

LATE FILINGS STIR TULELAKE VOTE INTEREST

TULELAKE — With three council seats to fill on April 14, interest in the coming election swung into high gear over the weekend with 10 aspirants filing before the deadline Saturday noon. The late filings stirred up voter interest also and the election that bid fair for weeks to be a dead pan affair may be a neck and neck race for both short term and long term seats if talk about town is any indication of what is to come.

Not a single wishful eye was cast at the city treasury post now filled by Wanda Stark, who before the books closed, filed for city clerk. Mrs. Stark is employed as bookkeeper by P. C. Bergeman, plumber.

Two other filings for the clerkship were made by Mrs. Lois Crane, wife of Alvin Crane, who filed for the short term council seat, and by Charles K. Weise, realtor. Weise held a council seat from April, 1937, until April of the following year.

Clarence E. Decious, employed by the Floyd A. Boyd Implement company as bookkeeper, with August Turner, manager of the Homestead cafe, both will run for the short term. Crane is employed as a plumber.

In the long term column are William H. Bond, bookkeeper for Levi and Zentner company, and Richard R. Moore, druggist, who at the last minute definitely indicated a willingness to get into the harness for the city. Olney Hodges, filling station proprietor, and Clarence Stott signed up for the same berth earlier in the month.

E. L. Booth, mayor, and J. T. Gropper both declined to run for re-election and Otis Roper, who held a council seat since the town was incorporated, resigned early this year. Harold Roath, city clerk, also is out of the running and will report for physical examination in the near future, preparatory to induction into the U. S. army early in May. Roath also has seen the city through the trials and tribulations of incorporation and installation of the water and sewer systems.

Contrary to the method of election for mayors of municipalities in Oregon and other states, California mayors are appointed by the newly elected council.

There are no issues to come before the voters.

SPRAGUE THROWS TO IRISH DANCE

SPRAGUE RIVER—An overflow crowd attended the annual Saint Patrick's dance sponsored by the Sprague River high school senior class in the gymnasium Saturday night, March 14. A clear profit of around \$60 will enable the fourth year students to leave the school a very fine gift.

The hall was brightly decorated with green and white streamers and shamrocks. Green flood lights on the rafters of the gym gave a soft green lighting effect. Each dancer was given a green hat with a silver shamrock on the side. During the supper hour, Evelyn Cadeo, dressed in a clever green satin costume presented an Irish tap dance.

Present plans of the seniors are for the construction either of a new cement fountain or a friendship bench under the pine trees in the school yard. Work on the gift is expected to start soon so that the seniors themselves may enjoy part of pleasure of the gift.

FILING DEADLINE IS POINTED OUT

SALEM, March 16 (AP)—Secretary of State Earl Snell warned today that 5 p. m., March 30, is the deadline for filing of candidates and statements for the voter's pamphlet for the March 15 primary election.

In addition, they will nomi-

nate 11 circuit judges, 10 district attorneys, 15 state senators, and all 60 state representatives.

Nothing is impossible except some people.
