COWBOYS TAKE KUHS, 33-29

from MIDFIELD

EPIC

Sammy Goldwyn, through Publicity Agent Bill Hebert, is broadsiding us fellas with stuff about his forthcoming yarn, "The Pride of the Yankees," based on the life of Larrupin' Lou Gehrig of the immortal iron hide and iron heart.

Gary Cooper, you've perhaps heard, will play the part of Gehrig; Babe Ruth and Bill Dickey will play themselves; other players will impersonate "Ol' Pete" Alexander, Red Ruffing, Lefty Gomez, Waite Hoyt, Herb Pennock, Tris Speaker and others.

The blurbs say that Samuel has "waited 12 years for this story of a man's triumphs and tragedy against the dramatic background of baseball, just so that he could be the first to put this uncharted material on film, and it was going on the screen if he could get it there."

HERE AND THERE DEPT.

Greg Rice, like Superman, is one of the nation's greatest athletes but is unwanted by the army. The little, churn-chested guy who's broken nearly every two and three mile record in the books suffers from a double hernia . . . New York state has within its icy environs exactly 74 ski tows of one sort and another . . . Warren Pritchard, the consistent, persistent little Keno Eagle cager whose team was dropped from the current B circuit tourney yesterday, is a brother of Tommy Pritchard, whose death in action brought the touching tribute published in this paper earlier this week.

Buck Hammer is counting next year's chickens without including Neil Mayfield, the junior end who kept going all last fall despite a badly torn knee. The knee has been under a Portland surgical knife since then but its use next autumn is still problematical. Rather than risk permanent injury to Mayfield, Buck is including him out—if it turns out he can play, it will be so much gravy for the 1942 Pelicans.

CITRUS PLUG

Frank G. Menke, who is paid to release such things, tells this one about Col. Matt J. Winn, who at 80 is directing operations for the running of the 68th Kentucky derby with the vigor and enthusiasm of a man of 45.

It seems the Colonel has been to a doctor but once in the past 50 years, and then only because he had a nose bleed. The reason? Lemons.

The Colonel has been drinking lemon juice for 50 years. It all started back in 1887 when Winn was in the tailoring business and planned a trip through Texas where a malady name of breakneck fever was killing the populace off by the thousands.

His family doctor told him to drink the juice of one lemon each day and he'd be as safe as a babe in a crib. The Colonel did so, lived and breathed down the necks of those suffering from the fever, and never got sick.

More, those who took lemon juice on his tip never got sick.

That is why the Colonel is 80 years old and still has all but three of his original teeth.

Isn't that a dandy story?

UO Frosh Trounce OSC Rooks, 37-14

EUGENE, Feb. 21 (AP)—The University of Oregon Frosh basketball team jumped into an early lead and coasted to a 64-to-45 win over the Oregon State College Rooks last night.

The Frosh led at halftime, 37-14. Roy Seeborg, forward from Astoria, paced the victors with 19 points.

COAST TRACK RESET

SEATTLE, Feb. 21 (UP)—Carl Kilgore, director of athletics at the University of Washington, announced Thursday the annual Pacific Coast conference track and field championships will be held here May 30 instead of May 23, as scheduled originally.

The change resulted from a mail vote to all conference members. Al Masters, Stanford graduate manager, said the change was approved unanimously.

FROSH ELIGIBLE

NEW YORK, Feb. 21 (AP)—City College of New York officials announced today that freshmen would be eligible for the school's athletic teams for the duration of the war. The one-year residence rule for transfer students was retained.

TUG-OF-WAR

NEW YORK, Feb. 21 (AP)—A tug-of-war contest between a US army team from Governor's island and a squad from the US coast guard at Ellis island has been arranged for the KC track meet in Madison Square garden on March 14. National AAU rules will prevail.

Prineville Quintet In District 3 Lead

The Klamath Pelicans went down in defeat in one of their toughest games of the season against the speedy Prineville Cowboys on the winners' floor Friday night. Final counting had the Prineville lads in the lead 33 to 29.

Klamath just couldn't get started on the little floor and didn't lead the race once during the whole game. Only in the third quarter did they push their way within one point of the winners.

Prineville held the towering edge of 17 to 11 at halftime. During the third quarter the locals moved up a little and only trailed 23 to 21.

The Prineville lads won the game with their dead-eye free throws. Out of about 14 tosses at the hoop they only missed a couple. As for field goals Klamath dropped in 11 to 10 for the Cowboys.

Coach Dutch French of the Whitebirds stated that Prineville was one of the finest teams he had seen all year and that the high school gym there was packed to the brim.

This win put Prineville on top of District 3 for a shot at the state basketball tourney but on Saturday night the two teams play again.

Slim Jim Bocchi, Pelican guard, led the local quintet in scoring with 10. Gene Love tallied up eight. High pointer for the evening was Johnson of the Cowboys who hooped 19.

Tonight the Pelicans tangle with them again also at Prineville. If the Cowboys win again they'll represent this district in the state playoffs.

The defeat dropped the Pelicans into second place in District 3 standings with six victories and one loss and left the Cowboys on top with seven wins and no beatings.

Ray Scores TKO Over Max Berger

By JACK CUDDY

NEW YORK, Feb. 21 (UP)—Slender Ray Robinson extended boxing's longest winning string to 117 straight victories—amateur and professional—Friday night by scoring a technical knockout over Maxie Berger, former Canadian lightweight and welterweight champion, at 1:43 of the second round.

Robinson, a brown-lightning negro from Harlem, exploded a left hook in Maxie's face after about a minute of the second round, and Squat Berger rocketed backwards through the air to land in a sitting position on the canvas. He was up at the count of eight, but it was apparent to the 10,000 fans in Madison Square garden that he was through for the night.

Robinson tore after him, beating him into a corner and then dropped him near mid-ring with a hard left hook. Referee Frankie Fullam stepped in without waiting for a count, motioned Robinson to his corner and helped Berger to his feet. It was the first time rugged Berger ever had been stopped in nearly 100 professional battles.

Cougar Boxers Shade Oregon State

CORVALLIS, Ore., Feb. 21 (AP) Washington State's perennially strong boxing team eked out a 4-3 decision over Oregon State here last night.

The Cougars gained the victory on a forfeited match in the 120-pound class.

Bruce Hostettler, WSC, coast 135-pound champion, scored the only knockout, dropping Jim Allen, OSC, in the second round. Another coast champion, Fred Speigelberg, WSC, 175-pounder, was held to a three-round draw by Bill McFadden, OSC.

Duck Swimmers Sink Olympic Club, 38-37

SAN FRANCISCO, Feb. 21 (AP)—The University of Oregon swimming team edged out the Olympic club swimmers by one point to win an acquatic meet, 38 to 37, at the Olympic club pool last night.

The Webfeet took the 300-yard medley and the 400-yard relay team events, but were outclassed in the diving and free-style swimming events.

BARRY GETS PACT

LOS ANGELES, Feb. 21 (AP)—The University of Southern California has given Justin (Sam) Barry another contract to coach its football team for the 1942 season. Barry succeeded the late Howard Jones last year.

University officials said the Trojans would carry on the regular athletic program in 1942-43 and augment it as much as possible to give all students physical fitness.

USC Quintet Drops California, 59-37

BERKELEY, Calif., Feb. 21 (UP)—The Trojans of the University of Southern California swamped California's Golden Bears 59-37 in a basketball tilt here Friday night.

California was so greatly outclassed that during the first 15 minutes of the game the Bears succeeded in scoring only one point, the score with five minutes of the first period gone standing USC 21, California 2.

LUTES WIN, 47-41

The Lutheran quintet of the Church league journeyed to Dunsmuir Wednesday night where they defeated a strong Chamber of Commerce team, 47-41, in the Dunsmuir high school gym.

Swanson led the winners' attack with 14 points.

MOSCOW, Ida., Feb. 21 (UP) University of Idaho rallied in the last 5 minutes Friday night to nip the University of Oregon 38-36 in a nip-and-tuck northern division basketball game.

The defeat dropped the Webfoots into the league cellar, which Idaho had occupied since the start of the season.

Oregon seized a first-half lead after a slow start by both teams, but the Vandals forged ahead at halftime 19-15. In the second half, the visitors regained their lead only to lose it when Norm Fredekind, sophomore Idaho forward, dropped in two field goals in the closing minutes.

The Vandals won the game at the foul line, taking advantage of 19 personal and three technical fouls called against the Oregon club. Idaho's final point came on a free toss resulting from a technical called against Coach Howard Hobson of Oregon for his protest of an official's ruling.

Center Ray Turner and Forward Ted Thompson of Idaho tied for high-point honors with 12 each. George (Porky) Andrews, Oregon guard, led the losers with 10.

SEATTLE, Feb. 21 (UP)—A revitalized University of Washington basketball machine defeated Oregon State college 47 to 40 Friday night, going into a second-place tie with the Beavers in northern division standings.

The game was a see-saw affair until midway in the first period, when the Huskies ran up a six-point lead. They held a 22-19 margin at halftime and were never headed thereafter.

Oregon State was handicapped seriously by the loss of Center John Mandic, who left the game on personal fouls three minutes after the start of the second half. Mandic scored 12 points, all in the first period. High scorer was Bill Morris, Washington guard, with 14.

HOLLYWOOD — George Morletis, 129½, Mexico City, and Red Green, 142¾, Hollywood, drew (10).

Pepper's Solons Again Looming As Team to Beat in Coast Race

(This is another in a baseball series dealing with prospects of Pacific Coast league clubs).

By RUSSELL NEWLAND

SAN FRANCISCO, Feb. 21 (AP)—Baseball's pennant chase in the Pacific Coast league this year already is sharply outlined. It is a case of beat Sacramento for the championship.

The Pepper-Martinized Senators enjoyed the same status last season. They were only beaten out for the title by the Seattle Rainiers in the stretch run.

Pepper Martin, former St. Louis Cardinal hero, had his gang of modern gas-housers far out in front in the first three months of the 1941 race. At one time they had a lead of some 17 games. As the schedule wore on they wore out.

New men in place of those who folded in the drive and capable replacements for those who advanced to the major leagues make the Senators look every bit as strong as last year.

The pitching shapes up high both from a quality and quantity standpoint. Tony Freitas and Bill Schmidt, veteran mainstays, will be back. Hershel

Pepper Martin

Lyons, ranking right hander for Rochester of the International league last season, and Kemp Wicker, make up a mound foursome that should cause Manager Martin very little worry.

The twirling corps also includes Bill Caplinger, "Blix" Donnelly, Luther French, Eddie Green, Lawrence Kempe, Henry Polly and Harold Dobson.

A pair of seasoned catchers are in line with Ray Mueller, who once brought $50,000 for his contract, slated for first string work. He succeeds husky Clyde Kluttz, drafted by the Boston Braves. Charley Marshall, holdover, is an able relief man.

The infield should be an improvement over last year. Jack Sturdy will be back. He was among the leaders last season. At second, Martin has Jack Burman, a former farm hand of the Brooklyn Dodgers.

Gene Handley, who filled in at shortstop in 1941, is due back and third base belongs to Steve Mesner, outstanding as a coast leaguer the last few years but just short of the majors.

The Senators will parade some new outfielders. Buster Adams and Manager Martin are the lone holdovers and Martin likely will see but little service. Debs Garms, who once led the National league in hitting, will man one post. Averette Thompson, Ed Knoblauch and Harry Schmiel, all graduates of Cardinal-owned clubs in smaller circuits, round out the fly chasing brigade.

Chiloquin, Bonanza Blast Way Into B Tournament Finals at Altamont Gym, Collide Tonight

Favorites Each Win Pair Toward Crown

By BOB LEONARD
News-Herald Sports Editor

The powerful Chiloquin Panthers and the alert Bonanza Antlers, pre-tournament favorites, blasted their way into the finals of the Klamath-Lake B league basketball tourney Friday with two victories apiece during the day's heavy firing in the Altamont school gym.

The Panthers tripped Gilchrist in the afternoon, 44-34, then went on to trounce an impressive Sprague River quint, 36-24, last night. Bonanza also had comparatively clear sailing, downing Merrill, 1940-41 champs, in the afternoon, 31-22, and Henley last night, 40-25.

Other Friday games saw Sprague River knock over Keno, 33-17; Bly enter the consolation semi-finals by nipping Malin, 30-26; and Henley set back Paisley, 31-25.

The Panthers, leaders in the short-circuited B loop when it was halted by tire rationing rulings, displayed a smoothness under fire in turning back a strong Sprague River challenge. The Chiloquins were back, 10-9, at the first quarter, and even at the half, 18-18, before they pulled rapidly away in the final period.

Against Gilchrist in the afternoon clash, they led all the way, topping the Grizzlies at the half, 27-17. Long, red-headed Johnny Monks racked 17 points in the afternoon and 12 during the evening to pace the Panthers.

The Antlers, in second place when the B slate was halted last month, had an easier time. They led Merrill at halftime, 18-12, in their first test, and topped Henley, 19-14, at halftime last night. Both Merrill and Henley could put the blame directly on long-legged George Bray who holed 17 points against each one of them.

In a morning contest, George Drazil did his best with 12 points in an effort to keep the Malin Mustangs in the tourney. Jimmy St. John and Mirton Burch conspired for 19, however, to push Bly further along the consolation trail.

In the other, which dropped Keno from competition, Wilfred Barkley of the Sprague Warriors bagged 17 all by himself to equal the Eagles' total score.

Leading off the afternoon slate Paisley made it a game against Henley until the final quarter when the Hornets slipped four points ahead of their two-marker third quarter margin. McKay led the winners with 12 points.

This afternoon Merrill is slated to hook up with Paisley and Bly with Gilchrist to determine the finalists in the consolation round.

The winners collide tonight at 7:30 for the consolation crown while Chiloquin faces Bonanza at 8:30 for the tournament title.

Beside The Headpin

By "LADYBUG"

Junior has spring fever. He didn't feel up to jumping tenpins last night so he sat back at the counter by the radio and chinned with Earl.

Any time now we expect Junior to show up with a fishing rod, "a la Earl."

So . . . we had to round up the scores and find we had quite an exciting evening. For high series Flo Ann Eaton pulled the string for games of 183-188-145 for 516. Dena Backes a very close second with 187-166-160—513.

High single game went to Edna Haupert with 192 and in another close second came Jane Bowne with 191.

Daggett Insurance rolled a smashing 2526 for high series. The thrill of the evening was when Virginia Cilk, one of our first-year bowlers, brought home the 3-7-10 split.

Earlier in the evening in a warm-up game Jane Bowne did a very fancy job in rolling in a 264 game, which puts her in the 250 club. This game ties the one rolled by Flo Ann Eaton a few weeks ago. There are two girls in the 250 club now. Look out boys, here we come.

Odell Lake Doe Decides Winter Not So Heavy

A black tailed doe at Odell lake says this isn't going to be a heavy winter at all, according to word received at the Klamath county chamber of commerce from northern Klamath.

Roy Temple, Odell lake boatman, well known to hundreds of summer visitors and home owners on Odell, interviewed the doe this week where she is spending most of her time in the yard of the Dr. Coffey summer home. Temple said she seemed quite comfortable and intended to remain all winter.

According to Temple, the winter has been very light in the lake country. The road to Summit lodge from the Willamette highway has been kept open all winter, and the coldest night this winter was only 3 above. Ducks have remained all winter to keep the doe company.
