

# CONSTRUCTION COMPLETE ON LAKE HIGHWAY

Completion last fall of the 8.3 miles of construction between park headquarters and Kerr Notch by way of the south side route has been announced by E. P. Leavitt, superintendent of Crater Lake national park. The completion of this section makes the rim road a modern standard highway for its entire length. In addition to the rock surfacing and bituminous surface treatment placed on the roadway, crushed rock material is also manufactured and packed under this contract for use in constructing a permanent bituminous paving on this section at a later date.

This surfacing project construction was directed by the US public roads administration in cooperation with the national park service under Contractor Sam Orino at a cost of \$122,000.

A portion of the highway between Annie Springs and the rim for a distance of five miles was also improved with a bituminous application and rock chip cover during the late fall months of 1941. This work, at a cost of \$10,000, was contracted to G. J. Eldon of Portland, Oregon. The expenditures for road construction and improvement in the park now amount to about four and one-half million dollars.

It is contemplated that the entire park highway system will be kept in good condition for the duration of the present war emergency. These highways now afford quick and safe driving access to the lake from all sides of the park and around the rim of the lake to the many parking points which have been provided for viewing the lake and surrounding country. Trails leading to special points of interest will also be kept available as usual.

The present policy of the national park service is to keep the parks open during the war for the pleasure and enjoyment of the public, realizing that the parks offer much in spiritual, scenic and recreational values needed by hard working citizens in their efforts to win the war.

afford a welcome relief from the cares and worries of the daily job and usual environment. Special service and attention is given to men in uniform who visit the parks.

## Meeting for All Dry Cleaning Truck Drivers Called

A meeting of all Klamath Falls laundry and dry cleaning truck drivers has been called by Earl Edsall, Teamsters' union business agent, for Thursday night at 8 p. m., he announced Monday.

Edsall said the meeting is for organizational purposes. He revealed that all inside workers in city laundries have been working under union agreements for some time but that drivers are not organized.

## Rozendal Visits Nursing Classes

A concentrated effort to "cover" the entire county where home nursing classes are being conducted by the American Red Cross has been made by Dr. Peter H. Rozendal, Klamath county health officer. Dr. Rozendal visited his twelfth class on Thursday at Bonanza, and Monday night was to pay a visit to the Merrill home nursing class.

## Fourth Annual Employees' 'Sell-A-Brashun' Set Here

Wednesday morning, March 11, the employees of the local Sears Roebuck and company store will open their fourth annual "Employees' Sell-a-brashun." This employees' sale had its origin in Klamath Falls in 1938 and has since been adopted nationally by the Sears organization.

Started by T. R. Thompson, manager of the local store as an aid to determining which of the employees had the necessary sales training and merchandising ability to act as department heads, the event was so successful that it has been continued ever since. Actual pricing, display of the merchandise and advertising are all in the hands of the various department heads, and complete responsibility for the event rests with the employees. Mana-

## Small Motifs Brighten Many Varied Linens

by Alice Brooks

Away with plain linens. Colorful ones are newer! And these varied small motifs decorate so many linens so easily! They make fascinating pick-up work, too. Pattern 7233 contains a transfer pattern of 20 motifs ranging from 1 1/2 by 2 to 5 by 12 1/2 inches; materials needed; illustrations of stitches.

To obtain this pattern send 10 cents in coin (plus one cent to cover cost of mailing to The Herald and News, Household Arts Dept., Klamath Falls. Do not send this picture, but keep it and the number for reference. Be sure to wrap coin securely, as a loose coin often slips out of the envelope. Requests for patterns should read, "Send pattern No. \_\_\_\_\_ to \_\_\_\_\_ followed by your name and address."

## FOUR LOCAL MEN TO ATTEND AFL MEET

Four representatives of the Lumber and Sawmill Workers union (AFL) in the Klamath area will attend a meeting next weekend in Baker, Ore., of delegates from AFL district councils in all western pine producing areas in the west, M. T. Pavolka announced Monday.

Pavolka, chief representative of the LSW in the Klamath Basin District council, said that Hugh Haddock, president of the council, Dee Nelson, Russell Downs, and himself would attend the meeting.

He said that the assembly, specially called, was for the purpose of working out a uniform proposed wage schedule for the entire pine industry. Approximately 50 unionists are expected to attend.

## Price Sullivan Manager of Sears Store in Modesto

Price Sullivan, remembered here as the assistant manager of Sears Roebuck and company two years ago, has recently been promoted to the management of the Modesto store. Sullivan has been northwest advertising manager for the company since leaving here.

Reed Clark, who succeeded Sullivan here, is now the manager of the Walla Walla store, and Stan Pavish, who was merchandise manager of the local store, is Clark's assistant at Walla Walla.

ger Thompson usually takes several days' vacation during the sale. This year the sale will be headed by Truman Berg, assistant manager, Ron Fisher, head of the drapery department, Charles Wright, head of furniture, Bob Moore, head of the farm store and assistant merchandise manager, Harry Van, head of the appliance division, Henry Taylor, rug department, Pat Blackmer, head of the ladies ready-to-wear division, and others. Van, Pat Blackmer, Ray Hampton, Marian Atkins, Florence Wood, Mariah Davis, C. Edwards, C. Wright, Ray Billings, Rose Reed, department heads and assistants, are all local people who have literally "grown up" with Sears, having been with the local store since it was started.
