## PTA Notes

**WEYERHAEUSER CAMP 4**  
Gordon Good, Mrs. Earl Cruikshank and Mrs. C. E. Hollingsworth were elected to the nominating committee at Weyerhaeuser Camp 4 PTA on Thursday evening.

Mrs. Doris Cooper presented an interesting program, with a student, a parent and a teacher telling some of the things each should expect from the others. Dorothy Wilcoxon, the student, mentioned "courtesy" to her friends as one of the things she would expect of a parent and lack of partiality as desirable in the teacher.

Mrs. Earl Cruikshank, the parent, mentioned over a dozen attributes of a good teacher and emphasized personal cleanliness. Elton Fishback, the teacher, spoke at length and used several references. He stated the school cannot take the home's responsibilities.

Miss Edna Bloom of the Keno Junior High school faculty, and Mrs. Elton Fishback were guests at this meeting.

Pie and coffee were served by the hostesses and visiting and informal discussions concluded the affair.

**ALTAMONT**  
Executives of Altamont PTA met March 5, at the school with the president, Mrs. Phil Schroeder, calling the meeting to order at 3 p. m. Those present were Mrs. Jo Penrod, Mrs. Ed Guise, Mrs. J. E. Taylor, Mrs. C. L. Barkdol, Mrs. Redner, Mrs. Jean Leverich, and Wyatt Padgett.

All chairmen turned in reports. Mrs. Penrod stating a 10 per cent increase in membership this year had brought the total to 87 members.

Main topic of the meeting was the emergency closet for Altamont and surrounding territory with Mrs. Redner chairman. Donations for this cause will be greatly appreciated, it was stated. Any article that may be used in a stock room will be accepted. Cash donations may also be made. Mrs. Schroeder donated an expense check of \$5 with a statement, "The articles this will pay for to help in emergency will aid many a family whereas if I had it, it would help but one family."

Other donations with the same sentiment came from Girl Scouts of Mrs. Bagley's group, \$1; each Brownie group, \$1; Junior high school Scouts, No. 9, 11, 17, each \$1. Members of the committee extended sincere thanks for the donations. It was noted that muslin, old towels, and warm sleeping garments for all ages were needed.

The meeting adjourned following refreshments served by Mr. Padgett, principal.

## GENERAL REJECTS UNWILLING LABOR

**CLEVELAND, March 12 (AP)—**Those who won't work aren't good enough to serve in the army, Lieut. Gen. Ben Lear declared Wednesday.

"I do not appreciate—nor does any soldier—the remarks we sometimes read when there is a strike: 'Make them work or fight.'" The second army's command said.

"The individual who is unwilling to work we don't want picked up and sent to us to join combat troops. He isn't good enough. We don't want his spirit, and we don't want his presence."

An aide said the general's remarks—in a speech to the Cleveland Advertising club—should not be interpreted as "passing judgment upon strikes in general," but rather as an expression of resentment against the "work or fight" slogan as derogatory to the army.

"If you want to discipline and make useful those who have refused to work faithfully with the team, let labor battalions be formed for them," Lear added. "Let such men be given the job of building the highway to Alaska, or being put to work in Labrador, in Greenland. A devil's game is being played with us by unscrupulous enemies and by their traitorous agents within our country," he said.

"... Many gentlemen of the press and radio, unwittingly and with the best of intentions, are actually conducting a war of nerves that is not contributing constructive programs but will deplete the nervous strength of our people unless editors properly use their blue pencils to correct or eliminate hysterical, exaggerated and unsound conclusions and opinions."
