CHARMING VISITORS in our city these warm August days are Mrs. Lloyd Eldon Legg and her two sons, Douglas, 13, and Ronald, 9. They are guests of Mrs. Legg's sister and family, Mr. and Mrs. Nicholas Long of Lakeshore drive. Major Long is serving with the United States armed forces in Australia.

HOME FROM PUERTO RICO for the duration is Mrs. George Flitcraft, the former Marijane Daggett, who arrived by plane and train to be met by her mother, Mrs. Claude H. Daggett in San Francisco. They are now at home on Washington street.

HOME FROM THE SOUTH are Mrs. Walter Lassett and two children, Beverly, almost six, and Tommy, almost two. The Lassetts have spent the past few months in Bakersfield, California, and are back at 1919 Lowell street.

SUMMER BRINGS SUCH delightful visitors to Klamath Falls as Rose Marie Boyd, (right), daughter of Mr. and Mrs. Howard Boyd of Eugene, formerly of this city. Rose Marie is visiting Inga Johnson, daughter of the Gunnar Johnsons of 807 Fulton street.

NEWCOMERS TO KLAMATH FALLS are Mr. and Mrs. Harold Butler, pictured here with "Sally." Mrs. Butler is the former Laura Linder of Portland. They are now at home on California avenue.
