

DFC Awarded Three Flyers For Extraordinary Heroism

U. S. AIR CORPS HEADQUARTERS, SOMEWHERE IN AUSTRALIA, March 20 (UP)—Lieut. Gen. George H. Brett, commander of the United Nations air force in the southwest Pacific, Wednesday awarded the distinguished flying cross to three veterans of the Philippine and Java campaigns who now are leading fresh American replacements in the battle of Australia.

The announcement of the awards for "extraordinary heroism" was the first United States army communique issued in Australia. The crosses went to: Lieut. Col. Emmett O'Donnell Jr., of New York; Capt. Harry Galusha and First Lieut. Julius B. Summers.

At the same time, it was revealed that Australian, Dutch and American veterans of the previous campaigns now have been reorganized and are back on the firing line armed with priceless experience to pass on to their fellow countrymen to help them combat Japanese aerial tactics.

At the same time, it was revealed that Australian, Dutch and American veterans of the previous campaigns now have been reorganized and are back on the firing line armed with priceless experience to pass on to their fellow countrymen to help combat Japanese aerial tactics.

O'Donnell, mentioned previously in Washington dispatches, was leading 17 bombers to Clark field in the Philippines on Dec. 9 to load bombs for an attack on an enemy landing party at Vigan, on the west coast of Luzon island.

Galusha earned his cross on

Feb. 19 during the Japanese attack on the island of Bali.

He was standing by for the impending Japanese naval attack on the island when the air-raid alert was sounded on his field.

"The bombardment group took off and Galusha proceeded to his target and made a diving attack on an enemy transport, scoring a direct hit with a 50 kilogram (about 100 pounds) bomb and a near miss with a 300 kilogram (about 660 pounds) bomb," the citation said.

Summers during the same attack, "climbed to 1100 feet above the target and scored a hit with a 50 kilogram bomb and a near miss with a 300 kilogram bomb on an enemy cruiser."

Some of the men stationed here told stories of other feats of heroism—the battle in Makassar strait over which the Americans kept a "permanent thunderhead."

Happy Easter--Serve This Festive, Budget-Wise Meal

It's time to think of the Easter feast. Plan to serve spring fruits and vegetables in abundance and a low-cost meat with a high-grade flavor. Try this carefully worked out menu as part of your Happy Easter gathering.

SHOULDER OF LAMB WITH RHUBARB STUFFING (8 to 10 Servings)

Four to 5-pound shoulder lamb, salt and pepper, 2 1/2 cups finely cut rhubarb, 1 cup water, 1 cup white corn syrup, 2 1/2 cups soft bread crumbs, 1 tablespoon finely chopped carrot tops.

Have bone removed from shoulder lamb to form pocket. Wipe meat with cloth. Salt and pepper inside pocket. Combine rhubarb, water and corn syrup. Heat to boiling and boil for 3 minutes. Combine with bread crumbs and chopped carrot tops.

Use to stuff pocket in lamb shoulder. Skewer pocket in place. Place on rack in a roasting pan and roast uncovered, in moderate oven (300 degrees F.), allowing 35 minutes per pound. If a meat thermometer is used, roast until temperature reads 180 degrees F.

TOMATO ROSE SALAD (Serves 8)

Eight firm tomatoes, 12 ounces cream cheese, 2 hard-cooked egg yolks, watercress, French dressing.

Peel tomatoes and chill. Soften cheese with milk. Form 2 rows of petals on each tomato by pressing level teaspoons of softened cheese against the

side of tomato, then drawing the spoon down with a curving motion. Sprinkle center of each tomato with hard-cooked egg yolk pressed through a sieve. Serve on crisp watercress with French dressing.

FIG BANANA BRICK (Serves 8)

Two tablespoons quick-cooking tapioca, 1 1/2 cups milk, 2 tablespoons sugar, 1/2 teaspoon salt, 1 cup dried figs, 1 cup heavy cream, 1 cup mashed bananas.

MENU
BREAKFAST: Grapefruit juice, crisp bacon, whole-wheat toast, coffee, milk.
LUNCHEON: Cream of fresh spinach, toasted hard rolls, honey cookies, tea, milk.

PARTY OR EASTER DINNER: Fresh fruit cocktail, shoulder of lamb with rhubarb stuffing, potato balls, baby lima beans, enriched clover leaf rolls, tomato rose salad, fig banana brick, coffee, milk.

1/2 teaspoon grated lemon rind, 2 teaspoons vanilla.

Cook tapioca and milk over hot water about 10 minutes; strain but do not rub tapioca through sieve. Add sugar and salt to strained milk mixture. Chill. Boil figs 10 minutes in water to cover, drain, cool, clip stems and chop. Whip cream until stiff. Combine with figs, cold milk mixture, bananas, lemon rind and vanilla; mix

Three Low-Cost Recipes Given for Gala Table

Good meat, fruit, good fresh vegetables and plenty of them—that's a nutrition program with the zest for living in it. Try these recipes now. They make a good menu for Easter dinner, and are low cost despite their gala taste.

BUTTERFLY HAM WITH BROILED ORANGES

Have butterfly slices cut from ham butt. They are made by cutting double slices—the first slice is cut not quite through, then the second slice is cut all the way through. Have slices cut 1 1/2 inches thick. Spread well-seasoned mashed potatoes between butterfly slices and fasten cut sides with tiny wooden picks. Bake in a slow oven (300 degrees F.) for 1 hour and 25 minutes.

For broiled oranges, cut medium-sized oranges in half. Scallop the edges with a small sharp knife. Sprinkle each half with a teaspoon of white corn syrup or honey, dot with butter, and place 3 to 4 inches below broiling unit until brown. To serve, arrange ham in center of hot platter surrounded by broiled oranges. Allow 1 to 1 1/2 pound ham per serving.

CREAMY FRUIT PUDDING (Serves 8)

Cut 1/2 pound marshmallows into eighths with a wet knife

and combine with 1/4 cup diced pineapple, 1 cup sliced candied cherries, and 1 cup sliced Brazil nuts. Fold 1 cup whipped cream into mixture and chill several hours. Fill into sherbet glasses with whole cherries and Brazil nuts.

Here's a lighthearted dessert for some Sunday when spring is in the air.

FLORIDIAN ORANGE BASKETS (Serves 4)

One package lemon gelatin, 1 cup boiling water, 1 cup lime juice, 1 cup grapefruit juice, 1 cup orange juice, 4 orange cups.

Dissolve gelatin in boiling water. Cool just to room temperature and add fruit juices. Chill until firm. Break up with a fork and fill chilled orange cups or sherbet glasses. Serve with whipped cream or custard sauce.

MENU

BREAKFAST: Stewed dried apricots, country sausage, golden muffins, coffee, milk.

DINNER: Butterfly ham with broiled oranges, whole pickled beets, steamed spinach, green salad bowl, creamy fruit pudding, coffee, milk.

SUPPER: Creamed eggs on toast, vegetable salad, jelly cake, tea, milk.

Transport of Men Across Pacific Bright Spot of War

By VERN HAUGLAND
MELBOURNE, March 20 (AP)—When the history of this war is written, one of the brightest chapters will deal with the transport of men, planes and arms across the dangerous waters of the Pacific—a remarkable naval achievement.

Each convoy and each separate ship has its tale of daring, of encounters with the enemy or of successfully dodging attack. I came over on the first large convoy to make the non-stop voyage to Australia. Surviving four abortive submarine attacks, our party of remodelled liners, fast freighters and naval vessels dexterously sidestepped the enemy through 10,000 miles of submarine-infested ocean.

The zig-zag journey took the better part of a month. Submarines sneaked into attacking range four times. Each time they were chased away or sunk before they could inflict any damage.

All of the attempted attacks occurred on the south Pacific in broad daylight within two weeks. The fourth attack came when the convoy was less than 300 miles from Australia. The third, a few days earlier, was the most daring.

Depth charges were dropped upon the attackers at such range that the shock was felt strongly aboard ships of the convoy.

The submarines did not come to the surface. The men took the danger in stride, displaying amazing calmness.

Carefully drilled in preparation against attacks from under sea, the surface or the air, they followed loud-speaker orders

quickly and efficiently whether the command was to clear decks or to stand by lifeboats.

TAKING NO CHANCES

Then he carefully took out two new tires and marched into the lobby with them under his arms.

"I am going to take 'em to bed with me," he told a porter.

IRVING CAPEK TO RUN FOR JUSTICE

MALIN—Irving Capek this week announced his candidacy for the office of justice of the peace of the Tulelake district on the republican ticket. The office has been held for the past two terms by T. W. Chatburn, Merrill, whose name, it is expected, will be on the ballot also next November.

Capek, for six years city recorder and police judge, is secretary of the Malin chamber of commerce, secretary of the newly organized Malin Republican club, and a member of the civilian defense council here. He finished his schooling in Chicago where he also studied law, coming to Malin in 1928. At the present time he is employed at the Malin Mercantile company.

Mr. and Mrs. Capek and two children, a son and daughter, make their home in Malin.
