## BLY COMMUNITY CHURCH GROUP HEARS REPORT

BLY—The Women's Service society of the Bly Community church met on Wednesday, July 22, at the home of Mrs. Aaron T. Hoffman. In the absence of the president, Mrs. Walter Campbell, Mrs. Fred Stone opened the meeting. The roll call was answered with Bible references regarding worship in song and historical anecdotes concerning the old familiar hymns. Mrs. Frank Obenchain completed the mission study book which the group has been reviewing, with pertinent remarks concerning the unity necessary in churches at the present time and the value of real spiritual experience in critical world conditions.

A feature of the afternoon was the report of Mrs. Jeff Causbie on the Young People's Institute, from which she has just returned. She stated that there were some 250 young people present and that the behavior and spiritual tone of the group was especially fine. She said the new outlook and vision which her delegates had received far outweighed the financial output. Various members of the group will take charge of services to be announced later and give a full report of their experiences.

The project for disposal of the dishcloths was given over to Mrs. Carl Raupach. It was decided to postpone any action on the gift supply idea until after the fall bazaar.

Fruit punch and wafers was served to the following ladies: Mrs. James Dixon, Mrs. Max Cline, Mrs. Archie Strong, Mrs. Warren Osborne, Mrs. Fred Stone, Mrs. George Butler, Mrs. Carl Raupach, Mrs. Frank Obenchain, Mrs. Jeff Causbie, Mrs. George Boyd, Mrs. Orrie Wallace and the hostess, Barbara Campbell and Catherine Causbie were the children present. ### CHRISTIAN SCIENCE CHURCHES

"Life" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, July 19.

The Golden Text was, "As the Father hath life in himself; so hath he given to the Son to have life in himself" (John 5:26).

Among the citations which comprised the Lesson-Sermon was the following from the

Bible: "How excellent is thy loving-kindness, O God: therefore the children of men put their trust under the shadow of thy wings. For with thee is the fountain of life: in thy light shall we see light" (Ps. 36:7,9).

The Lesson-Sermon also includes the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Life is divine Principle, Mind, Soul, Spirit. Life is without beginning and without end. Eternity, not time, expresses the thought of Life, and time is no part of eternity. One ceases in proportion as the other is recognized" (p. 488).
