

### FARMERS' DEBTS ADJUSTED BY PLAN

The farm debt adjustment program of the farm security administration is an organized effort to provide facilities for adjusting, on a voluntary basis, farmers' excessive debts to conform with their ability to pay. A summary of the adjustment of debts accomplished in Klamath and Lake counties by the local farm security office this past year has been issued by Earl A. Gardner, county supervisor.

"The largest, and perhaps the most worthwhile adjustment accomplished this year was with the Horsefly irrigation district," Gardner reported. He explained that with the assistance of the farm debt adjustment section, a debt reduction of \$133,310 benefiting 75 families and affecting 10,400 acres was accomplished. As a result, the farmers located in this irrigation district should now be able to secure refinancing from the federal land bank, the farm security administration, and other financing agencies, where, in the past, these agencies hesitated to extend loans because of the delinquency of the large bonded indebtedness of the district.

"More successful this year than in the past, was the work on improvement of tenure and securing improved leases," said Gardner. "Unsatisfactory and insecure tenure has contributed a great deal to the failure of many farm enterprises. It is difficult for a farmer to be successful if he has land payments or cash rent to meet in excess of the productivity capacity of his farm."

"Creditors, as well as debtors, are eligible for assistance through the farm debt adjustment program," said Gardner. "Anyone desiring this assistance may obtain further information in the local farm security offices which are located in room 205, Federal building, Klamath Falls."

### Cheese Buffet Will Make a Tasty Change

If you're planning welcome-home party for men on furlough, why not figure on a cheese buffet?

Such favorite dessert cheeses as Camembert, Brie, Gouda and goldencrusted Liederkranz are all excellent in sandwich and salad combinations. Liederkranz with corned beef or shrimps makes an unbeatable sandwich filling. Brie is delicious on hot toast with strawberry jam. Cam-

embert, pears and scallions make a tasty and unusual salad.

### Hot Liederkranz Cheese Canape (makes 8 canapes)

Eight rounds of bread, 1 package Liederkranz cheese, 1 teaspoon horseradish, 2 teaspoons mustard, 4 slices bacon.

Toast rounds of bread on one side. Blend Liederkranz cheese, horseradish and mustard. Spread on untoasted side of bread. Place a half slice of bacon on top of each round. Place under broiler or in a hot oven (400 deg. F.) about 10 minutes, or until bacon is done. Serve at once.

### Potato Cheese Sticks (serves 4 to 8)

One cup mashed potatoes, 1 cup flour, 2 tablespoons melted butter, 1/2 cup grated cheese, 1

teaspoon salt, dash of cayenne.

Mix all ingredients together. When cool, pat or roll in oblong shape, 1 inch thick by 2 inches wide. Chill and cut into thin strips. Brush with milk if desired. Bake on cookie sheet in very hot oven (500 deg. F) for 10 minutes.

### SUNDAY'S MENU

BREAKFAST: Cantaloupe, cold fish balls, enriched toast, coffee, milk.

DINNER: Tomato juice, broiled chicken, mashed potatoes, green peas, lemon meringue pie, coffee, milk.

SUPPER: Raw vegetable salad, hot Liederkranz canapes, stewed fruit, cookies, iced tea, milk.

### Nyssa Labor Camp Plans Materialize

PORTLAND, June 12 (AP)—Plans to construct a 150-family permanent farm labor camp near Nyssa were announced by the farm security administration Thursday.

Walter A. Duffy, regional director, said the present mobile unit was inadequate because of the continuous demand for seasonal workers from April 15 to Nov. 15. Some winter employment also was afforded, he said, by sugar refineries in the area. Bids will be opened June 22.

LANGUAGE BARRIER PORTLAND, Ore., June 12 (AP)—A Chinese merchant told OPA

inspectors he was having difficulty posting ceiling prices because . . . he had bought out a Japanese merchant and couldn't read the Nipponese figures.

Non-military organizations have been asked to curtail use of uniforms to save wool, rayon and cotton for army and essential civilian needs.

Three suggestions that might also be helpful in keeping your husband as well as your Volunteer Office happy are these:

2. Set the table and make everything ready in the kitchen before you leave for your Defense duties.
3. Prepare such things as meat loaves, macaroni entrees and desserts before you leave.

### How to use less sugar in making puddings and ice cream

Substitutes for sugar often improve the flavor of puddings and ice creams. For instance: brown sugar, maple sugar, and maple flavored syrup give butterscotch and maple flavors, respectively. For cornstarch puddings (Blanco Manges) use 1/2 substitute and 1/4 granulated sugar called for in the recipe. Mix as usual. Honey should be mild-flavored. Molasses gives a pronounced flavor which you'll either strongly like or dislike. Corn Syrup gives a less sweet pudding than other substitutes. For ice creams: Use the same amount of brown sugar, maple sugar, honey or maple-flavored syrup as the amount of granulated sugar called for in the recipe. (Note: When making the custard base for ice cream made with honey, there's a tendency for the custard to curdle. But the finished ice cream will be tasty and of excellent texture. Molasses and Sorghum give a strong-flavored ice cream and should be used with an equal amount of granulated sugar. Corn Syrup has less sweetening power than sugar, so use 1 1/2 cups corn syrup for each cup sugar. All of these substitutes for sugar are offered by your nearby Safeway store—all low priced every day as is every item at Safeway.
