Astoria Lands Two on 1942 All-State Quint! Three Weigh Less Than 140

SALEM, March 16 (AP)—Astoria's Flying Fishermen placed two men on the 1942 all-state high school basketball team selected by coaches, officials and newspapermen attending the state tournament, while Corvallis, Baker and North Bend placed one each.

The team is the smallest in years, only one member being over six feet tall and three of the five weighing less than 140 pounds.

Out of 33 possible votes, Baker's Captain Tommy Holman, a veteran guard who made last year's all-state second team, led the balloting with 31 votes. Stan Williamson, the 121-pound Astoria guard who sparked his team throughout the tournament, was a close second with 30 votes. Ruben Wirkkunen, Astoria forward, the only six-footer on the all-state quintet, was the other Astorian chosen.

The other two all-staters selected were Wayne Fox, North Bend forward, and Jason Widmer, tiny Corvallis forward.

The players were chosen without regard for position, and the results were announced after tonight's final tournament game.

There were no all-state repeaters from last year, all of last year's team having been graduated.

Selected on the all-state team were: Bud Wigan, North Bend center who also made the second team last year; Leo Grosjacques, Mt. Angel forward; Eben Parker, Astoria center; Amos Magruder, Milton-Freewater forward, and Bob Caviness, McMinnville guard.

1942 All-State Quintet

Oregon 1942 all-state high school basketball team: Stan Williamson, Astoria guard, 5ft. 4 in. tall, weighs 118 pounds, 18 years old, has had one year experience. Ruben Wirkkunen, Astoria forward, 6 ft. 1, 174 lbs., age 17, two years experience. Wayne Fox, North Bend forward 5 ft. 7 in., 130 lbs., age 17, three years experience. Tommy Holman, Baker guard, 5 ft. 10 in., 160 lbs., age 18, three years experience. Jason Widmer, Corvallis forward, 5 ft. 6 in., 138 lbs., age 17, three years experience.

Astoria Takes Second Straight Prep Title

SALEM, March 16 (AP)—Here's how Astoria won its sixth state high school basketball championship: Defeated Eugene 49-29, McMinnville 45-25, Baker 45-33, and Corvallis 34-22.

The first eight teams in the order of finish were: Astoria, Corvallis, Baker, North Bend, McLoughlin of Milton-Freewater, Medford, Mt. Angel and Oregon City.

Teams swapped the lead seven times before the midway mark, when Astoria led 16-15.

Corvallis' zone defense collapsed with the opening of the second half, and it was two and

a quarter minutes into the final quarter before Corvallis bucketed a point in that half of the game.

Rube Wirkkunen of Astoria counted 16 points to lead scorers. Bob Knoll of Corvallis had eight. Baker capped third place with a 39-29 win over Medford.

Medford led 14-17 at the half, but faded early in the final two frames.

"Lanky" Herman of Medford was high point man with 12 points, two better than Tommy Holman, Baker guard.

WOODRUFF ACCEPTS PHILADELPHIA—Lieut. John Woodruff, Olympic 800-meter champion in 1936, who is now attached to the 369th Coast Artillery, has accepted an invitation for his relay team to compete in the Penn Relays, April 24 and 25.

WHAT OTHERS THINK
Notes gleaned from other papers:

Medford Mail-Tribune (Art Perry's Smudge Pot): "The bb. team has hied to Salem for the state meet, where they have as good a chance as any, and better than several. Take Klamath Falls, for instance. They have everything that goes to make a basketball champion, except, according to long tradition and custom, they make the event more social than athletic. They are always predicted to go like a house afire, but the house is never on fire."

Salem Capitol-Journal (Eugene game coverage): "The Klamath Falls Pelicans, who always send the tallest and rangiest gang of basketball men to the state tournament, yet who never seem to get very far in tough competition, fell by the wayside Thursday afternoon as the Eugene Axemen rode to a 45 to 34 decision. . . . The Pelicans did a bit better in the final quarter but it was a case of being 'too few and too late'."

SKIPOURRI

An Associated Press item reveals the first Oregon-wide high school ski meet will be held on Mount Hood on May 3. Twenty-five teams are expected to enter. What with rubber priorities, it's too late to suggest the formation of a ski group at Klamath Union high school. But it's worth a thought for the future.

Monday is the deadline, says another AP story, for acceptance of entries in the Pacific Coast college four-way ski tourney slated for Mount Rainier the third week in March. The U. of Washington is the host school—and the meet is being sponsored by the Rainier National Park company—in a national park. We in Klamath Falls have always been led to believe that tournaments on any large scale were against national park policy. It would appear that national park policy is a flexible thing, designed to meet the exigencies of the moment and place. A mile-long permanent J-bar tow has also been planned for Rainier and dropped for the duration only because of material shortages.

Skating for the comparative few who were there Sunday was excellent at Crater lake. New snow, which threatened to become mushy at noon, dried out in the afternoon under a brisk wind and broken clouds. Trails were in fair shape and the ski club's big electric lift operated all day.

Alf Engen's combined victory in the national slalom and downhill at Yosemite this weekend gave the affable Norwegian the last of about every major tournament crown in the country. Engen has been famed for years as a jumper and cross-country skier and holds the unofficial American record in the yoomp.

When downhill and slalom zoomed into popularity and threatened to overshadow the traditional jumping, Engen was virtually the only old-timer to make the switchover. He has capped the national jumping title several times and taken the national four-way more than once.

The Yosemite win caps 'em all.

'King o' Silver First to Win All-Age Trials for Two Straight Years

ELLENBURG, Wash., March 16 (AP)—King of Silver, male pointer owned by John Kauffman of Klamath Falls, Ore., is the Pacific coast all-age field trials champion for the second time, first dog in the history of the event to repeat the feat.

Competing in an 18-dog field, the nine-year old canine repeated a 1940 triumph when he was crowned here yesterday. Judges decided his performance was so excellent they named no runner-up.

Cyclone Patsy, a pointer bitch owned by Harold Blake, Camas, won first place in the derby Saturday but was not awarded a championship.

Association members rejected a proposal by the Spokane club to hold the 1943 championships there and decided to continue here, meanwhile attempting to build the all-age purse to \$500.

Engen Wins National Two-way Ski Tourney

Sun Valley Star Edges Martin Fopp; Shirley McDonald Cops Women's Title

YOSEMITE, Calif., March 16 (AP)—Alf Engen, the old ski master, is in again—this time as national two-way combined champion, downhill and slalom.

Coursing the steep slants of Yosemite's Badger pass in the colors of the Sun Valley Ski club, Engen compiled an all-around low score of 557 points. He failed to win either event. A tie for second in the downhill was his best showing.

Yet his 557 was two points better than the 559 run up by Martin Fopp of Timberline Lodge, Ore., who won the downhill; 19 better than the 576 of Sig Engl, Sun Valley, who took the slalom by twice zigzagging through the gates on the 700-foot vertical descent in a total time of 2:22.4.

Another among the tournament's standout performers was Barney McLean of Denver. Fourth in the downhill and only six-tenths of a second behind Engl in the slalom, he finished with a third-place 575 in the open combined standings. He was a shoo-in for the amateur title, both his downhill and slalom runs being the best of any in that division.

MacMitchell Dodds In 4:08 to Win Columbus

By JACK GUENTHER
NEW YORK, March 16 (UP)—Leslie MacMitchell, the New York university boy who rose from the city streets to become one of the greatest mile runners of his generation, came from behind in the stretch as a champion should Saturday night to defeat Gilbert Dodds of Boston by three yards in the feature mile race of the 23rd annual running of the Knights of Columbus track and field meet.

Running from three to five yards in the wake of his best spectated rival for the first 10 and a half laps, MacMitchell came on with a powerful drive in the final 60 yards to win going away in 4:08 flat—six tenths of a second shy of the

best time ever recorded on the indoor track of Madison Square garden.

A capacity crowd of 16,000 saw MacMitchell avenge his defeat of two weeks ago by matching Dodds stride for stride during a first quarter in 58 seconds and a half clocked in 1:59.3—then kicking just a bit harder at the end.

The triumph was the first scored by the New York U. senior in the Columbian mile and it was perhaps the most popular one he has scored throughout the 1942 indoor season. For the first time in three years, MacMitchell wasn't odds on favorite—but the folks who saw him run agreed he should have been.

AAU Basket Tourney in Second Day

By LOUDON KELLY
DENVER, March 16 (AP)—The feeling here at the national AAU tournament, now in its second day, is that basketball will weather the war like a \$50 defense bond.

The fact that 47 teams came here from 21 states for the second national meet in a war year is an encouraging sign. The tournament went right through the first World war with Illinois Athletic club winning the 1918 tournament at Chicago.

Ten teams were eliminated in yesterday's entertaining first day show and 10 more get their walking papers today. This will go on until two teams are left to play Saturday night for the title that Hollywood Twentieth Century is here to defend.

Three seeded teams, all in the lower bracket, helped to open the second round today. Shreveport, La., Morris Dickson opens against the Chicago Y Clippers at 3 p. m. (Mountain war time); Oakland Golden States draws Denver Royal Arcanum at 4:30 and the Denver Legion, prime hope of the mountain section, will play Salesian Boys club of San Francisco at 9.

NEW YORK, March 16—Double duty dough: sports-casters hereabouts are asking their listeners to send in contributions from one cent up to two-bits to buy tickets for soldiers to see the Joe Louis-Abe Simon scrap.

Having purchased a few minutes entertainment for the doughboys, the dough then will go, with the rest of the fight profits, into the army emergency relief fund. . . . Two of the teams in the New York invitational basketball tournament this week hit more than 100 points each in three games this season. Rhode Island did it twice against New Hampshire and once against American International; West Texas did the trick against Eastern New Mexico, Hardin-Simmons and Buffalo (N.Y.) State Teachers.

John N. Sapp, Detroit Free Press: "The dugout in Cleveland's Municipal stadium has been moved closer to the diamond so that fans no longer can hear the comment of the players. Contest Tossup as Beavers Change Form

PALO ALTO, Calif., March 16 (AP)—Oregon State and Stanford have it out tonight for the coast conference basketball championship, with the outcome swinging on so many hinges that the sports commentators, in a body, have taken to the wait-and-see bench.

Oregon State and Armory T. "Slats" Gill, its canny coach, have the reputation of being quick to profit by experience, and it may be that the lesson learned on Friday will be enough to graduate them into the national collegiate A. A. playoffs at Kansas City. It's hardly likely that, in a weekend's time, Stanford would have concocted an entirely new surprise to spring upon the Beavers tonight.

On the other hand there is the strong possibility that Don Burriess, the Stanford captain and forward, will return to the Stanford lineup tonight after missing the Saturday game because of a knee injury.

PALO ALTO, Calif., March 16 (UP)—Oregon State college's northern division basketball champions defeated Stanford university 42 to 33 Saturday night to even the count at one game each in the three-game Pacific Coast conference championship play-off.

The third and deciding game will be played here Monday night.

Showing a speedy, vastly-improved offense and a formidable defense, the boys from Corvallis battled Stanford on even terms in the first half, then completely outplayed and outscored the Cardinals in a furious and thrilling second half. It was one of the fastest games ever played on the Palo Alto court.

The score at half time was 18-18. Stanford, southern division champions, won the opening game of the playoff Friday night, 41-28, inners of the championship will leave Tuesday for Kansas City to compete in the NCAA tournament next weekend.

George McNutt, OSC guard, and his teammate, Center John Mandic, combined on both defense and offensive tonight to put a hex on Stanford.

McNutt was the game's high scorer, getting 14 points, while Mandic accounted for 13. Mandic helped the Oregon State cause immeasurably by bottling up Ed Voss, the Stanford center, who ordinarily scores heavily on pot shots under the basket but who tonight was held to three points.

Early in the second half Oregon State drew ahead of Stanford and gained a comfortable margin, when Oregon State was leading 35-29. Guard Howard Dallmar shot a field goal for Stanford to make the score 35-31. That was the closest the Cardinals ever got to the Beavers. Oregon State won going away.
