

PRESIDENT OF REBEKAH LODGE URGES DEFENSE

MERRILL—President Myrtle McAlpine of Rebekahs of Oregon and Past President Vernishia Newby urged by letter that the Merrill Rebekah lodge enter wholeheartedly into defense activities. Letters from both were read at the last meeting of the Merrill lodge.

Beth Robley resigning as conductor of the order, was appointed warden and Bernice Dixon was appointed to succeed her as conductor. Both were installed, preparatory to preparing work for the coming district convention by district deputy president, Neata Stevenson.

Appointed as a committee to introduce the state president during the convention were Mrs. Hazel Lilly, chairman, Mrs. Vivian Haskins and Mrs. Edith Kandra.

Following the lodge session, Mrs. Ann Fruits read Mark Twain's "The Low Down on Men" followed by Audrey Lewis who read "The Beautiful Things in Life" from the Oregon Pacific Oddfellow.

The visit of the grand secretary of Oddfellows to the Bonanza chapter, March 7 was announced. The distinguished visitor will present the Bonanza lodge with a cup in recognition of the lodge membership increase during the last year. Bonanza stands at the head of the list in the state for 1941.

The meeting will be open to both Rebekahs and Oddfellows. Mrs. Bernice Dixon was appointed program chairman for March, April and May, with Mrs. Myrtle Beasley, Mrs. Edith Kandra, Mrs. Pearl Moore and Ben Faus, assisting.

Table appointments at refreshment time carried out a patriotic theme with Mrs. Edith Kandra, Lewis Kandra, Mrs. Audrey Lewis, Mrs. Ann Fruits, Warren Fruits and Mrs. Winnifred Barry on the social committee.

513 REGISTER FOR SERVICE IN LAKE COUNTY

LAKEVIEW — At the third registration of men for selective service for Lake county held Saturday, Sunday and Monday, a total of 513 men registered between the ages of 20 and 44. Of this number 487 were registered in Lakeview and only 26 were registered in the outlying communities.

On Tuesday morning 69 men were sent to Klamath Falls by bus to take their physical examinations. They returned to Lakeview that evening to await induction into the army. This was the largest group to be sent to Klamath Falls for examination at any time.

KLAMATH RESPONDS TO BOOK CAMPAIGN

Women who devoted their services to the Victory book campaign during the past week included Mrs. Hugh Campbell, Mrs. Paul O. Landry, Mrs. Howard Ferrin, Mrs. Fred Hamilton, Mrs. Charles Scharenstein and Mrs. E. P. Livingston.

Klamath citizens of town and county are responding generously to the drive but a great many books must yet be collected before this section's quota is filled. Over 1000 books have been received but it is hoped that an additional 1000 will be turned in this coming week. Housewives are asked to go through their bookshelves this weekend for that purpose.

Men in army camps should enjoy good reading as a result of Klamath's contributions, it was observed. Among the books received are the following: "Northwest Passage," Roberts; "Arrow of Gold," Conrad; O. Henry's Memorial Award Stories; "Listen to the Wind," Lindbergh; "Sand," Will James; "Christ in Concrete," Donato.

OFFER ACCEPTED IN CALIFORNIA

SACRAMENTO, Feb. 21 (UP)—The state today accepted the offer of a nationally known outdoor advertising firm (Foster and Kleiser) to donate the use of approximately 600 of its roadside billboards for highway safety campaign.

In accepting the offer, James M. Carter, state director of motor vehicles, said the campaign purposes would be two-fold: 1. Reduction of traffic deaths and injuries among defense workers.

2. Protection of school children against traffic accidents. Two types of posters, depicting a school girl and a defense worker as victims of reckless drivers, will be used. The posters were drawn by Artist Hayden Hayden, and furnished by the national conservation bureau at production cost of \$1.50 each. A snail can pull a load weighing three pounds.

PIONEER RESIDENT PASSES IN LAKEVIEW

LAKEVIEW — Funeral services were held this week for Mrs. Dola Lyon, wife of Dr. J. L. Lyon, pioneer resident of Lakeview. Death came after an illness of several months duration. Funeral services were held at the Methodist church with Rev. E. J. Aschenbrenner officiating. Interment was in the IOOF cemetery.

Mrs. Lyon was born at Franklin, Calif., on May 20, 1865. At the time of her death she was 76 years, eight months and 23 days old. She came to Lakeview in 1887 with her sisters and has resided here ever since. On November 27, 1889, she was united in marriage to Dr. J. S. Dewey. He passed away in January, 1907. She married Dr. J. L. Lyon of Lakeview in October, 1926. Mrs. Lyon is survived by her husband, one sister, Mrs. G. W. Garrett, two nieces and three nephews, all of Lakeview.

RELIEF FOR BEES PORTLAND, Feb. 21 (AP)—Oregon beekeepers will have enough sugar to sustain bee colonies until spring blossoms provide nectar, H. J. Moulton, president of the State Beekeepers' association, said yesterday. He said the assurance came from the government.

TRANSPORTATION NOTE TUCSON, Ariz. (AP)—Ten-year-old Betty Apuline Kilmer brightened the La Fiesta de los Vaqueros parade with her miniature prairie schooner, drawn by a team of Cocker spaniels. On either side of the wagon was painted the slogan, "Use your dogs and save rubber."

CALL FOR OLD GARMENTS OUT AT MERRILL

MERRILL—Mrs. Frank E. Trotman, Merrill chairman of the Red Cross, is asking that anyone interested in contributing woolen garments or parts of cord trousers be used for making quilts for the proposed supply of bedding for emergency use in this county, leave the pieces at her home as soon as possible. Those who plan to contribute are asked to have the garments clean and if possible ironed. Old garments may be run through the washing machine for cleansing and if colors run they will still be acceptable.

If volunteers are not found here to sew the usable parts of garments into six inch blocks the material will be taken to Klamath Falls, but it is hoped that local women will assist with the work. In connection with the plan to raise funds for a disaster car in Klamath Falls, it is planned to make 200 quilts, sheets and pillow cases to be used in any future emergency that may arise in this community, now or at some later date.

The plan for purchase of a second hand car to be equipped with medical supplies, bedding and other first aid necessities was presented by Mrs. George P. Davis, Klamath Falls, to guests present for the chamber of commerce banquet at Malin this week. The project is sponsored by the Klamath Falls Salvation Army post.

ELKS HOSTS TO AIR CADET CANDIDATES

The Klamath Falls Elks lodge played host Thursday night to the young men of Klamath basin who have signified their intentions to apply for aviation cadet training in the U. S. army air corps.

Forty applicants attended and as each candidate was introduced to the members of the lodge each young man was sponsored by an individual member for the purpose of assisting the applicant throughout his career in the service. Motion pictures were shown through the courtesy of the army recruiting service depicting life as an aviation student. Later a buffet supper was enjoyed by the large assembly.

Angus W. Newton, chairman of the Elks national defense committee, spoke briefly on the advance of aviation in the United States since the time of George Washington and pointed out the enormous expense connected with the training of our air force pilots.

Throughout the week of February 16, which was proclaimed as "Keep 'Em Flying" week" by Mayor John H. Houston, the various service clubs of the city arranged special programs and had showings of army motion pictures during their weekly luncheons.

Any young man who is interested in receiving aviation cadet training is invited to visit the Elks temple of the army recruiting office in the postoffice building for full particulars.

Initiative Seeks Compensation for Discharged Soldiers

PORTLAND, Feb. 21 (AP)—Unemployment compensation for men discharged from the armed forces is proposed in initiative petitions circulating here today. Fifteen dollars a week would be provided, less any amount earned from labor or income. The payments would be made for a maximum of 26 weeks a year within two years after discharge.

Sponsored by E. C. Allen, democrat, state representative from Multnomah county, the initiative would raise funds by levying a 5 per cent tax on dividends paid from business and property. A similar levy is in effect in Wisconsin. The measure will appear on the November ballot if 25,383 signatures are obtained.

FREMONT SHEEP MEN TO MEET NEXT MONDAY

LAKEVIEW — The Fremont Sheepmen's association will hold their 10th annual meeting, Monday, February 23, at the Lake county courthouse, according to Ned Sherlock, president of the association.

At this time President Sherlock will make a report to the group on the national woolgrowers convention which was held just recently in Salt Lake City. Other business to come before the group at this time will be the election of officers as well as a new advisory board, and the problems of transportation, wool bags and labor.

At the various sessions talks on the various subjects vital to all sheepmen will be given by Nic Monte, regional grazer for Oregon, R. G. Johnson, range management specialist from Oregon State college and Ed Cliff, new supervisor of the Fremont National forest service.

A short meeting of the advisory board consisting of Con Fitzgerald, Stanley Hanson, W. H. Lehman, Jerry O'Leary, Earl Small, and President Ned Sherlock will be held with Ed Cliff, Fremont National forest supervisor, prior to the opening of the convention.

KENO TO HAVE RED CROSS NURSING

On Friday, February 27 at 1:30 p. m. the women of the Keno district are invited to register at the Ralph Johnston home for a course in Red Cross home nursing. This class is open to all the women and girls who are interested in learning how to better care for their own families when illness invades their homes and to serve competently in common ailments and emergencies. When the group meets for the first time they will decide upon definite meeting place. Mrs. Johnston, authorized Red Cross home nursing instructor, will be in charge of the class. The class will accommodate at least 20 persons and it is anticipated there are that many women in the community who wish to avail themselves of this training.

BUYERS FEW; RAIL STOCKS GET SUPPORT

NEW YORK, Feb. 21 (AP)—The few share buyers who appeared in Wall street today gave rails and scattered industrials a little support but left many market leaders to shuffle indifferently over a slightly lower route.

Moderate irregularity ruled at the start and, in generally quiet dealings, trends remained cloudy at the close of the brief session. Transfers were around 200,000 shares.

Stocks ahead the greater part of the time included Union Pacific, Great Northern, Southern Railway, Santa Fe, Kennecott, American Telephone, J. C. Penney, United Aircraft, Westinghouse and Air Reduction.

GRAINS UNCHANGED DESPITE WEAKNESS

CHICAGO, Feb. 21 (AP)—Despite a tendency to sag, grain prices today showed very little net change, although weakness appeared in the corn pit following announcement that the government would permit farmers to redeem 1938-39 grain under loan at 61 cents a bushel during a two-month period beginning Monday.

This redemption rate, equivalent to the original loan basis, would cover approximately 130,000,000 bushels. Traders said the move apparently was to stimulate feeding of corn to livestock, to assure the government's program for greatly expanded meat and livestock products production because of the war.

Wheat closed unchanged to a lower compared with yesterday, after having been off about 1c at one time, with May \$1.30-1.31, July \$1.31-1.32; corn 1-1c down, May 87-1/2c, July 89c; oats unchanged to 1c higher; rye unchanged to 1c lower; soybeans 1-1c higher.

Fishermen Aren't Forgotten by Board

SACRAMENTO, Feb. 21 (UP)—Fishermen have not been forgotten by state selective service boards when skilled workmen seek deferment.

The state fish and game commission has applied for deferment of fishermen necessary to the maintenance of a food supply and enough sardine meal to keep California herring laying.

Selective service has regarded the fishing fleet as something of an auxiliary to the navy and recognizing the need of allowing fishing boats to keep their necessary skilled talent such as marine engineers and other specialists. Each case is handled separately.
