

City Briefs

En Route to Fort Benning—Mrs. Stanley J. Patterson of San Jose, Calif., is here visiting for a few days with her husband's parents, Mr. and Mrs. James Patterson and their two daughters, Frances and Louise. Mrs. Patterson is on her way to Fort Benning, Ga., where Patterson is expected to graduate from officers' training school on September 21. He enlisted in January, 1941.

Leave For Bandon—Mr. and Mrs. William Quibell and son, Billy, and Mr. and Mrs. John Quibell have left to spend several days at Bandon with Mr. and Mrs. W. H. Smith and family. Mrs. Smith is the daughter of Mr. and Mrs. William Quibell. They will be joined there by William Pomroy of San Francisco, brother of Mrs. William Quibell, and a family reunion will be held.

Resumes Opening—Reames Golf and Country club will open Friday for the fall season, with golf scheduled for 9 a. m. Luncheon will be served. Reservations must be made by Thursday noon with Mrs. Robert A. Thompson or Mrs. John H. Houston, it was announced. Cards will be played in the afternoon.

Traffic Violators—Seventeen traffic violators paid \$1 bail each at police headquarters Tuesday for offenses committed within the past few days, according to police records. Police court this morning handled four cases of drunkenness, one of vagrancy, and two of disorderly conduct. One traffic violator appeared.

Home From Seattle—Harold Patterson arrived home Tuesday morning to visit with his parents, Mr. and Mrs. James Patterson. He was graduated from KUHS. He has been employed for the past year at the Boeing Aircraft factory in Seattle. He plans to attend OSC this fall.

Auxiliary to Meet—The Women's auxiliary of St. Paul's Episcopal church will hold the first fall meeting at the home of the president, Mrs. R. Heber Radcliffe, on Thursday, September 3, at 2 p. m. All women of the church are cordially invited to attend.

Reports for Duty—Don E. Hunt, 1836 Crescent avenue, a member of the CPET at the local airport received orders late Saturday night to report on September 1 at Santa Ana flying field for active service. He left Sunday night. Mrs. Hunt will remain here for the present.

Released From Hospital—Max Brotherton was released this morning from Klamath Valley hospital, where he has been receiving treatment since Monday, when he sustained a crushed toe while working for the Big Lakes Box company.

At Pomona—Mary Louise Johnson of Klamath Falls, was among the freshmen registering today at Pomona college in Claremont, Calif. She is the daughter of Dr. and Mrs. E. D. Johnson, of 841 Pacific Terrace.

Returns From Visit—Mrs. R. B. Tyler of 823 Martin street, has returned from a visit with her mother in Long Beach, Calif. During the two weeks she was away she also visited in San Francisco and also in Idaho.

Priest to Speak—Father Whitlow, now located at the war relocation center near Tulelake, will speak at Thursday's luncheon of the Klamath Kiwanis club. Bert Igl will be chairman of the day.

Appointment Made—Mrs. Alta Randall, 1903 Wantland avenue, has been appointed to have charge of the cafeteria at Mills school this year.

Paging All Camera Fans and Children

Camera fans and children especially are promised a rare treat on Saturday when Mona and Mary Ann, twin elephants from the Polack Bros. circus are scheduled to put on five tons of entertainment for the free enjoyment of the public.

The time will be from 12 to 12:30 p. m. and the place in front of Sears Roebuck and company on South Eighth street.

WAKE UP YOUR LIVER BILE—Without Calomel—And You'll Jump Out of Bed in the Morn'g

Into your blood pour 8 pints of bile juice. The liver should pour 8 pints of bile juice into your blood every day. If this bile is not flowing freely, your food may not digest, it may just decay in the bowels. Then gas builds up your stomach. You get constipated. You feel sour, sick and the world looks lumpy.

Valley Residents Here—Mr. and Mrs. Joe Dewey of Bonanza, were here on a shopping trip Monday, and were guests of Mr. and Mrs. A. E. Ballie, 231 North Tenth street.

Minute on the map but big prizes in the Pacific war are the thousands of islands between Hawaii and the China coast. The map shows the powers that own or now occupy these strategic islands, from pinpoints like the Gilberts to continental Australia. Topmost on the map and on allied attack lists are the islands of Japan, now guarded by rings of insular bases. The outermost of these—the Solomons, the Gilberts, the Marshalls, Marcus and Wake—U. S. forces already have attacked, presaging the eventual drive through the islands to the home of the enemy.

Grandpa Joins the Navy

Orson Buck, 43-year-old Utica, N. Y., grandfather, didn't let his title stop him from joining the Navy. Here he is with two grandsons, Jack Phillips, 5, left, and Jerry Phillips. Buck, in the Navy in World War I, is a machinist's mate, second class.

tion by Hitler, on accusations that Stelcher had embezzled party money and had been "involved in the most unsavory affairs."

WHEAT

By FRANKLIN MULLIN

CHICAGO, Sept. 2 (AP)—Buying associated with improved flour business this week and reports of unfavorable harvest weather in the spring wheat belt lifted wheat prices fractionally at times today to highs for the past six weeks.

The market's upturn was checked, however, by persistent profit taking, which was particularly in evidence early in the session and then again just before the close. Mill buying was stimulated by substantial bakery as well as family trade business in the flour market.

Wheat closed unchanged to lower compared with yesterday, September 1, 1942. December \$1.23 1/2; corn 1c off to 1c up, September 84c, December 86 1/2; soybeans 1c down; rye 1/4c lower.

Assassination attempts have been made against German soldiers by terrorists and communists in the pay of England. I have in consequence had 93 terrorists shot.—Brig-Gen. Oberg, chief of police in occupied territories.

Oregon Wood Users Will Be Short 125,000 Cords

SALEM, Sept. 2 (AP)—Oregon wood users will be deficient 125,000 cords by next March 1, David Eccles, executive secretary to the governor, reported to the board of control yesterday.

State Forester N. S. Rogers told the board that the shortage could be alleviated if all Oregon mills would save their waste slabwood.

The board discussed the proposal to use convicts to cut wood, the prison reporting 200 convicts would be available for this purpose, but no definite decision was reached.

Always read the want-ads.

INDUSTRIALS MOVE AHEAD; MARKET SLOW

NEW YORK, Sept. 2 (AP)—A relatively small group of industrial specialties and senior utility issues moved ahead today as other stock market departments remained at virtually stationary price levels.

Animating the list a little after a long stretch of inaction the preferred shares of Electric Power and Light and American Power and Light pushed up 1 to around 3 points in the late proceedings.

Cuban-American was lifted around a point in moderately lively dealings.

Steels, motors, aircrafts and other pivotal groups recorded negligible mixed changes and over the list as a whole gains and losses were about evenly matched in the final hour. Transfers were around 250,000 shares.

Fractionally on the improved side most of the time were du Pont, U. S. Steel, U. S. Gypsum, Sears Roebuck and Great Northern. Bethlehem Steel, General Motors, United Aircraft and Douglas were a bit backward. Bonds were irregular.

Commodities were uneven. Closing quotations:

good-choice spring lambs \$12.00; medium \$11.00-25; feeders \$9.00-75; good shorn lambs \$10.80; yearlings \$8.50 down; medium-good ewes \$3.00-4.50; good light ewes quotable \$5.00 or above.

BOSTON WOOL

BOSTON, Sept. 2 (AP-USDA) The market for domestic wools continued firm in Boston today with foreign wools spotty. Reports from the western wool auction where several eastern buyers are in attendance indicated offerings at yesterday's session of approximately 1,000,000 pounds with sales of about 950,000 pounds. Offerings were mostly fine and half blood territory with the bulk graded. Prices ranging from 39 to 49 cents, great basis, Billings, Montana, were regarded as at or close to full ceiling.

In terms of what will be required to defeat our enemies we have only just begun to get into our stride. — President Roosevelt.

LUBRICATION ALONE IS NOT ENOUGH!

YOUR CAR HAS GOT TO HAVE LUBRICATION PLUS—

ADJUSTMENTS—Many parts of your car require adjustments to compensate for wear. That takes scientific wheel alignment machines, motor analyzers, and sensitive brake testing equipment.

REPAIRS—Whether it's overhauling a carburetor, bumping out a fender, or straightening a bent steering arm, Oldsmobile mechanics have the tools and "know-how" to do a top-notch job!

REPLACEMENTS—Whether it's installing new brake linings, fitting pistons, or replacing gears or bearings, Oldsmobile mechanics have the fixtures and equipment necessary to do each job right.

YOU can't expect any car to give you all the mileage built into it unless it gets the mechanical care it needs. Wear goes on even in the best-lubricated car. Wear can't be corrected by packing a bearing full of grease. Wear requires mechanical adjustment.

That's why you should place your war-time car in the care of a mechanic who knows how to detect signs of wear as he lubricates... who has the specialized equipment it takes to make necessary adjustments, replacements, or repairs. Bring it to Oldsmobile Service, whatever its make. All cars are welcome here.
