

CITY ATTORNEY POST GOES TO J. H. CARNAHAN

J. H. Carnahan was announced as new city attorney Tuesday by Mayor John Houston. Carnahan succeeds Dayton Van Vactor, called to the armed services.

At Monday night's council meeting, Mayor Houston said he intended to nominate Carnahan, but understood some of the councilmen wanted to discuss the appointment with him at a meeting of the council as a committee of the whole.

On Tuesday, Mayor Houston said the meeting had been held and announced the appointment of Carnahan. Council confirmation of the mayor's appointment is necessary.

Carnahan is a former city attorney. His last service in this capacity was as under Mayor Willis Mahoney. He is a pioneer lawyer of Klamath Falls.

Mayor John Houston at last night's city council session appointed Percy Murray to a place on the civil service commission, replacing Lester Finley, who was called to service with the marines.

He appointed Rollo Goold, principal of the high school, to the city recreation committee, in place of Murray. He said Murray had asked to be relieved of the recreation committee duty because he is no longer connected with the high school board.

These appointments were confirmed by the council. Councilman Bussman asked if Goold is a property holder in the city, and suggested that this factor be considered in making city appointments. Mayor Houston said he was not sure as to whether Goold holds property, inasmuch as he has lived here only one year. He and the councilman agreed Goold would be a valuable man on the recreation committee.

Mayor Houston appointed Mrs. Nelson Reed, C. S. Robertson, Lee Jacobs and Clifton Richmond to help on city charter revision.

The council approved a new plan for truck parking on Main street which was proposed by the traffic safety council.

Under this program, the double parking restrictions will be lifted for commercial vehicles only on the south side of Main street between Seventh and Ninth streets. There are no alleys at the rear of main block buildings in these two blocks.

It was also pointed out that horse-drawn vehicles would be required to abide by the same rules applicable to trucks.

City Engineer E. A. Thomas reported that no oil is available for treating city streets this year. He made the report in connection with a request for improvement of Michigan avenue, relayed to the council by Councilman Wiesendanger. Thomas said the city would scarily Michigan avenue.

Thomas reported the city had received no bids for a house and garage on the Hoffman property, which has been purchased as an addition to the airport.

The council approved street banners for the Veterans of Foreign Wars, who open their convention Wednesday, and for the rodeo to be held in connection with the Fourth of July celebration.

G. C. Tatman of the culinary alliance reported that secretaries of the various unions will meet Friday night to discuss participation in the celebration and parade. He said he believed organized labor would cooperate wholeheartedly in making the celebration a success.

The council voted to permit erection of a Masonic sign on a local building, waiving the requirement for 80 per cent metal in the composition of a sign. War restrictions on metal use led to the action.
