GETTING READY

Fat Frank Ramsey, the fourth Oregon Stater in a row to take over Klamath high school Pelican grid leadership, arrived in town last weekend. Mainly to look for a house for his wife and family, which now numbers four with the arrival of a boy last week.

But he got around a little before returning north to bring 'em all down here this weekend.

First practice, he said, for the 1942 Pelican edition, cannot be held prior to Sept. 10 according to state ruling. How'er, the fellas are expected to get out and toss the ball around a little late this month. Ramsey may drop in on 'em—just to watch, of course.

He said he wasn't planning to radically reverse Buck Hammer's hugely successful methods of last year. He figures on retaining the single wing but he'll also switch to an unbalanced line instead of the strict balance Buck maintained.

And Buck's flanker he'll also keep. Plus a lot more passing—if he can get the lads to do it. You'll remember last year that Hammer worked on aerials all season long but it wasn't until close to the end that he could get the Bigbills to use 'em at all during the game.

Ramsey said he'll introduce Lon Stiner's method of a roving, shifting defense—the one which halted Stanford and eventually Duke. With an experienced center in Phat Phil Blohm, the task will be simplified.

More than that, Ramsey declined to say until he has a chance for a first-hand glance at this year's material. The burly coach is probably in the best shape he's ever been in what with hod-carrying all summer long at construction on Camp Adair, the Corvallis cantonment. And he'll probably not be called to service, at least this year.

Lack of three key choppers prevented his acceptance as a volunteer officer candidate and a wife and two children will probably mean no drafting until the season is through.

Finnigan Softballers Defeat Big Lakes, 13-5, in Pickup Game

Matthew Finnigan's high school boys demonstrated what might have been last night in a pickup softball game with the Big Lakes Box crew. They tipped the Boxers, 13-5.

The Irishmen finished fourth and last in the recently-concluded Klamath Softball league, a game behind the Big Lakers in third place.

Last night, with Ford doing the hurling, the Finnigans limited the Box nine to five hits while smacking 13 of their own. They erred thrice while the losers bobbed twice.

Welch, Bocchi, Cada and Young each gathered a pair of bingles for the winners. Peery slapped two for Big Lakes. Shortgen did the chucking for the losers.

Eddie Waitkus Continues to Top PC Hitters

LOS ANGELES, Aug. 11 (AP)—The steady hitting of Los Angeles' left-hander Ed Waitkus is continuing the young first baseman as top batsman in the Pacific Coast league, statistics released today reveal.

Waitkus, in 130 games, has a consistent .349, including eight homers.

Topping the list is Los Angeles' veteran, Johnny Moore, right fielder, who has .358. He has played in only 91 games, however.

In the home run field, such as there is, Sacramento's center fielder, Buster Adams, is first with 21.

BURGHER RESIGNS

BOISE, Idaho, Aug. 11 (AP)—Darwin Burgher, Boise high school coach since 1935 and mentor at Medford, Ore. high school for five years before that, resigned yesterday to accept a job with the Morrison-Knudsen Construction company. He has been recruiting men in Oregon this summer for the company at Pearl Harbor.

Pete Reiser Back, Drops Batting Lead

NEW YORK, Aug. 11 (AP)—Pete Reiser returned to the Brooklyn Dodger lineup after a week's injury layoff last night and promptly relinquished the major league batting leadership to Ted Williams of the Boston Red Sox.

Williams, who has collected 127 hits in 369 trips to the plate, boosted his average to .344, seven points ahead of his nearest rival in the American league and four points better than Reiser, who tops the National league hitters.

Reiser, however, enjoys a longer lead over the rest of his field as the two league batting kings of 1941 press on toward successful defense of their crowns.

Ernie Lombardi of the Boston Braves holds second place in the National league with an average of .329.

In the American league, Joe Gordon of the New York Yankees took over second place with .337 last night when Taft Wright of the Chicago White Sox dropped to .336.

Sports Briefs

By Hugh Fullerton, Jr.
NEW YORK, Aug. 11—If the Dodgers get involved in any more feuds, they'll have to change the name of Ebbetts field to the "Dust-off Bowl" . . . Of course, nobody can prove that a "beener" is intentional, but Ford Frick's latest idea of fining the managers as well as the offending pitchers should help calm things a bit. And if that doesn't work, how about forfeiting a few games? . . . Records of the Hambletonian support the contention that the favorites nearly always win trotting-horse races, but we wonder if that isn't because the folks who follow the trotters know more about horses than the frequenters of running-horse parks . . . Baseball season must be over. On a recent visit to Iowa, Dizzy Dean told scribers that he'll be back in baseball "for sure" next year.

SERVICE DEPT.

Fort Bragg, N. C., lost no time challenging the claim of Camp Callan, Calif., as the principal producer of army all-star footballers. Fort Bragg has contributed Lieutenants James Bruhl, William Cary Cox and William B. Robertson to the eastern squad and Lieutenants Robert Peters and Norman Williamson to the western division. The Carolina outfit would have had a sixth man if Corp. Ben Hish hadn't gone to the officers' school at Miami Beach instead of the football school at Yale . . . Virtue rewarded: When Lieut. Steve Stavers, the old Columbia swimmer, took up the marines' style of rough-and-tumble fighting, he earned a commendation as one of the three best instructors in individual combat in the armed forces. As a result he was ordered from the New River, N. C., base up to nice, cool Maine for a couple of weeks to demonstrate his skill in a movie about the marines.

"T" TIME

When Johnny Fenlow, Richmond U. coach, read a newspaper story about Gen. Nathan Redford Forrest (who didn't say "git thar fustest with the mostest men") he underlined these words of the general: "I would give more for 15 minutes of jump than for a week of tactics. One man in motion is worth two standing to receive an attack." . . . Then Johnny added a note: "The 'T' was employed quite some time ago."

Oaks Get Crack at Leaders

Portland Entertains L. A. As Coast Teams Open Week

By the Associated Press
The sixth-place Oakland baseball club, fresh from a 4-3 series win over the Los Angeles Angels, Pacific Coast league pacesetters, get a crack at two other upper division teams this week.

Sacramento, riding in second position four games behind the Angels, is the first Oak opponent in the split-week schedule starting tonight. San Diego, the number four team, is slated to move into the guest dug-out at Emeryville on Friday night.

The Padres bested the Solons four games to three in last week's play and they are slated to provide a real test for the Oaks in their bid to improve their rating of 19 games behind the Angels.

Portland, deep in the cellar 33½ games behind the leaders, hosts the Angels starting tonight and then entertains the San Francisco Seals Friday through Sunday.

The Seals, en route north, open a three-game series with a doubleheader at Seattle tonight.

Hollywood tangles with the Padres tonight, Wednesday and Thursday nights and then jousts the Solons for a three-game series starting Friday night.

Salem Solons Tip Silverton Red Sox, 4-2

SILVERTON, Aug. 11 (AP)—Only 800 persons turned out here last night to see Salem's Western International league club win 4 to 2 from Silverton of the state league.

It was the first meeting of the two clubs, the proceeds going for navy relief.

Roy Helsler, who used to be Salem's ace pitcher, did the hurling for Silverton, giving up eight hits. Bud Moore, Salem pitcher, allowed only five hits. Claude O'Connell, Salem centerfielder, who was batting .429 when forced to quit several weeks ago because of two broken fingers, returned to the lineup and batted in three of the four runs.

Buddy Rosar Flunks Buffalo Police Exam

BUFFALO, N. Y., Aug. 11 (AP)—Warren (Buddy) Rosar, New York Yankee catcher, who was fined \$250 last month for leaving the club to take a Buffalo police civil service examination, was unsuccessful in his attempt to gain a position on the force.

The Buffalo Civil Service commission announced today his name was not among 190 on the eligibility list of 1034 candidates who took the examination July 19.

Rosar was fined by Yankee Manager Joe McCarthy for taking leave without permission July 18. He rejoined the club in Cleveland three days later. In the meantime, McCarthy hired Rollie Hemsley as catcher.

There doesn't seem to be much the Boston Red Sox or anybody else can do to catch the New York Yankees, but the Red Sox get another chance today to slow them down and renew a few personal duels at the same time.

As the Red Sox moved into Yankee stadium for a three-game set, they clung to second place in the American league by a lone percentage point but they trailed the defending champions by 13 lengths—just one shy of the margin the Yanks held at this stage in their run-away campaign of 1941.

Although the Yankees divided a doubleheader with the Philadelphia Athletics yesterday, they tacked a full game to their lead with the help of the Washington Senators, who swept a two-night twin bill from the Red Sox, and the Chicago White Sox, who whipped Cleveland again.

The Senators pounded Oscar Judd and Mace Brown for 11 hits in taking the first game from the Red Sox, 9-3, last night, but the second game was a pitching duel in which Walt Masterson of the Senators triumphed over Joe Dobson, 1-0, although the Nats were outlast, 5-4.

At Chicago, the fast-traveling White Sox collected only five hits off Chubby Dean while the Tribe clipped Joe Humphries for 11, but the Sox won, 3-1.

The Athletics tripped the Yankees and Red Ruffing, 4-1, in the opener of their double bill, but Ernie Bonham pitched the champs to a 3-2 decision in the nightcap.

In the National league, the Brooklyn Dodgers blanked the Philadelphia Phils, 6-0, in a two-night affair and increased their lead to nine games over the St. Louis Cardinals, who went down before the Pittsburgh Pirates, 6-4, in the only other contest on the day's card.

Graduate Managers Meet To Determine Scouting Extent, Fresh Eligibility

SAN FRANCISCO, Aug. 11 (AP)—Problems connected with launching a new football season under war conditions were brought out for a final effort at solution today by the graduate managers of the 10 member universities of the Pacific Coast conference.

There was a possibility that the explosive issue of whether freshmen should be allowed to varsity competition might be reopened.

Definitely on the day's agenda were such matters as the reaffirmation of the 1942 schedule, the extent of scouting this year, traveling squad limits, a fresh schedule probably to include service teams, and squad training tables.

After the managers voted down the freshmen eligibility proposal earlier this summer, the University of San Francisco brought the issue back by announcing it expected to use freshmen on varsity teams. USF has no games with conference, but its chief opponents, St. Mary's and Santa Clara, play conference members.
