CHICAGO WHEAT

CHICAGO, Sept. 14 (AP)—Wheat and rye prices touched highs not reached since mid-July, showing gains of 2 and more than 3 cents respectively, as buying expanded in the grain market today.

Washington reports indicating anti-inflation legislation may authorize the president to limit farm prices to parity or highest levels reached this year and may provide a definite floor stimulated buying of cereals, traders said, because grain prices are well below parity. Mill buying of wheat was reported and shippers sold more than 100,000 bushels to be moved from here to outside mills.

Profit taking reduced the gains late in the session but wheat closed ½-1¼ cents higher than Saturday, September $1.23⅜-½, December $1.26¼-⅜; corn unchanged to ⅛c up, September 83⅜c, December 86¼-⅜c; oats ½-⅝c up; soybeans ½-¾c higher and rye 2¼-2½c higher, September 70½ cents.

BUYERS SHOW LITTLE TASTE FOR LEADERS

By VICTOR EUBANK

NEW YORK, Sept. 14 (AP)—Stock buyers today nibbled at rails and scattered specialties while showing little if any appetite for most leaders on the market menu.

Commodities rallied briskly on introduction of a senate bill giving the president wide powers on wage-price controls, with liberal treatment for farm staples indicated.

Transfers were around 300,000 shares.

International Telephone came to life on a 14,000-share block and subsequently edged into new high ground since 1941. U. S. Distributing preferred bounded up to a new top since 1931 while Third Avenue Railway common touched the best level in a year.

In front most of the time were Santa Fe, N. Y. Central, Pennsylvania, Southern Pacific, Southern Railway, U. S. Steel, Chrysler, U. S. Rubber, Eastman Kodak, Pepsi-Cola and Philip Morris.

Twin City Rapid Transit preferred, a net gainer of 20 points in the preceding week, fell back under profit taking. Among intermittent laggards were Consolidated Edison, American Smelting, General Motors, Montgomery Ward, Sears Roebuck, Texas Co., Du Pont and Allied Chemical.

Bonds followed a slim trail.
