

GALE FORCE WINDS SWEEP TEXAS TOWN

PORT ARTHUR, Tex., Aug. 21 (P)—Sailboats and yachts at anchor were sunk, plate glass windows blown in, city power disrupted in places, and roofs damaged by gale force winds today.

No loss of life was reported. Damage was confined principally to the waterfront.

Residents of coastal lowlands were warned by the coast guard of dangerously high tides.

In nearby Beaumont, gale winds levelled trees, blew down signs, and disrupted power supplies in some sections of the heavily industrialized area, but most large plants were operating normally.

Efforts to check on damage and possible loss of life in beach districts of the entire heavily-populated Sabine district were hampered through lack of communications. There were no reports of injury or loss of life.

All the fellows ask me why I don't try for a commission. I'll do it the hard way. If the Army wants to promote me, okay—Boxer John Risko, when drafted.

Turn meals into bright occasions by serving something unexpectedly good. But keep within the budget. These two recipes show you how.

Cottage Cheese Ring With Fresh Fruit
(Serves 4 to 6)

One and one-half tablespoons plain gelatin, 1-3 cup cold water, 3 cups cottage cheese, 1 teaspoon salt, 1 teaspoon paprika, dash cayenne, 1 cup cream or undiluted evaporated milk, blackberries and raspberries, 1 cup salad dressing.

Soften gelatin in cold water; dissolve over hot water. Mash cheese with fork; add seasoning, cream or evaporated milk and softened gelatin. Place in refrigerator until set. Unmold on bed of chilled lettuce. Fill center with fresh berries mixed with salad dressing.

Diced Meat Loaf
(Serves 4 to 6)

One-half pound beef chuck, 1 pound veal shoulder, 1 pound lean fresh pork, 1 cup stock or water, 1 teaspoon salt, 1 egg, beaten, 1 cup cracker crumbs, 1 tablespoon lemon juice, 1 pound salt pork.

Cut beef, veal and pork into 1-inch cubes. Combine all remaining ingredients, except salt pork, mixing thoroughly. Pat firmly into loaf pan. Slice salt pork thin and lay over top of loaf. Bake in moderate oven (350 deg. F.) for 1 hour. Turn onto platter, garnish with water-cress or parsley, and serve piping hot.

LUNCHEON: Left-over vegetable salad, toasted hard rolls with melted cheese, bowl of plums and grapes, iced tea, milk.

Yanks Test Out Captured Jap Plane in China

CHUNGKING, Aug. 21 (P)—A captured Japanese army plane has been taken up for test flights over China by Major David L. Hill of Hunt, Tex., and may be used for practice dogfights by

Brig. Gen. Claire L. Chennault's Flying Dragons.
Hill, six-foot two-inch former American volunteer group pilot and now a member of Chennault's force, had trouble crowding his lanky frame into the seat built for pint-sized Japanese.
"My darn knees were up to my chin," he said.
The plane, a 1940-model I-19 was seized by the Chinese last

year when it was forced down in Fukien province.
"The short turning radius and maneuverability of the plane are unbelievable," said Hill. "It takes off and lands with very short runs. Instruments are simple and all gadgets are handy. It has no armor plating and no self-sealing gas tanks, which are sacrificed for performance."
Bananas may be used in treating certain intestinal diseases, according to an eminent doctor.

CAMDEN, N. J. — Francis Maschek, veteran at Garden State park, is the only American jockey who has accepted mounts at South American tracks.
