Will Have a Dog

When He Gets Home

The Charles Shepler family of route 3, box 555X, could have started a kennel this week with the response from a news story which appeared recently asking for a small dog for their young son, Floyd.

The little boy, seriously injured when struck by a car on the Keno road, is a patient at Klamath Valley hospital. His small pet, of whom he was exceptionally fond, was killed by a car a short time after his master was admitted to the hos-

pital. Neighbors asked help in obtaining another dog for the boy. Hospital attendants said they were "besieged" with calls offering dogs and the family also had many offers.

When Floyd goes home he'll find another dog waiting for him.
