

Flagg and Quirt Taken Off Air

CHICAGO, April 11 (UP) — Officials of the Brown and Williamson Tobacco corporation

agreed Tuesday to take its radio show, Cap. Flagg and Sgt. Quirt, off the air "for the duration."

The character Cap. Flagg, a rather dense, gullible marine officer, came under fire from the marine corps several weeks ago. The agency agreed to take Flagg

off the program for a "vacation" and bring him back later as an intelligent, "gentlemanly" officer.

GOOD USE
RICHMOND, Va., (AP) — Rich-

mond firemen have thought of a use for some old city-owned Italian flags, which have been stored here since they were hung with American, British, Belgian and French banners on Richmond lamp posts to cele-

brate the return home of the doughboys of World war one. Because the price of cleaning rags has advanced, the firemen plan to use the Italian tri-color for shining fire engines.

FROM ENEMY TO ALLY
CHICAGO, (AP) — Leonard Mack, 49, who served as captain in the German army in World War I, applied for duty in World War II—but this time with the United States army.

Mack said he and his wife came to the United States in 1923 on their honeymoon, and liked it so well they stayed.
