

### MINERS CHARGED ON SAME COUNT

FAIRBANKS, Alaska, Feb. 13 (AP)—Fate has dealt ironically similar hands to Walter Sakow and George Tomoff, a pair of miners who sought wealth together in the wilderness of Alaska's interior.

They face separate trials under indictments by the same federal grand jury. Each is accused of shooting with intent to kill and assault with a dangerous weapon.

Sakow is accused of shooting Tomoff; Tomoff is accused of shooting Sakow.

Tomoff pleaded innocent to both counts yesterday. Sakow was to enter his plea today.

The men were partners in a mining camp at Flat, an isolated spot between the Yukon and Kuskokwim rivers. There was an argument, the indictment against Sakow alleges, and he opened fire on his camp mate.

Tomoff spent two weeks in a hospital. The grand jury indictment accuses him of shooting Sakow on the steps of the federal building last January 2.

Sakow's hospital bed here was the one which Tomoff left 19 days earlier. Both men were wounded three times and each arrived at the hospital with one bullet still in his body.

Tomoff's trial is set for April 1. Wayne Hubbard, the partners' bookkeeper at Flat, who now is in Seattle, is listed as the key witness.

### Jeepers! Soon Those Jeeps Will Fly

Next logical development in the "Jeep" line will be to make the durned things fly. Here, "somewhere in the Pacific Northwest," Uncle Sam's soldiers convert the motor-driven road vehicle into a water "Jeep" merely by wrapping the lower part of the car in canvas and poling it out into the river.

### PHILLIPS SPEAKER AT LAKEVIEW MEET

LAKEVIEW — Rev. Victor E. Phillips of Klamath Falls was the guest speaker at the annual Father and Son banquet held Monday night at the Methodist church.

Entertainment for the evening was composed of several musical selections by a brass quartet composed of Ralph Cole, music instructor in the Lakeview public schools, Doug Fetsch, Vinton Pope and Alfred Getty. Mrs. Ralph Cole, with the assistance of Betty Combs and Bertha Barry, presented a song and dance hit with Mrs. Cole singing "Hush-a-by My Little Georgia Nigger."

Following the program a court of honor was held at which time the following Boy Scouts received awards: Rodney Harlan, life, pioneering and scholarship; Eugene Favell, carpentering; Bruce Harlan, star, safety; Lee Sanders, second class; Bob Bennett, swimming, rowing and scholarship; Dale Clough, second class; Paul Lerwick, pioneering; Richard De Armond, pathfinding; Sam Bagley, first class, and James Cotter, pathfinding and personal health.

A demonstration was put on by Troops 12 and 13 of Lakeview.

### FUNNIEST HOMER

LOS ANGELES, Feb. 13 (AP) — The one-time Brooklyn Dodger, Babe Herman, reminded Babe Ruth today of his longest and funniest homer.

"It was at Asheville, N. C., when the Yankees and Dodgers were traveling through the south in spring training. You hit it off Dazzy Vance. That ball lit in a big tree and about 40 pickanninies fell out in all directions."

### CIO TO SET UP NEW OFFICIALS AT MEET

Setting up new officials for the re-aligned Klamath district will be a principal feature of the Klamath district council convention of the International Woodworkers of America (CIO) to be held here Saturday and possibly Sunday.

Under a new set-up, the southern extremities of the council, in California, have been changed to a provisional organizing district, and eliminated from the Klamath district. This district still includes central Oregon, the Klamath area, and goes into California to embrace McCloud, Pondosa and Whitehorse. Westwood is no longer in the district.

Present at the convention, to be held in the IWA hall on Fourth avenue, will be Worth Lowery, international president; Adolph Germer, director of organization, and William Dalrymple, regional director of the CIO.

### Skeen Believes Net Woes Over

WEST PALM BEACH, Fla., Feb. 13 (AP)—Dick Skeen believes his hard luck is over and he promised trouble for somebody when semi-finals of the \$1200 Gulf Stream professional tennis tournament are played tomorrow.

The Los Angeles player ousted John Faunce of Hollywood, Fla., 6-4, 6-1, 6-1 yesterday while Bob Harmon of Oakland, Calif., was staging the one major upset of the contest by defeating second-seeded Welby Van Horn of Los Angeles, 6-4, 6-0, 3-6, 2-6, 6-4.

Wayne Sabin of Reno, Nev., top-seeded, and Bruce Barnes of Houston, Tex., seeded fourth, already had won their way to the semi-finals.

### ALASKA'S AREA

If a map of Alaska were drawn to the same scale as one of the United States and superimposed on the latter, with Point Barrow placed at Duluth, Minn., the islands of the Aleutian archipelago would touch Los Angeles, Calif., while the southeastern point of Alaska would rest upon Savannah, Ga.

### "Tiger," Famed Foe Of Rats, Mice Dies of Poison

WHEELER, Feb. 13 (AP) — Tiger is dead, and that's good reason for rats and mice to celebrate.

Tiger was a great rodent killer as cats go—so famous that his owners, Vera and Dorothy Downie, made their Christmas money last year by renting him to merchants who wanted their stores rid of mice and rats.

Tiger will be buried in state, with a casket and flowers, by a crowd of friends of the two saddened girls.

Tiger's owners said he got hold of some poisoned food.

### "Lincoln" Killed in High School Play

MOLSON, Feb. 13 (AP)—Playing the part of Abraham Lincoln in reenactment of the great president's assassination, Ralph Sterling, 19, sat in a "Ford's theatre" box in a play in Molson high school yesterday and was shot and fatally wounded as the youth playing the role of John Wilkes Booth called out "Sic semper tyrannus" and fired. No one knew the gun was loaded.

The Sterling youth, shot in the abdomen, was rushed to the Tonasket hospital but died of the wound early this morning.
