

RED WORKERS TAKE UP ARMS TO AID ARMY

(Continued from Page One)

army cavalrymen were credited with killing 100 Germans in a night raid on a Nazi-occupied village somewhere between that city and Kotelniokovsk, 95 miles to the southwest.

Fall Back

In the sector below Krasnodar, Russian detachments were reported to have fallen back. Defensive fire and Soviet mines were declared to have accounted for seven more German tanks and 13 infantry-laden trucks in that western Caucasian campaign.

Ray of Hope

A ray of hope amid the somber military news was contained in a Red Star editorial which said "the battles in the south have entered a new phase" now that the Germans have reached the main barrier of the Caucasus mountains.

The campaign previously has been on the broad plains and foothills.

Mary Ann Grafton, Injured In Boat Accident, Improves

Mary Ann Grafton, 15, injured in a boat accident at Lake of the Woods Sunday, showed marked improvement at Klamath Valley hospital Wednesday. Miss Grafton, daughter of Mr. and Mrs. H. R. Jackman of Malin, sustained facial cuts when she fell from a boat operated by Fred Ross of Klamath Falls, and was struck by the propeller on the outboard motor.

Reports of the accident from Medford, where it was reported a Camp White soldier had rescued the girl, were not entirely correct, according to information brought here Wednesday from Lake of the Woods.

Miss Grafton was staying with a number of other girls at the Underwood cabin at the lake. While sitting on the prow of the boat which young Ross was operating, she slid off as the craft made a turn.

Ross heard the propeller thud as it struck her head. He immediately leaped into the water and grasped the unconscious girl, holding her head above water and swimming with her to the boat. When he reached the boat the girl had regained consciousness enough to hold on to the side as Ross undertook to bring her on board.

It was then that a large boat owned by Heinie Fluhrer of Medford, carrying a number of soldiers and civilians, came alongside and help was offered. The girl was taken on the larger boat and was given first aid treatment by military camp medical personnel at the lake. No artificial respiration was necessary, according to the local information.

Miss Grafton was then removed to Klamath Valley hospital. She is a student of Klamath

Union high school, and during the school year resides at the home of Mr. and Mrs. Glenn Kent.

Young Ross is a former high school athlete and is the son of Mr. and Mrs. Bob Ross, 2152 Thrall street.

Naval Board Probes Sailor Crash Death

(Continued from Page One)

day in the Agency hospital from injuries sustained when a car driven by Daniel Edward Dorsey, San Francisco News sports-writer, rolled off the road north of the agency.

State police officers said that Dorsey fell asleep at the wheel after driving all night from the bay city. He was driving McKinney to The Dalles for the funeral of McKinney's father who had committed suicide near there.

Editorials on News

(Continued from Page One)

everything before it seems to be a slim one.

THE Rome correspondent of a Swiss newspaper in Bern springs a new one today, quoting reports current in Italy of allied concentrations of transports and warships at Gibraltar and west African ports.

These reports, of course, point to Africa or Spain as the location of a possible allied diversion — or perhaps even a second front.

One school of cracker-box strategy has held persistently that Africa, as a jumping-off place for invasion of Italy, is the place for the second front.

(Listen to these rumors, but keep your fingers crossed.)
 GENERAL BARNES, head of the U. S. ordnance mission in London, says today that both the U. S. and Britain are producing a "secret weapon" that will prove a "great surprise" to the Germans.

Maybe so. Such things are possible. But don't pin your hopes of winning the war on secret weapons. If we had such a weapon in the making and it DID promise to win the war, we wouldn't be bragging about it openly.

We'd be keeping it darkly secret, so as to get all possible advantages of surprise when we do spring it.

YANKS INFLICT HEAVY LOSSES ON INVADERS

(Continued From Page One)

today as damaged raised to more than a dozen the enemy vessels damaged in the new thrust the Japanese undertook, starting last weekend, to drive United States marines out of the Tulagi area of the Solomons and regain that vital sector for future attacks to the supply line to Australia.

"Too Early"
 "It is too early," the navy communique said, "to estimate the outcome of the battle at sea being fought off the Solomon Islands, but reports to date reveal that our forces at Guadalcanal are holding their positions in the face of strong enemy thrusts and in each action have inflicted heavy damage on the attacking Japanese forces."

Planes Damaged
 Approximately 150 miles west of the convoy action, MacArthur reported destruction of 13 grounded Japanese planes and silencing of an anti-aircraft battery in two surprise attacks on Buna, on the southeastern New Guinea mainland.

Southward, allied fighters claimed destruction of several beached Japanese barges and supplies, and at Japan's New Britain bases at Rabaul and Gasmata, northwest of the Solomons, eight tons of explosives were dropped by bombers.

Large Premium List Slated for 4-H Victory Show

(Continued from Page One)

vegetable, flower and canning divisions are a total of six summer school scholarships, 30 summer camp scholarships and 35 half scholarships for summer camp.

The championship exhibit is to receive a \$25 war savings bond, while the boy or girl displaying the largest variety of vegetables and the one showing the newest or most unusual varieties will each receive \$5 in war savings stamps.

New feature of the show this year will be the canning exhibit which has formerly been a part of the Merrill Potato festival, cancelled this year on account of war conditions.

The show is sponsored by the Altamont Garden club, with Mrs. Bert Schultz in charge. Exhibitors are reminded to have their displays at the school

Virtually no Changes Seen in California Hunting

(Continued from Page One)

commission permit no hunting in any season opening Sept. 1 or later except in areas to be defined later. These areas, as outlined above, already had been defined, sources here said.

It was reported that Nate Milnor, Los Angeles importer and chairman of the commission, had demanded and received assurance at the meeting Saturday that there would be no further changes in hunting regulations between Sept. 1 and January 1 except in case of the greatest emergency.

Denny Leads Gunlock for Nomination

(Continued from Page One)

strict attorney, the incumbent, Johnson, was elected, 3689 against 3141 for Merrill. Only two were in the race.

In the Siskiyou contest for recorder, the vote stood: Johnson, 3088; Ames, 2235; Mrs. Thompson, 1675. Johnson and Ames will run it off in the fall.

It was reported that in Tulare township, John F. Cortez was named justice of the peace over Clyde Barks, incumbent.

The election for justice of peace ran as follows:
 East Tulare — Cortez, 32; Barks, 25.
 West Tulare — Barks, 46; Cortez, 71.
 Winema — Barks, 30; Cortez, 33.

Earl Warren swept Tulare precincts on both republican and democratic tickets in the governor race.

East Tulare — republican: Warren, 10; democratic, Warren, 24; Olson, 4.
 Tulare, ward 1 — republican: Warren, 42; democratic, Warren, 51; Olson, 22.

Winema — republican, Warren, 28; democratic, Warren, 22; Olson, 10.

LURE OF THE SIREN

SEATTLE, (AP)—They'll ask the police to make him walk, next time.

Twice now pajama-clad Jimmy McDaniel, 3, has scooted away from home before his parents awakened in the morning. The last time, police found him two miles away on a borrowed tricycle.

Said his mother, "He's thrilled to death at his ride home in a police car. We're afraid he may make a habit of it."

building by 8 o'clock Friday morning if possible and not later than 10 o'clock.

WARREN NAMED; ENGELBRIGHT HAS BIG LEAD

(Continued from Page One)

Republican — Englebright 6690, Henderson 2297, Finnegan 924.

Warren, who termed the primary results "eloquent evidence that the people will not stand for another four years of Olsonism," polled 176,619 votes in 7759 out of 14,438 precincts in the democratic race for governor while Olson got 226,645.

On the republican ticket Warren drew 225,375 votes in 7453 precincts. He asserted the results made it appear "reasonably certain" that he would be elected governor in November. He pledged support to President Roosevelt in furthering the war effort and said he would clear California of "bickering and bungling" and would build an adequate civilian defense.

Governor Olson in a statement said it appeared that 1,200,000 democrats failed to vote in the primary and predicted a democratic victory in the November election. He asserted that conclusions based upon the totals would be misleading and said polls had indicated 23 per cent of the republicans intended to vote for him.

Representatives Tom Rolph, Harry L. Englebright, Albert Carter and Richard J. Welch, republicans, and John M. Toland, democrat, chairman of the house defense migration committee, apparently were winning their own party nominations. Each had a lead also in the contests in their opposition party races.

Elliott Ahead
 Representative A. J. Elliott, democrat who defended his votes against the fortification of Guam and against renewal of reciprocal trade treaties, was far ahead of V. V. Bowker, his only opponent.

Lieut. Will Rogers, Jr., son of the late humorist, apparently was heading toward the democratic congressional nomination in the 16th district over republican representative Leland M. Ford, but Ford was ahead of Rogers for the G.O.P. designation.

Representative Frank H. Buck, who ran into a hard intra-party fight for renomination, trailed on both party tickets.

Lieutenant Governor Ellis E.

BRITAIN MOURNS DEATH OF KENT

(Continued from Page One)

the pilot was one of the most capable in the RAF.

As soon as news of Kent's death was telephoned to King George and Queen Elizabeth at one of their summer palaces, the king sent a special messenger to break it to the duchess at her simple Buckinghamshire house, the Coppins, and arranged for other members of the royal family to go there to comfort her.

Italians Fear Allied Thrust On West Africa

(Continued from Page One)

the Mediterranean basin similar to that at Dieppe.

The correspondent said Italians are pointing to French Tunisia as "the most exposed point" in the Mediterranean and asserting that "Anglo-Saxon enterprises against French possessions have succeeded very well." (The reference presumably is to the occupation of Syria.)

Back From Oakland — May Phinney, Fremont teacher, has returned to Klamath Falls to resume her position after spending the summer in Oakland, Calif., where she was employed a detective agency.

Dr. W. A. Leonard, Pioneer Klamath Dentist, Passes

Dr. W. A. Leonard, pioneer dentist, died at Salem Tuesday, according to word received here. Dr. Leonard had been living at Salem with relatives.

It is understood Masonic services for the pioneer dentist will be held at Salem.

Dr. Leonard lived for many years in a large house at Pine and Eleventh streets, where he conducted his practice.

Burtons Return—Mr. and Mrs. George Burton of 919 High street returned home the first part of the week from Austin, Tex., where they attended the marriage of their daughter, Elizabeth, to Second Lieut. Ralph P. Taylor, son of Mrs. G. Taylor of this city.

That Extra Something!
 ...You can
 spot it every time

OF COURSE the Armed Services get Coca-Cola just as they get all the good things that are wanted and needed to do each job.

Coca-Cola has that extra something to do the job of complete refreshment. It has a taste that's uniquely satisfying—a quality that's unmistakable. And there's a real reason for that. Coca-Cola holds the original secret of unique refreshment... a finished art in its making... a blend of wholesome flavors that can't be copied.

Your experience has discovered this special something in Coca-Cola... delicious taste with no cloying after-taste... refreshment in the finest form. The only thing like Coca-Cola is another Coca-Cola.

It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called Coke, Coca-Cola and Coke mean the same thing... the real thing... "a single thing coming from a single source, and well known to the community".

At U. S. O. recreation centers, you'll see how happily ice-cold Coca-Cola "cuts in" to make "intermission" a refreshing moment on the sunny side of things. It makes for morale.
