## GRAINS DECLINE BY MAJOR FRACTIONS

CHICAGO, March 19 (AP)—Grain futures lost major fractions in early trading today and then held within a narrow range for the remainder of the session. Trading was at a slow pace.

Offerings in wheat appeared to be of a liquidating character and the market was not featured by any important news. There was no evidence of mill buying on the decline, but contracts steadied after losses of nearly a cent.

Other cereals and soybeans sagged along with wheat. Rye futures sustained losses about equal with that of wheat. This pit, however, was comparatively quiet and considerably more orderly than in yesterday's late break.

Wheat closed 1 1/2 to 1 1/4 lower compared with yesterday's fin.

ish, May \$1.26 1/2-1.27, July \$1.28 1/2-1.29; corn 1 1/2 to 1 1/4 down, May 87 1/2-1c; oats 1-1 1/2 lower, May 55 1/2-1c; rye 1-1 1/2 off, May 78 1/2-1c and soybeans off 1 to 1 1/2c, May old \$1.94 1/2.

## POTATOES

LOS ANGELES, March 19 (AP-USDA)—Potatoes: 2 California, 16 Idaho, 3 Oregon arrived, 24 broken, 45 unbroken cars on track; by truck 3 California arrived; market dull; no Oregon quotations.

## CHICAGO POTATOES

CHICAGO, March 19 (AP-USDA)—Potatoes, arrivals 109; on track 340; total US shipments 869; supplies liberal; demand light; market about steady for best stock; Idaho Russet Burbanks, US No. 1, \$2.80-3.21; Nebraska Bliss Triumphs, US No. 1, \$1.75-2.00; Minnesota and North Dakota Bliss Triumphs, US No. 1, \$1.87 1/2-2.35; Cobblers, US No. 1, \$2.05; Commercial, \$1.95 to \$2.00; Early Ohio, US Commercial, \$2.15-2.25; Wisconsin Chippewas, US No. 1, \$1.85.

Never in the world's history has the danger to civilization been comparable to what it is at this very hour.—Mackenzie King, prime minister of Canada

## STOCK MARKET CONTINUES IN GOOD SPIRITS

NEW YORK, March 19 (AP)—MacArthur cheer continued as a stock market prop today but it was not sufficient to put the list back on the rallying track of Tuesday.

The comforting angle of the day's performance was the evident reluctance of a number of pivotal stocks to give ground and the notable drying up of selling. Transfers of around 300,000 shares were among the smallest since last June.

Dow Chemical and Homestake broke to new lows for the year, with the former especially weak. In the retreating division were Union Carbide, Allied Chemical, Eastman Kodak, DuPont, Texas Co., American Telephone, Chesapeake and Ohio and Air Reduction.

Some resistance was exhibited by US Steel, Bethlehem, Santa Fe, American Smelting, General Motors, Goodyear, Sperry, Johns-Manville, Anaconda and Woolworth.

Gold stocks reflected the thought mining operations would be restricted by the war while apprehension regarding the impact of rising costs and taxes on chemical company dividends tended to chill the latter.
