

DORRIS AGAIN LEADS TRAVEL TO CALIFORNIA

The Klamath entrance to California at Dorris again led the northern California entrances in March and the number of cars entering that state from Oregon jumped 3,024 over the number for February. It was a bigger travel month than January in every station, with a total of 12,098 cars entering California through the northern stations during March.

The cars entering at Dorris numbered 4,451; those at Tulelake, 2198; Redwood highway, 1476; Hornbrook, 4338; Alturas, 492, and at Smith River 1102. During the same month for 1941, 6248 entered California through the Dorris station, 602 through Alturas, 702 through Tulelake, 6475 through Hornbrook, 1964 through the Redwood highway, and 1343 through the Smith River station, a total of 14,475. Thus March 1942, shows a drop of 2377 over March, 1941, for all northern checking stations.

Dorris was again fifth in the California border checking stations, ranking behind Blythe, Daggett, Fort Yuma and Yermo. Southern station figures show that Blythe and Yermo entrances fell sharply in March over the February figures. Blythe was down 229 cars and Yermo 3000. Yermo is the checking station on U. S. 1 and 499, the routes coming in through Boulder City, Las Vegas and the north and east, to Barstow, California. Daggett was up 578 and Fort Yuma 72 over figures for February.

SCROGGIES SPEAK AT SERVICES HERE

Both Dr. and Mrs. F. John Scroggie of London, England, spoke Sunday at the First Presbyterian church. In the morning the doctor spoke on "Lights and Shadows," comparing the Christian to light, illuminating, giving heat, shining on the evil and the good, and shining exactly where God places the believer. "As there are three ways in which light gives off heat by radiation, conduction, and convection, so you give off heat by your walk; that is, by what you are; by witnessing; that is by

what you say; and by work; that is by what you do," so Dr. Scroggie stated. Probably the best of the three great addresses of the day was the one in the afternoon, delivered to the smallest audience, when Dr. Scroggie spoke on the Lord's prayer, centering in the words, "Thy kingdom come." This he called "The cry of a distressed world, a sob of the heart." He said: "There are three things in this cry of the distressed world: (I) It is a remembrance of a coming Prince; (II) It is a revelation of a consummating purpose; (III) It is a realization of a consuming passion." There was no afternoon address scheduled for Monday, but there is to be each afternoon of this week for the other days ex-

cluding Saturday, when Dr. Scroggie will speak at 2:30, except on Thursday, on "The Oracles of God, Revelation, Direction, Instruction, and Inspiration." On Thursday afternoon at 2:30, Mrs. Scroggie is to give her famous lecture on "The Forces of Evil and the Fortress of England." Following this tea will be served in the dining room of the church in honor of the distinguished guests. On Tuesday evening at 6:30, a potluck dinner for young people will be served, at which Dr. Scroggie, with his usual versatility, will give the address. To this all young people are invited, who may be interested in Christian service. Mrs. Scroggie on Tuesday eve-

ning, will speak at the 8 o'clock service on "A Startling Enquiry." Monday evening Mrs. Scroggie was scheduled to address the Business and Professional Women's club at the Willard hotel at the 6:30 dinner hour. Dr. Scroggie was to speak Monday evening at 8 o'clock on "The Divine Pathway." On Tuesday noon he is to address the Lions club. **CARTE BLANCHE** FORT BLISS Tex., (AP) — A cavalryman proudly showed his buddies the pass given him by his company commander. Crater Lake Ski Club to Meet Wednesday Night Members of the Crater Lake Ski club will meet in the circuit court room at the courthouse Wednesday at 8 p. m. to wind up the year's affairs and to discuss the disposition of the electric ski lift for the duration of the war. Motion pictures of Sun Valley, showing Barney McLean's record-breaking performance in the Diamond Sun run will be shown. Lloyd Drew took the pictures this year. The thousands of feet of lumber destroyed in a Michigan fire would have made enough matches to keep a pipe lit.
