

43 MEN FROM BOARD 1 LEAVE HERE JULY 2

Forty-three registrants on Klamath Falls Board 1 will leave here on the night of July 2 for Portland and induction into the army, selective service officials said today.

The group will be the first of two Board 1 units to leave during July, the office stated.

The men will report to draft headquarters in the courthouse, instead of at the armory or the high school as previous groups have done.

With the group will be one volunteer officer candidate.
