Supposing EVERYBODY Bought Now?

You've heard people say: "I'll buy it now because there might be a shortage later!" • That's holding back part of the loyalty they owe to our country. • Everyone who fails to do all he can for the common cause, hurts himself as well. • The wise man, and his wife and family, will buy only what they need... and buy it when they need it, and where they can buy it best.
