

**Civilians Warned Of Plane Crashes**

M'CHORD FIELD, March 10 (AP)—The army air corps warned Pacific northwest civilians today of the danger of approach-

ing a plane which has crashed and might still be carrying live ammunition.

"Military aircraft, friendly or hostile, which may be forced down or become involved in accidents in civilian population

areas may be carrying live bombs or ammunition and should be strictly guarded against molestation by unauthorized persons after crewmen have been rescued," the air corps said.

**EXCUSE**

SAN FRANCISCO, March 10 (AP)—A five-over-par 78 won medal honors in the San Francisco women's open golf tournament but the shooter — Mrs. Mildred Babe Didrickson Za-

harlas—had an explanation for the extra strokes.

"I haven't been playing much golf lately because I'm in four bowling leagues down south," she said. Her home is now in Los Angeles.

**CHIT CHAT OUT**

WASHINGTON, March 10 (AP) Chit chat over the coffee cups and late breakfasts on government time were ruled out Monday at the war production board. The WPB's lunch counter was

ordered closed between 8:45 and 11 a. m. and an attendant queried about the shutdown explained:

"Donald Nelson ordered us to close because people were waiting too much time."

**KIMBROUGH ORDERED**

ABILENE, Tex., March 10 (AP)—Jarrin' John Kimbrough, Texas Aggies' great all-American fullback of 1939 and '40, has been ordered to duty as second lieutenant of infantry.
