

LIGHT BIDDING HELPS CUSHION DAY'S MARKET

By VICTOR EUBANK
NEW YORK, July 24 (AP)—Light bidding for selected rails and industrials helped cushion general declining tendencies in today's stock market. Transfers were around 250,000 shares.

Talk of the market being over-sold in Wednesday's relapse, sharpest since June 22, was a bolstering influence. Continued tax apprehension, waning of inflation inspiration and disturbing battle bulletins from Russia received the principal blame for recovery apathy.

Stocks in the resistant area included Bethlehem, Santa Fe, Southern Pacific, Southern Railway, Montgomery Ward, J. C. Penney, Pepsi-Cola, American Smelting, Western Union and Consolidated Edison.

On the outside most of the day were American Can, Eastman Kodak, Allied Chemical, Westinghouse, Sears Roebuck, Chrysler, American Telephone, Texas Co., Anaconda, Glenn Martin and U. S. Gypsum.

Bonds were mixed and major commodities lower.

HELP

CHICAGO, (AP)—Verne Hotzfeld, 37, filing suit for divorce, sought court orders to restrain his wife, Vera, from injuring him while he obtained his pants from his home.

Wearing borrowed pants and shirt, Hotzfeld exhibited black and blue marks which he said his wife, also 37, inflicted when she slugged him and bounced a flower pot off his head.

He explained he had a natural repugnance for hitting women so that he retreated from the house, wearing only his undershirt and shorts, and went to a friend's house to spend the night.

WHEAT

CHICAGO, July 24 (AP)—Selling which came into the wheat pit in the final minutes today forced futures down to a close at 1 cent to 1 cent under the preceding session's finish.

While the late liquidation was not unusually large, it contrasted with extremely light trading for most of the day. Grain men said they had seldom seen such small dealings in all pits as characterized most of the session.

Traders said the late selling came from commission houses and professionals. It apparently was based upon an accumulation of unfavorable news which had been present during the session and represented liquidation by longs.

September wheat closed at \$1.184-1/2 and December at \$1.22-1/2. Corn was 1-1/2c down, September 90-89 1/2c, December 88 cents. Rye lost 1/2c, soybeans 2-1/2 cents and oats, going against the trend, closed 1-1/2c higher.

COOPERATION SEEN IN ROAD CLOSURES

CRESCENT LAKE—Good cooperation with the forest service in the new road and trail closures due to the dry conditions seems to be experienced locally.

Roads open to travel without permit include those around Crescent lake, and the road from the Willamette highway to Crescent via Jones' bridge with that from Crescent Lake to the highway via Wilderness ranch also being open without permit. The Old Military road through Mowich is closed to travel even with permit, as it traverses a slash area.

Permit hours are from 8 a. m. to 6 p. m. daily and forest service men wish those desiring permits would visit permit stations during these hours. Permits can be issued for the Diamond lake-Crescent lake road at such stations.

VOLUNTEERS AVERT LABOR SHORTAGE

SALEM, July 24 (AP)—The farm labor shortage in most sections of the state is being eliminated by civilian volunteers, L. C. Stoll, state director of the U. S. employment service, said Thursday.

He said there was a shortage of 7641 farm workers throughout the state, and that half of this shortage is in the berry fields of Multnomah, Clackamas, Linn and Yamhill counties. The peak of the berry picking, however, is expected this week, while cherry picking, with labor needs of 1000, also is near the end.

He said hay and grain growers need 1600 additional workers, with the most acute demand between The Dalles and Pendleton. Two hundred more pea harvesters and 400 in tomato fields could find work in the Pendleton area, while Ontario wants 500 sugar beet laborers.

KEEP FAMILY'S APPETITE GOOD

In wartime more than ever, family appetites must be kept at a keen edge—ready to partake of and enjoy the nutritious, vitamin-rich foods so important to "national fitness."

To this end, nutrition experts are recommending "spurs" to summer appetites, often jaded by hot weather. Cooling milk drinks, wholesome salads and cheeses are among the foods recommended—made more appetizing by serving them with crisp round butter crackers such as Ritz.

The National Biscuit company, bakers of Ritz crackers, is now helping along this "pep up" campaign with a sparkling new advertising series for Ritz in the Herald and News.

Featured as the "fresh, crisp cracker that 'won't' wilt in hot weather," Ritz is teamed in the ads with delicious foods especially appealing in the summertime.

During the summerlong Ritz drive, dealers throughout Klamath Falls are trying in with special displays of Ritz and related special foods.

ALBUQUERQUE, N. M., (AP)—Judge E. C. Gober heard officers testify about the driver's speed, and fined the man \$100 for driving while intoxicated.

Nobody, declared the judge, could be sober and drive at that speed—a consistent three miles per hour.

Mrs. Leland Harris and Peggy came up last week from Oakland, to visit her father Al Gale, who is recovering from serious injuries received in a recent fall. Mrs. Elliott House and Jean.
