishes to see the war come to our own cities and towns, the Emergency Service corps is ready to render extensive assistance in the event of any disaster such as flood, tornado or fire, in first aid, fire fighting, mass feeding and housing, communications, messenger service, water rescue and many other services. Older boys receive training in the handling of charged electric wires, management of mechanical equipment, etc.

Today this sort of information strikes a responsive chord in the average citizen. Little does he realize that this sort of thing does not blossom overnight. Rather it results from years—literally a generation of scouting. During the first World War Boy Scouts rendered such services wherever and whenever needed. Since that time local and national emergencies have seen Boy Scouts on the scene trained and ready to render service from first aid to communications.

Boy Scouts are prepared.

NEWS OF THE THEATRES

Stirling Hayden and Madeleine Carroll, starred in "Bahama Passage," the new technicolor hit of love in the tropics! The film opens Sunday at the Pelican theatre.

Lieutenant Abrams, of the one-track mind (Sam Levene), has it all doped out that this was the gun that murdered a man in "Shadow of the Thin Man," latest of the popular M-G-M mystery yarns, opening Sunday at the Esquire. Alas for the lieutenant's reputation, Detective Nick Charles (Bill Powell) proves to him that the man he had in mind wasn't murdered at all, but had committed suicide! Myrna Loy, of course, plays Powell's inquisitive wife in "Shadow of the Thin Man," with Barry Nelson, Donna Reed, Alan Baxter, Henry O'Neill and little Dickie Hall ("Nick, Jr.") in supporting roles. Yes, Asta, the pooch, is present, too, with a new bag of tricks!

Jane Withers and Robert Cornell as seen in "Young America," the picture based on the 4-H club organizations. Gene Autry in "Cowboy Serenade" is scheduled to co-feature with "Young America" next Friday and Saturday at the Pelican theatre.

'BLACK SNOW' AGAIN ON COUNCIL AGENDA

City councilmen will remember this year as the "winter of the black snow." That problem will again take up the major portion of Monday night's meeting time with a report expected from the committee appointed last week by Mayor John H. Houston. Arthur Rickbeil of the Junior chamber of commerce is chairman.

Rickbeil's committee met during the week with City Attorney Dayton E. Van Vactor to go over the possibilities of stretching the deadline set in the "black snow" ordinance from 90 days to six months. Other features of the ordinance declared unreasonable by mill operators and others, were to be aired.

Mt. Carmel Club Entertains Visiting Catholic Sisters

During the past week the Mt. Carmel high school study club was honored by the presence of Sister Mary Presentina, O. S. F., supervising catechist of the Confraternity of Christian Doctrine, and Sister Mary Morina, O. S. F., head of high school religious instruction classes in the diocese of Baker City.

On Sunday and Monday the classes were visited by the sisters and religious discussions were conducted by various students.

Tuesday evening a party, attended by students of the junior and senior high school, was held in the church basement between the hours of 7 and 10.

The program for the evening, arranged by the sisters, consisting of games, songs, music played by Miss Arcasa, and dances, was enjoyed by 35 members of the Mt. Carmel high school study club.

At the close of the evening a dainty lunch was served by Mrs. Nora Baker. Prizes for game contests were won by Feo Minato, Elida De Bortoli, Gina Minato and Bruna Parisotto.

News Notes and Comment

By MAURICE O'CALLAGHAN
The much sought after and formerly missing quantity—pep was found Friday at the pep assembly.

The program was labeled the best of the year, and also the most inspiring of the year.

George Demetrakos and Tunney Kennerly were the sole characters in a skit about the basketball team and the average KUHS student.

Kennerly appeared on the stage with a big unclipped beaver coat and was followed by Demetrakos in red and white bloomers. After passing back and forth clever remarks they decided to have a yelling contest between the boys and girls who were seated by themselves (no hand holding).

The girls, for the sake of the skit, were picked winners after Kennerly threatened to kick George's tire. With the girls picked as the winners, George used the popular expression, "Well, bend over," and with this, little Donny Noel, basketball mascot, pinned a large medal on Kennerly.

Two hundred interested students crowded into the little theatre Friday while still many more were turned back at the door. The group came to the play, "Curses, Foiled Again," produced and directed by members of Mrs. B. B. Bloomquist's classes, with their lunches at 12 noon and paid 1 cent admission. It showed the school that plays at the noon hour would draw crowds and for that reason more plays will be given by the dramatic group.

The \$2 which was collected using eat the lunches they bring with them and then settle back for the play.

The play Friday lasted from 12:15 to 12:35. The theatre seats a little over 100 persons, but the crowd was so large that it was necessary to allow many, many more.

Monday will be the first day that the boys will be able to fill out their own excuse blanks. They will go on the honor

system in a trial to see if the new system will be satisfactory to use for all students. If the experiment is not successful the old method of parental excuse will be returned.
