

'Man Who Elected Wilson' Dies In Los Angeles

LOS ANGELES, May 21 (AP)—William M. Kerr, the man who

swung the vote of California in 1916 from Charles Evans Hughes to President Woodrow Wilson and caused his re-election, died here Wednesday.

The 84-year-old registrar of voters was responsible for dis-

covering an error of 10,000 votes which had been credited to Hughes. When those votes were placed in Wilson's column, they swung the state to the democratic candidate and California's vote resulted in the re-election of

Wilson, although Hughes at first was believed elected. Kerr entered the registrar's division as a clerk in 1911 and in 1925 was named registrar for Los Angeles county. He was a native of Glasgow, Scotland, com-

ing here 40 years ago as a seaman. PORTLAND, May 21 (AP)—Among licenses granted by the state liquor control board were: R. H. Morgan and E. M. For-

gard, M. and F. grocery, Salem, package store class A license; G. L. Stevens, Kern buffet, Klamath Falls, retail beer class B license; H. H. Waltermire, Herb's grocery, Roseburg, package store class A license.

Tall Women Win Exemption

WASHINGTON, May 21 (AP)—The war production board decided today that any woman

standing 5 feet 8 1/2 inches or more in her stocking feet was of "unusual height" and therefore exempt from skirt and coat length limitations. Judges' robes were another exemption.
