STOCK MARKET IN SELECTIVE RALLY REPEAT

NEW YORK, May 1 (AP)—Stocks negotiated another selective rally in today's market after a stumbling start.

Utilities, especially senior issues, stepped out in front near mid-day and gains for scattered favorites ran to 3 or more points. Industrials and rails, however, were a bit spotty throughout. Transfers were around 300,000 shares.

Power and light company stocks, along with several other lines, apparently were buoyed by recommendations of the house ways and means committee on the forthcoming tax measure which were interpreted as benefiting corporations with heavy invested capital structures. Utilities are in this class.

Tax doubters still were plentiful, though, and the war news from Burma tended to chill speculative and investment spirits to some extent.

American Telephone, off at the opening, came back for a good gain. In front of the upturn were preferreds of Public Service of N. J., United Corp., Engineers Public Service, West Penn Electric and American Power & Light.

Propped in the common ranks were Consolidated Edison, North American, Westinghouse, Du Pont, Union Carbide, Allied Chemical, Goodrich, Kennecott, American Tobacco "B" and Liggett & Myers "B."

Utility company loans were the best in the bond department.
